

St. George

THE BRIGHTER SIDE

FY 2024/2025 CITY MANAGER RECOMMENDED BUDGET

GOVERNMENT FINANCE OFFICERS ASSOCIATION

***Distinguished Budget
Presentation
Award***

PRESENTED TO

**City of St. George City
Utah**

For the Fiscal Year Beginning

July 01, 2023

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to City of St. George, Utah, for its Annual Budget for the fiscal year beginning July 1, 2023.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

EXECUTIVE SUMMARY & CITY OVERVIEW

Mayor & City Council

The City operates under a Six-Member Council form of government, of which one member is the Mayor. The Mayor and five Councilmembers are elected at large to serve four-year staggered terms. The Mayor serves as the chairperson of the Council and presides at all council meetings.

Set Policy & Direction

Enact Law

Adopt Budget

6-member
Mayor & Council

City Administration

The City Manager is under the direction of the Mayor and City Council, acting as the liaison between the City departments and the Mayor and City Council.

The City’s Leadership team is comprised of individuals representing all services, programs, and support provided to our citizens. Members of the City’s Leadership Team are listed below and are also shown in the Organization Chart on the following page.

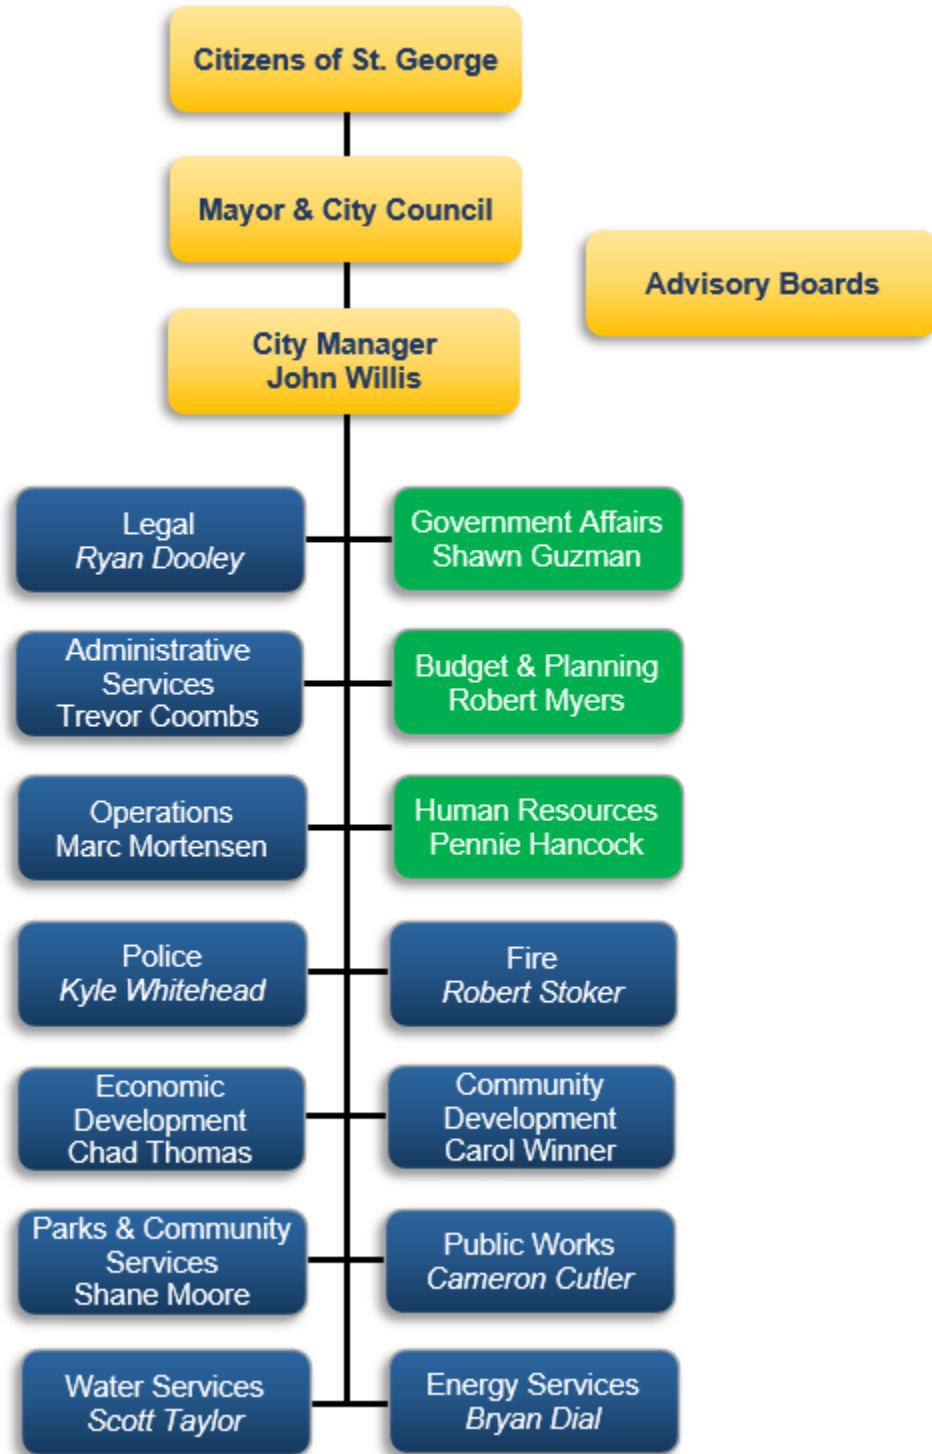

- | | |
|---------------------|--------------------------------------|
| John Willis | City Manager |
| Ryan Dooley | City Attorney |
| Shawn Guzman | Government Affairs Director |
| Christina Fernandez | City Recorder |
| Kyle Whitehead | Police Chief |
| Robert Stoker | Fire Chief |
| Bryan Dial | Energy Services Director |
| Scott Taylor | Water Services Director |
| Cameron Cutler | Public Works Director |
| Carol Winner | Community Development Director |
| Shane Moore | Parks & Community Services Director |
| Marc Mortensen | Operations Director |

| Robert Myers | Budget & Financial Planning Director |
| Pennie Hancock | Human Resources Director |
| Chad Thomas | Economic Development Director |
| David Cordero | Communications & Marketing Director |

City of St. George – Organization Chart

May 2, 2024

To the Honorable Mayor and Members of the City Council:

It is my privilege to submit the City of St. George FY 2025 City Manager Recommended Budget to the City Council and community. The budget represents the financial plan for delivering the municipal services that we believe are desired and expected by residents, businesses, and visitors of the City of St. George. The budget was developed based on the direction provided by the Mayor and City Council, as conveyed as part of this year's Budget and Goals Retreats and through feedback received throughout the year. Staff have worked diligently to develop a balanced budget that achieves the priorities of the City Council and keeps the city in a strong financial position.

The FY 2025 City Manager Recommended Budget includes key recommendations ranging from investments in the city's public infrastructure to investments in public safety and other core service areas with the addition of new personnel and equipment. Investments are also proposed in the city's recreational opportunities with the first year of projects funded by the Trails, Parks, and Recreation General Obligation Bond approved by voters this past November.

Strengthening the city's communication with residents is another area of focus in this year's budget and we have proposed investment in new software to help us better engage and receive input from the public on city services. Along these same lines there will be a number of new opportunities for our residents to engage and learn about the budget including the new budget in brief which provides a high-level overview of the budget, a highlight video, the first budget town hall meeting and additional engagement through social media and on the city's website. These additional opportunities will be available in the coming weeks.

This year's budget proposes a number of fee adjustments across the city's parks programs and in the city's utilities to help pay for the growing cost of providing service. **Staff is not proposing a property tax increase for FY 2025.**

This year's recommendations along with the assumptions and revenue estimates for FY 2025 are covered in greater detail throughout the budget document. Staff are proud to submit this year's budget to the City Council for your consideration and look forward to feedback from the Council and community on the FY 2025 budget.

Economy

The National and State economies have shown resilience this past year against continued uncertainty as economic conditions have performed contrary to what many experts had expected based upon historical precedent.

Current conditions reflect positive GDP growth nationally at 1.6% as of Q1 2024, which is the first indication of softening in GDP as the prior quarters were over 3%, labor markets continue to be tight with unemployment at 3.7% nationally and 2.8% in Utah, and inflation continues to reflect above the 2% target rate at 3.9% nationally and 2.9% in the Mountain West region, but is still significantly lower than where inflation was at the beginning of last year.

As we look forward to FY 2025 there are multiple economic headwinds that could deteriorate the current economic picture. First and foremost, the Federal Reserve continues to hold the Fed Rate firm at 5.5%, keeping interest rates higher to slow economic activity in order to bring inflation down to 2%. As we began 2024 expectations were that the Federal Reserve would begin to cut interest rates as soon as this summer, as inflation had been expected to be under control. At the Federal Reserve’s March meeting, the Fed signaled that rate cuts will likely be much slower if they even occur at all during 2024 as inflation continues to be stickier than expected. Higher interest rates will continue to keep negative pressure on the economy and particularly on sectors highly impacted by interest rates such as real estate and vehicle purchases. Another headwind is growth in credit card debt and delinquency rates. With credit card debt nationally reaching 1.13 trillion in February and delinquency rates reaching 3.1% in December 2023. This could pose challenges if consumers become overextended and debt payments erode future consumer spending which is the primary driver of the national economy. Finally, the Treasury yield curve has continued to be inverted which has historically been an indication of an impending recession.

While economic activity has mostly been positive, the city has not seen this consistently translate into strong sales tax collections during the current fiscal year. Sales tax is the primary source of revenue for the city’s General Fund and during FY 2024, sales tax has ranged from negative to low growth. As of the February distribution (December point of sale) collections reflected up only 1.04% year to date from the prior year. The last two months of collections have shown much stronger growth, but until we see more positive experience it is unknown if this is an outlier or the beginning of a more positive trend.

Looking forward to FY 2025, there are reasons to be optimistic, but there also continues to be a large amount of uncertainty and with the expected headwinds, staff continues to be very conservative in our expectations and estimates for the upcoming fiscal year.

Capital Investment

A theme across much of the budget is planning for and responding to growth within the community. Just two years ago St. George was the second fastest growing city in the nation. Although the city has since lost that distinction, St. George continues to be one of the fast-growing communities in the nation. The impact of growth is significant on the city’s budget, as more people locate to this area that drives the need for new and expanded streets to keep up with traffic, additional water, sewer, and power lines to provide utility

service, new fire stations to provide adequate coverage, amongst many other infrastructure demands. Additional personnel are also required to maintain all of this new infrastructure and to provide service.

St. George has been blessed with a large geographic area which helps make growth possible and a unique landscape that includes rivers, canyons, and mesas that add so much to the areas quality of life and play a big part in why this area is so attractive to so many. Along with these blessings comes challenges, as the city provides service to an ever-growing community within an extremely large service area (78.5 square miles) while working around mesas, rivers and canyons. These factors translate into more miles of streets, more miles of utility lines, more miles of drainage infrastructure, more fire stations and the need for additional personnel and equipment to provide appropriate response times and service levels to all corners of the community. These challenges also significantly impact the city’s budget.

In addition to the challenge of responding to fast growth and maintaining such a large system, the past few year’s have been an extremely challenging environment for making the needed capital investments. Infrastructure construction has been plagued with high inflation, challenges in securing contractors and materials, and often significant increases in time to complete projects due to these factors and many more. These pressures continue to add significant cost to the city’s budget. Because of these factors there are a number of projects that are expected to be carried forward from FY 2024.

The FY 2025 City Manager Recommended Budget includes a total of \$207.2 million in capital investments (projects and equipment) across all city funds which is roughly 39% of the city’s combined budget making capital investment by far the largest single area of expense for FY 2025.

Infrastructure Investments of note include \$138 million in streets, drainage and transportation infrastructure projects including the continuation of the 1450 S Extension to Crosby Way (George Washington Blvd), east access road to Tech Ridge, continuation of the 3000 E widening project, continuation of the Graveyard Reservoir project for secondary irrigation, and beginning work on an air traffic control tower.

Major investments in equipment proposed include the purchase of (32) public safety vehicles, year 2 payment for the replacement of (1) fire apparatus and major equipment replacement including personnel protective equipment and self-contained breathing apparatus for the fire department. In core service areas several major pieces of equipment are proposed for replacement including a mechanical sweeper truck, VacCon truck, (2) sewer cleaning trucks, (1) backhoe and several work vehicles in addition to a new trackhoe.

\$13.6 million in Parks General Obligation Bond projects are proposed including: playground replacements and improvements at (7) parks, construction of the Las Colinas Park, Springs Park Phase 2, Rim Rock Trail, and Curly Hollow Phase 1. The first \$15.2 million in bonds were recently issued out of the \$29 million authorized by the voters in preparation for the first 3 years of projects. Staff are proud to report that because of the high-grade bond rating the city received of AA+ from S&P and due to the city’s timing on the market we are saving taxpayers around \$400,000 in interest expense over the life of this debt.

FY 2025 Capital Investments By Type

New Positions, Recruiting and Retaining Staff

The FY 2025 City Manager Recommended Budget includes the addition of 34 new full-time positions. The majority of this year’s requests (20) are for growth in public safety, public works, at the airport and in utility services in response to the increased service demands seen by our departments from the growing community. (1) new position is proposed in Parks & Community Services to expand programming at Thunder Junction, (11) of the new requests this year are due to the implementation of the new Zion Route and (2) positions are related to additional service along the current Suntran bus route. Below is an overall highlight of these additions:

Service Category	# of New FT Positions
Public Safety	9
Public Works	2
General Government	1
Parks & Community Services	1
Airport	1
Utilities	7
Public Transit	13
Total	34

Along with new employees to keep up with the growth in demand, the importance of being able to attract and retain qualified and skilled employees is critical for the city to provide a high quality of service to residents. Like private businesses, the city competes for talented employees to provide service to the community – from police officers, to street maintenance workers, to accountants, the city has a diverse and broad spectrum of critical positions that are needed to keep the city running. Each year the city evaluates employee compensation as compared to similar cities throughout Utah as part of a market study. Due to the tight labor market that currently exists in Utah and early survey results, it is anticipated that adjustments will be necessary to maintain a competitive position in the municipal market. The FY 2025 City Manager Recommended Budget includes funding for increases to pay and benefit contributions to keep the city in a competitive position.

How St. George Compares to Other Cities in Utah

St. George is one of the fastest growing cities in the nation, has the 5th largest population in the state and has one of the largest and more complex geographic footprints at 78.5 square miles with rivers, mesas and canyons. These factors put the city in a unique class amongst its peers by creating major infrastructure and staffing demands on the city as compared to the typical community. Additionally, with the city in the growth period of its life cycle, a large portion of the budget is focused on putting the infrastructure and services in place to serve our residents. These factors all translate into the need for more miles of roadway, more miles of drainage and utility lines, more fire stations, more parks, along with many other infrastructure demands and need for more personnel to continue to provide service within appropriate response times.

The city offers a unique mix of services typically not provided by other cities. This is due to the city serving as the regional hub for Washington County and for some services is due to the historical need for city to provide the service due to the proximity of the community from the major population centers on the Wasatch front.

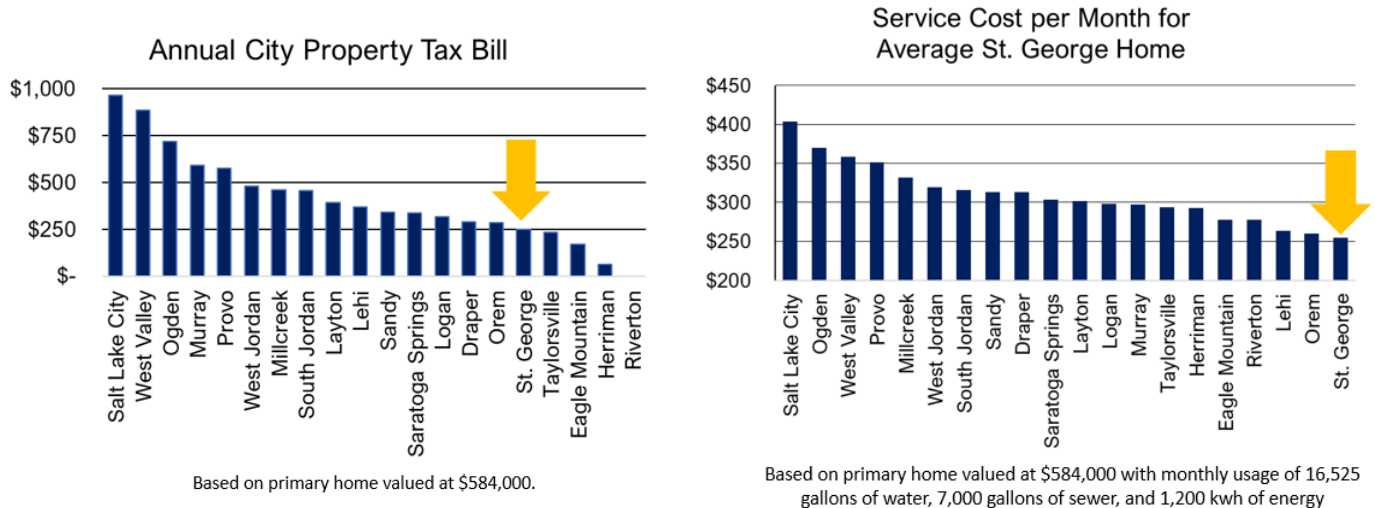

These services include:

- 9-11 dispatch
- Regional airport
- Regional wastewater treatment plant
- Suntran Bus Service
- St. George Power

While not typical to most communities, the city providing these services has been a major benefit and cost savings to not only our residents but all residents throughout Washington County. These services have a significant impact on the city’s budget and for FY 2025 these services total \$140.3 million or 26.6% of the total budget.

This year as part of the budget process staff evaluated how we are doing in terms of the cost we charge to citizens for providing service as compared to our neighbors and similarly sized cities throughout the state. Based on our evaluation, we are proud to report that we are extremely competitive in the cost we charge residents for service as shown by the below charts that compare the top 20 largest cities in the state.

On property tax we rank as the 15th lowest property tax bill as compared to the top 20 largest cities in the state and the city is also the 2nd lowest in Washington County. On monthly service charges (utilities, property tax, and drainage) the city ranked as the lowest monthly bill of the top 20 largest cities in the state and also the lowest monthly bill in Washington County.

City Council Goals & Priorities

This year’s budget process began with an in-depth discussion with the City Council to identify and affirm the vision, mission, goals, direction and priorities for our community over the coming year. This is the second year the city has held this critical retreat as the first step in the city’s budget process. This retreat and the subsequent budget retreat that follow provide critical direction to staff and sets the stage for the areas of focus in the budget and on the requests and recommendations proposed.

The following pages include the City Council’s mission, vision, goals, and budget priorities along with staff’s proposed FY 2025 budget recommendations by Council priority.

Mission: We provide services that focus on people and advance a thriving community.

Vision: We are an active community, rich in culture with a diverse and vibrant economy that supports people doing great things.

FY 2024-2025 City Council Goals

Be great at the basics:

Deliver high-quality essential services.

Deliver exceptional experiences:

Provide services and amenities that make St. George distinctive.

Support and sustain a strong economy:

Create the environment that attracts and supports a diverse economy.

Encourage community and connection:

Support opportunities for citizens to engage with the community and each other.

Maintain financial strength:

Manage and leverage St. George’s assets to ensure sustainability.

Sustain organizational excellence:

Build and sustain a team and culture that makes St. George a destination employer for people who deliver excellence.

FY 2024-2025 City Council Priorities

Preserve and Improve Public Infrastructure and Transportation. Improving Traffic Flow and Mobility.

\$65.7 million in Street and Drainage Infrastructure projects including:

- \$20 million for the continuation of the 1450 S Extension to Crosby Way (George Washington Blvd).
- \$5.7 million for the East Access Road to Tech Ridge Project.
- \$6.3 million for the continuation of the SR-7 Trail Project.
- \$5.4 million for the continuation of the 3000 E Widening Project (1580 S to Seegmiller Dr).

\$17.7 million in Airport Infrastructure projects including:

- \$15.5 million for the Air Traffic Control Tower Project.
- \$1.37 million for the Airport Runway Maintenance Fog Seal project.
- \$825 thousand for the Design of the Reconstruction of Airport Taxiway-A.

\$54.8 million in Utility Infrastructure projects including:

- \$9.0 million for the continuation of the Graveyard Reservoir Project.
- \$3.5 million for the Riverside Drive Sewer Main Replacement Project.
- \$2.6 million for the continuation of the AMI Meter Conversion Project.
- \$8.3 million for several new and replacement water tanks.
- \$2.7 million for Rehabilitation of Clarifiers at the Wastewater Treatment Plant Projects.
- \$1.2 million for the Slick Rock Substation Project.

Community Safety and Security. Continue the Public Safety Plan.

\$58.5 million in Total Funding for Public Safety including:

- \$2.1 million for (10) new full-time employees including vehicles and equipment (9 Police Officers, 1 IT Public Safety Technician).
- \$1.5 million for (22) replacement public safety vehicles.
- \$648 thousand for multiple equipment replacements including personnel protective gear and self contained breathing apparatus.
- \$435 thousand for the year-two payment on the replacement of (1) Fire Engine.
- \$6.7 million for the completion of the Fire Station Headquarters Relocation Project.
- \$1.5 million for the completion of New Fire Station #10 in Desert Canyons.
- \$400 thousand for the design on a new fire station in Tonnaquint.
- \$150 thousand for the design on the Police Headquarters Remodel Project.

FY 2024-2025 City Council Priorities

Maintain and Improve Basic Core Municipal Services (Public Safety, Infrastructure, Streets, Power, Water, and Sewer).

Public Works & Airport Operations:

- \$200 thousand for (3) new full-time positions (2 Public Works, 1 Airport).
- \$519 thousand for a vacCon vehicle replacement.
- \$418 thousand for a replacement mechanical sweeper.
- \$347 thousand for a trackhoe with a feconhead attachment.
- \$83 thousand for a replacement asphalt roller.

Utility Operations (Water, Wastewater & Energy):

- \$621 thousand for (8) work vehicle replacements.
- \$700 thousand for (2) sewer cleaning truck replacements.
- \$170 thousand for (1) backhoe replacement.
- \$125 thousand for (1) vactor trailer.

Preserve and Expand Existing Businesses and Attract New Businesses Including Updating Commercial Plans.

\$732 Thousand in Redevelopment Agency Projects & Programs:

- \$290 thousand in agreed upon economic incentives.
- \$299 thousand in infrastructure investments.

Economic Development Projects & Programs:

- \$180 thousand in economic development related projects.
- \$40 thousand for the Downtown Refresh Grant Program.

Strengthen Communication with Citizens, Businesses, and Stakeholders. Finish the Website, Share Good News, and Educate.

Communications Projects & Programs:

- \$60 thousand for survey and citizen engagement software.
- \$38 thousand for video series, communications programing and media.
- Continue proactive communication efforts and engagement through social media, local community groups and city staff.

FY 2024-2025 City Council Priorities

Financial Stability and Resiliency.

- Maintaining healthy fund balances. The General Fund is estimated to begin the year with \$30.4 million in Fund Balance which is a 27% Coverage Level. The General Capital Project fund is estimated to begin the year with \$65.2 million in Fund Balance.
- For FY 2025 fees were evaluated across City services and recommendations for fee adjustments are proposed as part of the FY 2025 budget.
- For FY 2025 up to four services will be evaluated through the city's Managed Competition Program to ensure efficient and effective delivery of services.
- No debt Issuance proposed for FY 2025. The city will continue to strategically use debt only when needed and continue to maintain a lower debt profile.

Maintain a highly qualified workforce.

- Compensation adjustments for employees are included in the FY 2025 budget to continue to attract and retain a highly qualified workforce by staying competitive in the municipal market.
- Funding for benefit cost increases and the expanded employee wellness program.

Maintain the integrity of existing neighborhoods including completing the General Plan updates.

- Updates to the General Plan are underway and are anticipated to be completed in the coming months.

Develop and improve the city's recreational trails and recreational opportunities.

\$13.6 million in 2023 General Obligation Bond Projects Including:

- \$3.5 million in playground replacements and improvements for (7) Parks.
- \$2.5 million for the Las Colinas Park Project.
- \$1.8 million for Springs Park Phase 2 Project.
- \$1.2 million for the Rim Rock Trail Project.
- \$1.0 million for Curly Hollow Park Phase 1 Project.

Parks & Community Services Operations:

- \$197 thousand for Thunder Junction programming expansion. (Includes 1 new full-time position).
- \$270 thousand for City Pool Deck Concrete and Drains Replacement Project.
- \$160 thousand for (1) backhoe replacement.
- \$112 thousand for replacement of (5) work trucks.

During FY 2024 the City Council and City Staff have worked hard to accomplish many great things for the community that have continued to add to the quality of life for residents. The below list is just a few of the many accomplishments from this past year.

FY 2023-2024 Accomplishments

Year 2 funding for Safe St. George which included 26 new full-time public safety positions, 2 new fire apparatus, funding for 1 new fire station in Desert Canyons and the relocation of Fire Headquarters to the downtown area, 33 new police vehicles, armored SWAT vehicle, increased compensation and significant equipment replacement including new duty pistols, radio replacements, and personnel protective gear.

Voters overwhelmingly passed the 25 year, \$29 million Trails, Parks and Recreation General Obligation Bond that the City Council put on the November 2023 ballot. The G.O. Bond will help fund a wide variety of trail additions and improvements, facility upgrades such as the expansion of the Dixie Sunbowl and much-needed replacement of playground equipment at our City Parks. The city completed the first issuance of debt associated with these projects and design is underway for several projects.

The City Council approved an amendment to the Tech Ridge CDA Plan and Budget, paving the way for the development of Tech Ridge at the site of the old airport. This development will bring thousands of new high paying jobs to the community, diversify the local economy through growth of the tech sector, and provide for a significant positive economic impact for the community far into the future.

The city broke ground on major new city facilities including the relocation of Fire Stations #1, new Fire Station #10, and construction of the new city hall and parking garage. These public buildings are the result of years of saving in the General Fund to help pay for these projects that will serve a growing community far into the future.

The city is opening the new Fossil Falls Park that is an exciting new addition to the community with a mixture of unique features including the largest concrete slide in the western United States, a large interactive playground, volleyball courts and large gazebo.

Key leadership positions were filled including the City Attorney, Development Services Director, Energy Director, Human Resources Director, and Economic Development Director.

The City received a AA+ bond rating on the first issuance of debt for the parks G.O. bond and a AAA bond rating upgrade on the sales tax bond for City Hall from S&P. These are the two highest bond ratings an entity can receive and are the highest ratings received in the city's history. Because of these bond ratings tax payers have saved roughly \$400,000 in interest expense on the first bond issuance for the parks G.O. bond.

Budget Overview

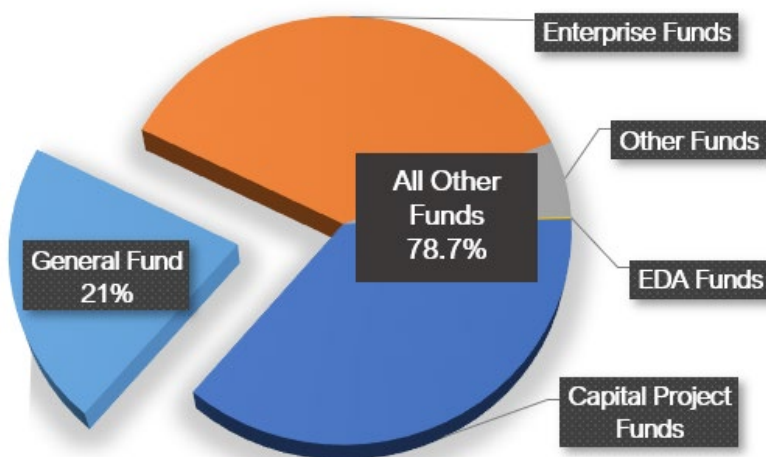

The City’s budget includes funding levels across more than 40 different funds, which account for the myriad of services provided to our community. These services include more community-based services such as police and fire response, street and traffic signal maintenance, utility services, and the maintenance of the parks and trail system enjoyed by our residents, and many more. The budget also accounts for a number of more regional-based services provided by the city to residents throughout Washington County including 911 Dispatch, the St. George Airport, Regional Wastewater Treatment Plant, and Suntran Bus Service .

Each fund in the budget is a separate business that has been established to achieve a specific purpose and has its own dedicated revenue source and expenses necessary to achieve that purpose. Generally, revenue earned in one fund cannot be shared with another fund, which is why each business is financially tracked separately using funds.

The city’s funds can be thought of in two major groupings the “General Fund” and “All Other Funds”. The General Fund is the city’s primary business, this is where the majority of property taxes and sales taxes citizens pay to the city go to provide service. This fund pays for majority of city services including police and fire service, 911 dispatch, parks and trails maintenance, parks programming and events, street and traffic signal maintenance, transportation planning, the St. George Airport, golf, and administration and support. All Other Funds include the city’s enterprise operations such as electric, water and sewer service, major infrastructure projects including new roads, utility lines, parks and city facilities, economic development activities and other miscellaneous services such as the Suntran Bus Service. These services are primarily paid for through fees charged to customers, grants, impact fees and other restricted revenues.

For FY 2025 the total combined City Manager Recommended Budget is \$527,400,808, which is an increase of \$6.7 million or 1.8% from the FY 2024 Budget. The below charts show the overall budget and areas of increase. The major changes in the budget are addressed throughout this section.

FY 2025 Total Consolidated Budget
\$527,400,808

FY 2025
\$ Change by Fund Group

General Fund

The General Fund is the primary business for the City and is used to account for the majority of services provided to our residents including police, fire, 911 dispatch, street and traffic signal maintenance, transportation planning, parks and trails maintenance, parks programming and events, development services, the St. George Airport, golf, administration and support, and city leadership. The General Fund is funded through a mixture of sources including the city's portion of the sales tax, the city's portion of the property tax, franchise tax, overhead reimbursements from other funds, service charges, licenses & fees, and other revenues.

The FY 2025 City Manager Recommended Budget for the General Fund is \$112,144,994 and is balanced. The FY 2025 budget is \$4.2 million or 3.9% higher than the FY 2024 Budget. The below charts show an overview of the FY 2025 General Fund Budget and Funding Sources:

General Fund Revenues

General Fund Revenues for FY 2025 total \$112,144,994, which represents an increase of \$4.2 million or 3.9% from the FY 2024 Adopted Budget, The below chart provides an overview of estimated revenues for the General Fund by major category and the areas of change from the FY 2024 Adopted Budget.

Revenue Category	FY 2023 Actuals	FY 2024 Adopted Budget	FY 2024 Year-End Estimate	FY 2025 Budget	\$ Diff to FY 2024 Budget	% Diff to FY 2024 Budget
Taxes	59,719,102	61,451,000	61,428,000	62,086,000	635,000	1.0%
Charges For Services	\$18,953,183	19,383,586	20,160,128	21,156,064	1,772,478	9.1%
Contributions & Transfers	\$15,386,194	13,481,393	18,608,226	14,598,676	1,117,283	8.3%
Intergovernmental	\$8,166,292	7,293,722	6,468,260	7,131,191	-162,531	-2.2%
Miscellaneous Revenue	\$4,764,326	2,308,000	7,755,213	3,162,563	854,563	37.0%
Licenses & Permits	\$2,670,047	2,890,000	3,263,000	2,775,000	-115,000	-4.0%
Fines & Forfeitures	\$1,245,105	1,120,000	1,228,241	1,235,500	115,500	10.3%
Grand Total	\$110,904,248	107,927,701	118,911,068	112,144,994	4,217,293	3.9%

Revenues for the General Fund can be broken into several categories including: Taxes, Licenses and Permits, Intergovernmental, Charges for Services, Fines and Forfeitures, and Other Revenues. The below chart shows the mix of revenue used to support all of the services provided in the city’s General Fund for FY 2025.

FY 2025 General Fund Revenues
\$112,144,994

The Taxes category is the largest source of revenue in the General Fund. Revenue from this category is estimated at \$62.08 million for FY 2025. This category represents 55.4% of the total General Fund revenue. The Tax category is further broken up amongst major taxes as shown below:

Sales tax is by far the largest source of revenues in the General Fund and comprises 60.2% of tax the category which equates to 33% of the overall revenue for the General Fund. The sales tax rate for St. George is 6.75%, of which, the City receives a 1% local option tax for its General Fund.

During FY 2024, sales tax has ranged from negative to low growth. As of the February sales tax distribution report, collections reflected up year-to-date only 1.04% from the prior year which falls well short of original estimate of 4.4% for FY 2024. While collections have been much stronger the last two months (March and April distributions were

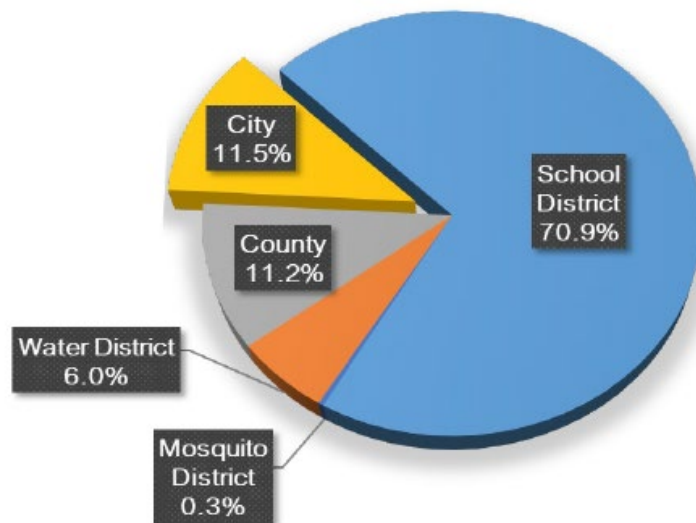

up 10.7% and 12.4% respectively), additional months of distribution are needed to make a compelling case that the trend has changed.

Economic activity nationally has been resilient in the face of the higher interest rate environment, but locally we have not seen this translate into strong sales tax collections this fiscal year with the exception of the last two months. Looking forward to FY 2025 there are also a number of headwinds that urge caution, including potentially sticky inflation, the possibility of interest rates holding at elevated levels for longer than hoped further impacting sectors of the economy highly effected by interest rates such as the real estate market and auto sales, growing credit card debt and delinquency rates, and the potential for a recession based on the historical tell-tale sign of the inverted-yield curve.

Based on the current collection trend and economic indicators, staff forecasts collections for FY 2024 to reach \$37.0 million by year-end which is down -\$1.0 million or -2.6% from the Adopted Budget but up \$700 thousand or 1.9% from the prior year actual collections. For FY 2025 collections are estimated at \$37.3 million, which is up \$370 thousand or 1.0% from the current year-end estimate.

Property tax is the second largest source in the taxes category. Based on the FY 2024 Tax Rate, the City receives only 11.5% of the property taxes paid by our residents. The majority of property taxes paid by residents (88.5%) goes to the other taxing entities including Washington County School District, Washington County, the Washington County Water Conservancy District and Mosquito District. Property taxes are based on the taxable value of a citizen’s home or business as determined by the Washington County Assessor multiplied by the applicable adopted entity tax rate.

The FY 2025 Budget does not include a tax increase for FY 2025. The city plans to adopt the Certified Tax Rate, which is the tax rate that will raise the same amount of property tax revenue as was budgeted for the city in the prior fiscal year from existing residents. The Certified Tax Rate will be calculated by the State Property Tax Commission and Washington County Clerk Auditor and provided to the city in early June. The only growth anticipated in the FY 2025 Budget in property tax revenue is from new construction that occurred during the preceding calendar year and was assigned a value by the County Tax Assessor.

For FY 2024 year-end collections are estimated at \$11.8 million which is up \$249,000 or 2.0% from the Adopted Budget. Based on anticipated growth from new construction, staff forecasts total collections for FY 2025 at \$12.8 million which is an increase of \$499,000 or 4.0% from the FY 2024 Adopted Budget and \$250,000 or 2.0% from the year-end estimate.

Franchise taxes are generated from a 6% charge on gross receipts for all utilities, including natural gas, cable services, and electricity. A 4% fee is also charged on gross receipts from telecommunication services provided in the City. Based on growing demand for these services and rate increases adopted for some of these utilities in FY 2024, we are estimating FY 2024 year-end collections to total \$9.3 million which is an increase of \$620,000 or 7.1% from the Adopted Budget. For FY 2025 collections, staff is currently conservatively estimating these as flat at \$9.3 million as utility rate increases for FY 2025 are currently uncertain.

Innkeeper Tax in December 1994, the City enacted the Innkeeper Tax (also known as Municipal Transient Room Tax or MTRT) which is a 1% fee assessed on the gross revenue derived from hotels, motels, and other accommodation services that are rented for less than 30 consecutive days. This revenue source up until FY 2023 was recorded in the city's Dixie Center fund and mostly dedicated towards funding city's share of cost for operating that facility, with the retirement of the debt and Washington County now solely operating the Dixie Center, this revenue source is now solely dedicated to the General Fund. Based on current economic trends we are estimating FY 2024 collections to reach \$1.23 million by year-end, which is up \$55,000 or 4.8% from the Adopted Budget. For FY 2025 total collections are conservatively estimated at \$1.24 million, which is up 1.0% from the year-end estimate and up 7.0% from the original FY 2024 budget.

Licenses and Permits are comprised of business licenses, building permits, and dog licenses and make up 2.5% of all revenue within the General Fund. For FY 2024 year-end collections are currently estimated at \$3.2 million which is an increase of \$373,000 or 12.9% from the Adopted Budget. Looking forward to FY 2025 total collections are estimated at \$2.7 million which is down \$115,000 or -4.0% from the FY 2024 Adopted Budget. Below are the major highlights in this category:

Building Permits account for the majority of revenue in this category. This past year we have seen a number of large apartment/multi-family projects in building permits while single family activity remains active but well below 2021 and 2022 levels due to much higher mortgage rates caused by the significant increase in the Fed Rate during late 2022 through mid-2023. Based on year-to-date collections and the expected collection trend FY 2024 year-end collections are estimated at \$2.5 million which is an increase of \$500,000 or 25% from the Adopted Budget. For FY 2025 collections are estimated at \$2 million which is flat with the FY 2024 Adopted Budget due to the continued uncertainty in the housing market caused by higher interest rates.

Business Licenses are the second major source of revenue in this category. In FY 2023 the business license renewal process was changed, with renewals shifting from a set time each year for all businesses to the anniversary date of each business. FY 2024 is the first year this change has been fully in effect. Based on collection trend we estimate collections to come in \$40,000 or 5.7% from the current year. FY 2025 collections are estimated at \$750,000 which is an increase of \$10,000 or 1.4% from the year-end estimate and up \$50,000 or 7.1% from the FY 2024 Adopted Budget. The increase in FY 2024 is primarily due to rental ordinance fees being consolidated into this account, which were overestimated in the FY 2024 budget in a separate account driving the overall decrease in the license and permit category.

Intergovernmental consists of federal grants, state grants, Class C road funds, and liquor funds. This category accounts for 6.4% of all revenue in the General Fund. For FY 2024 total revenue in this category is estimated at \$7.1 million which is down -\$825 thousand or -11.3% from the Adopted Budget. For FY 2025 total collections are estimated at \$7.1 million which is up \$662 thousand from the FY 2024 year-end estimate but down -\$162 thousand or -2.2% from the FY 2024 Budget. Below are some of the major highlights from this category:

Class C road funds are generated based upon fuel consumption and distributed to counties, cities, and towns based upon a formula using local road lane miles and population formulas. Based on the current collection trend FY 2024 revenues are estimated at \$5.0 million which is an increase of \$150,000 or 3.1% from the Adopted Budget. FY 2025 is estimated at \$5.1 million which is an increase of \$100,000 or 2.0% from the FY 2024 year-end estimate and \$250,000 or 5.2% up from the FY 2024 budget based upon anticipated growth in state collections and the city's formula due to increases in population and road lane miles.

State & Federal grants are anticipated in FY 2024 and FY 2025. These grants include regular annual allotment programs, such as the Justice Assistance and one-time project grants such as the COPs grant for hiring new police officers. For FY 2024 total grant receipts in the General Fund are anticipated to total \$1.2 million which is down -\$963 thousand from the FY 2024 Adopted Budget primarily due to the city not receiving a FEMA assistant grant that staff applied for to help fund radio replacements for the Fire Department and not using grant funding allocated towards an additional Los Angeles flight that did not come online during the fiscal year. For FY 2025 total grant receipts in the General fund are anticipated to total \$1.8 million. For FY 2025 the typical recurring grants are anticipated with the only change of significant note is the anticipated receipt of the COPS grant that will be used to help fund a portion of the cost for two police officer positions requested in the FY 2025 budget.

Charges for Services are fees assessed to our customers to help pay for the cost of providing services. This includes golf fees, recreation fees, E-911 phone charges, Dispatch Fees (charged to other agencies within Washington County), airport fees, and school resource officer fees. This category accounts for 18.9% of all revenue in the General Fund and is estimated at \$20.1 million for FY 2024 which is up \$776 thousand or 4.0% from the Adopted Budget. For FY 2025 total collections are estimated at \$21.1 million which is up \$995 thousand or 4.9% from the FY 2024 year-end estimate and \$1.7 million or 9.1% from the FY 2024 Adopted Budget. Below are some of the major highlights from this category:

The City's golf courses have continued to experience heavy activity during the current fiscal year due to fantastic weather, exceptional playing conditions and the policy changes implemented this year with the addition of prepaid booking and charging for no-shows. For FY 2024 staff anticipate collections to total \$7.1 million which is up \$439 thousand or 6.5% from budget. For FY 2025 staff is not proposing any significant rate changes and therefore estimates revenues to hold firm at \$7.1 million.

Parks & Community Service programs, facilities and events have seen significant activity during the current fiscal year and coupled with the rate increases adopted in June of 2023, total revenues are estimated to total \$4.9 for FY 2024 which is up \$353 thousand or 7.7% from the FY 2024 Adopted Budget. For FY 2025, due to the growing cost of providing service, staff evaluated fees closely across all programs, facilities and events and will be proposing a number of fee increases. Based on the proposed fee increases and anticipated growth in participation, the FY 2025 Budget estimates total collections of \$5.5 million which is \$589 thousand or 11.9% more than the year-end estimate and up \$942 thousand or 20.6% from the FY 2024 Adopted Budget.

The St. George Airport continues to be busy this fiscal year, with revenues forecasted to come in at \$2.9 million which is \$100 thousand or 3.6% more than budget. For FY 2025 staff anticipates to continue to see growth in enplanements in addition to a few fee increases taking total revenue to \$3.0 million or \$135 thousand more than the year-end estimate and \$235 thousand or 8.4% more than the FY 2024 Adopted Budget.

Public safety has cost sharing agreements for the Dispatch Center and School Resource Officers in addition to a dedicated revenue source for Dispatch Services through the E-911 Telecomm fee. For FY 2024 total revenues across public safety fees are estimated at \$4.3 million which is down -\$210 thousand or -4.6% from budget in part due to some adjustments in billing this year for the SRO program and a lower collection trend in E-911 telecom fees. For FY 2025 total revenues are estimated at \$4.5 million to help cover the growing cost of providing services.

Fines & Forfeitures consists mostly of court fines and traffic school fees. This category accounts for 1.1% of all revenue in the General Fund. As the court systems have continued to return to pre-covid levels we have seen an uptick in this category back to historical levels. For FY 2024 we are estimating collections to come in at \$1.2 million which is an increase of \$108 thousand or 9.7% from the FY 2024 Adopted Budget. For FY 2025 collections are estimated flat with the FY 2024 year-end estimate.

Contributions & Transfers accounts for the transfers from other funds for reimbursements to the General Fund for providing administrative and overhead support, direct operational transfers which are primarily for drainage system maintenance, transfers for one-time projects and a book entry that has an offsetting revenue for unbilled utilities provided to the General Fund by the city’s utilities. This category accounts for 13.0% of all revenue in the General Fund. Below is an overview of this year’s planned transfers.

	FY 2024 Adopted Budget	FY 2024 Year- End Estimate	\$ Diff from Adopted	FY 2025 Budget	\$ Diff from Adopted
Admin. & Overhead Support	6,330,000	6,330,000	-	6,637,000	307,000
Operational Reimbursements	2,032,782	2,106,522	73,740	2,668,204	635,422
One-time Equipment & Project	3,793,911	9,011,417	5,217,506	3,949,572	155,661
Unbilled Utilities	1,324,700	1,160,287	(164,413)	1,343,900	19,200
Total Transfers	13,481,393	18,608,226	5,126,833	14,598,676	1,117,283

For FY 2024, total transfers are estimated at \$18.6 million which is an increase of \$5.1 million from the Adopted Budget. The majority of the increase was due to the following transfer changes:

- \$1.26 million from the ARPA grant proceeds for the purchase of public safety radios for both police and fire as approved at the February 2024 budget amendment.
- \$2.3 million from the ARPA grant to fully exhaust the remaining ARPA grant funding to reimburse for public safety wages which will free up other revenues in the General Fund that can be transferred into the General Capital Project Fund for future projects.
- \$677 thousand in roll-over CDBG funding for the Desert Vista Park and Sandtown Park Restroom projects as approved in the October budget amendment.
- \$595 thousand in RAP Tax and General Capital Project funds for the completion of the Little Valley Artificial Turf project as approved at the October 2023 and February 2024 budget amendments.
- \$462 thousand in Drainage Funds for the roll-over purchase of a Streets Vaccon vehicle Replacement not received during FY 2023 as approved in the October 2023 budget amendment.

For FY 2025, total transfers are estimated at \$14.5 million which is an increase of 1.1 million or 8.3% from the FY 2024 Adopted Budget. The majority of the increase in FY 2025 is due to a drawdown of \$800,000 from the Dispatch Restricted funds as a plan to reduce the overall balance in these funds to a more appropriate level. This drawdown will be used to offset the bills for all participating municipal entities for 911 dispatch services for FY 2025. The balance of increase is for equipment replacements for the maintenance

of the drainage system that will be reimbursed by the Drainage Utility Fund, \$149,786 for (2) new Public Works positions that will be reimbursed from the Drainage Utility Fund and Transit Fund and reimbursement from the Enterprise funds for their fair share of cost increases in administrative and overhead support.

Miscellaneous Revenue includes several miscellaneous revenues that do not fit into any of the other revenue categories. This category accounts for 2.8% of all revenue in the General Fund and is estimated at \$7.7 million for FY 2024 which is up \$5.4 from the Adopted Budget. For FY 2025 total collections are estimated at \$3.1 million which is up \$856 thousand from the FY 2024 Adopted Budget.

For both fiscal year 2024 and 2025 the primary growth in this revenue category has been in interest income which is driven entirely by the performance of the city's investments held in the Utah Public Treasurer Investment Fund. Beginning in 2022 and running through mid-2023 the Federal Reserve raised the Fed Rate from nearly 0% to 5.5%. This change had a dramatic impact on the amount of interest being earned on the city's investments. For FY 2024 staff estimate total interest income to total \$5.0 million which is up \$3.5 million from the adopted budget. Due to the amount of uncertainty on the Federal Reserve's plans for interest rates during the next fiscal year coupled with the projection that cash balances in the General Capital Project Fund will likely be pulled down some due to a number of significant project expenditures next year, staff for FY 2025 is conservatively estimating interest income to total \$2.1 million which is up \$620 thousand from the FY 2024 Adopted Budget.

General Fund Expenditures

The General Fund is the primary business for the City and is used to account for the majority of services provided to our residents including police, fire, 911 dispatch, street and traffic signal maintenance, transportation planning, parks and trails maintenance, parks programming and events, development services, the St. George Airport, golf, administration and support, and city leadership.

General Fund Expenses for FY 2025 total \$112,144,994, which represents an increase of \$4.2 million or 3.9% from the FY 2024 Adopted Expense Budget. The below charts and tables show an overview of the General Fund by Expense Category and by Service Category

Category	FY 2023 Actuals	FY 2024 Adopted	FY 2024 Year-End Estimate	FY 2025 Budget	\$ Diff to Adopted	% Diff to Adopted
Public Safety	36,360,457	47,660,598	46,587,333	49,479,469	1,818,871	3.8%
Parks and Community Services	15,664,985	17,480,168	21,493,921	18,478,561	998,393	5.7%
General Government	14,161,652	16,286,321	15,704,451	16,548,425	262,104	1.6%
Public Works	10,457,358	10,895,859	11,055,029	11,406,159	510,300	4.7%
Golf	7,605,828	6,656,003	6,708,332	6,695,677	39,674	0.6%
Debt Service and Transfers	11,621,937	3,736,788	12,495,389	4,180,973	444,185	11.9%
Community Development	2,232,516	2,631,289	2,444,537	2,759,471	128,182	4.9%
Airport	2,295,029	2,580,675	2,422,076	2,596,259	15,584	0.6%
Grand Total	100,399,761	107,927,701	118,911,068	112,144,994	4,217,293	3.9%
Salaries & Benefits	61,774,507	75,284,451	71,598,978	81,955,272	6,670,821	8.9%
Materials & Supplies	15,137,767	17,681,157	17,650,919	18,402,116	720,959	4.1%
Capital Outlays	10,504,949	9,988,843	15,929,320	6,723,436	(3,265,407)	-32.7%
Transfers	12,221,937	4,211,150	12,969,751	4,302,070	90,920	2.2%
Debt Service	760,600	762,100	762,100	762,100	-	0.0%
Grand Total	100,399,761	107,927,701	118,911,068	112,144,994	4,217,293	3.9%

Salaries & Benefits accounts for 73.1% of the FY 2025 General Fund Budget and includes the salary and benefit cost for 633.5 full-time employees (73% of the total city workforce – there are 867 total full-time employees across all funds) and 450 Part-time and Seasonal employees. The FY 2025 Budget for this category totals \$81.9 million and is an increase of \$6.6 million or 8.9% from the FY 2024 Adopted Budget. Below is a highlight of the major increases for the FY 2025 budget:

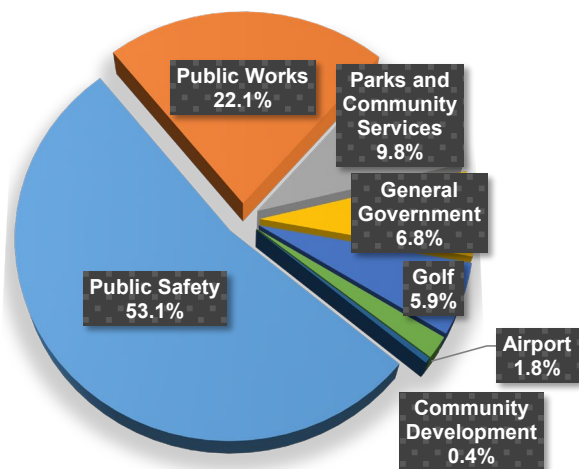

- (14) New Positions totaling \$1.68 Million
 - (7) Police Officers
 - (2) Police Sergeants
 - (2) Public Works Equipment Operators
 - (1) IT Public Safety Technician
 - (1) Recreation Coordinator (Thunder Junction Programming)
 - (1) Airport Operations Specialist

- Compensation adjustments for competitive pay and merit for employees totaling \$4.86 Million

Materials & Supplies accounts for 16.4% of the FY 2025 General Fund Budget and includes all operational costs needed to provide services to the community including specialized equipment such as tasers and radios for new officers, supplies for evidence collection, replacement uniforms for police and fire, vehicle fuel, fleet maintenance, landscape materials and chemicals, software subscriptions, contract labor, and property and liability insurance just to name a few. The FY 2025 Budget for this category totals \$18.4 million and is an increase of \$720 thousand or 4.1% from the Adopted Budget. The majority of the increase is due to inflation as well as new purchases planned in support of the new positions proposed in FY 2025 budget.

Capital Outlays accounts for 6.0% of the General Fund’s expenditure budget and includes the cost to purchase new and replacement vehicles, heavy equipment and fire apparatus, in addition to more expensive equipment replacements such as personnel protective gear for public safety, facility projects, and significant hardware and software purchases. The FY 2025 Budget for capital outlay totals \$6.7 million, which is a decrease of -\$3.2 million or -32.7% from the Adopted Budget. The below charts show a break-out of General Fund Capital Outlay in the FY 2025 Budget by service category and funding source.

FY 2025 Capital Outlay By Service Category

FY 2025 Capital Outlay Funding sources

Major Capital Outlay expenses included in the General Fund for FY 2025 are shown below. A sizeable portion of this year's capital outlay requests are funded from transfers from other funds or grants as the FY 2025 General Fund revenues alone could not support all of these expenditures:

- \$1,514,000 for the replacement of 22 vehicles for Police
- \$698,400 for 9 new public safety vehicles for Police
- \$519,000 for replacement VacCon truck for Public Works
- \$435,512 for a replacement Fire Engine (year 2 of 3 annual payments)
- \$418,900 for replacement Sweeper Truck for Public Works
- \$347,760 for replacement Backhoe with Fecon Head for Public Works
- \$270,000 for repairs to the city pool and slide
- \$234,844 for Self-Contained Breathing Apparatus replacements for Fire
- \$183,146 for Personnel Protective Equipment replacement for Fire
- \$160,000 for Backhoe replacement for Parks & Community Services
- \$140,000 for replacement of (5) Parks work trucks

Total FY 2025 Capital Outlay requests from the Departments originally totaled \$9.9 million or closer to 10% of the overall budget which is in line with the historical funding level. Out of all of the capital requests made by city departments, \$3.2 million had to be cut from the FY 2025 General Fund to balance the budget.

Transfers & Debt Service accounts for 4.5% of the FY 2025 General Fund Budget and reflects an overall increase of \$90 thousand or 2.2% from the FY 2024 Adopted budget. The FY 2025 budget includes the annual debt payment for the 2014 Mall Drive Bridge project (\$762,100) which will have annual debt payments through 2029, the annual transfer to the Public Works Capital Project Fund for the Pavement Management Program (\$600,000), \$2,000,000 for the annual transfer to the General Capital Project Fund to help pay for future major capital projects, \$358,170 transfer to the General Capital Project Fund for the first year of debt service payments on the \$10 million sales tax revenue bond issued for the City Hall project and \$1,343,900 for a book entry that reflects the value of unbilled utilities provided to the General Fund which has an offsetting revenue that nets to zero.

All Other Funds

All Other Funds includes over 40 separate funds (business units) that are used to pay for the city’s enterprise operations such as electric, water and sewer service, major infrastructure projects including new roads, utility lines, parks and city facilities, economic development activities and other miscellaneous services such as the Suntran Bus Service. These services are primarily paid for through fees charged to customers, grants, impact fees and other restricted revenues. These funds can be broken down into 4 major categories: Enterprise Funds, Capital Project Funds, Other Funds and EDA Funds.

All Other Fund Expenses for FY 2025 total \$415,255,814, which represents an increase of \$2.5 million or 0.6% from the FY 2024 Adopted Budget. The below charts show an overview of All Other Funds by funding sources and expenses by fund category.

FY 2025 All Other Funds - Funding Sources
\$415,255,814

FY 2025 All Other Funds - Expenses
\$415,255,814

Enterprise Funds

Enterprise Funds are used to account for activities that operate similar to a private business (business-type activities) and charge a fee to the users that pay for the service provided. The services accounted for in these funds include St. George Power, water services, wastewater collection and treatment, refuse collection, and the storm water drainage system. The Enterprise Funds combined in the FY 2025 budget total \$191,407,773 which is down slightly by -\$33,500 from the FY 2024 Adopted Budget.

The below section provides a highlight of each fund included within this category.

FY 2025 Enterprise Funds
\$191,407,773

Water Services – Fund 51

The purpose of the Water Department is to assure an adequate supply of potable water for the citizens of St. George and is responsible for the maintenance of culinary water distribution lines, storage tanks, and secondary water (irrigation) systems.

A rate adjustment is proposed for FY 2025 for a passthrough of a wholesale water rate increase of 13 cents per thousand gallons (\$0.13/1,000 gallons) from the Washington County Water Conservancy District. The proposed FY2025 budget for the Water Dept. is \$57,188,770.

The following significant projects are included in the proposed FY 2025 Budget:

- \$9,000,000 for a new reservoir in the Graveyard Wash for the secondary irrigation system;
- \$8,352,000 for several new and replacement water storage tanks including the Country Club storage tank, Divario storage tank, and old industrial area water tank;

Wastewater Collection (WWC) – Fund 52

The Wastewater Collection fund is responsible for collecting sewage from homes and businesses in the community and transporting it to the Regional Wastewater Treatment Plant. Customers pay one sewer rate to the City which includes both a local and a regional component. The current residential sewer rate is \$21.65 per month which is comprised of \$7.50 for the local rate; and \$14.15 for the regional rate. Commercial customers pay a commensurate rate calculated based upon their water usage. The total FY 2025 budget for WWC is \$5,486,781.

Major projects for FY 2025 include:

- \$500,000 for upsizing main lines;
- \$450,000 to relocate the sewer mains to the public streets, connecting lateral lines from the homes to the new main lines;
- \$350,000 Sewer combination cleaner truck replacement;
- \$300,000 for main line rehabilitation.

Energy Services – Fund 53

The Energy Services fund is the largest Enterprise Fund in the City. This fund is responsible for providing electric services to City residents and businesses located north of the Virgin River. Residents who live south of the river are served by Dixie Power. In FY 2025 there are proposed increases for the energy consumption charge across many consumption tiers. The FY 2025 budget is \$80,574,008 and the largest item in this budget is \$41,702,959 to purchase wholesale power and gas.

Major projects for FY 2025 will provide redundancy and system reliability, and are necessary to support increased demand due to growth:

- \$1,200,000 for the Slick rock Substation

Solid Waste – Fund 57

Solid waste collection and curbside recycling for residential customers in the City is handled by the Washington County Solid Waste District. The City bills and collects the monthly charge and remits funds to the Solid Waste District. The City bills approximately 38,885 residential customers for solid waste, of which approximately 26,451 also participate in the BluCan curbside recycling program. The total budget for FY 2025 is \$9,037,500 which includes a transfer to the General Fund of \$450,000 to offset the costs of collection and billing.

Drainage Utility – Fund 59

The purpose of this fund and fees is to account for maintenance and improvements related to the City's storm drain system. The residential rate is \$7; and commercial customer rates are based on the amount of impervious surface area. The Drainage Utility fee is used for planning, designing, constructing and maintaining the city's storm water system. This fund's expenses are primarily in the form of transfers to other city funds to help pay for stormwater infrastructure repair and maintenance projects and to provide funding for equipment and operations to comply with the federal Clean Water Act and our National Pollutant Discharge Elimination System (NPDES) program for stormwater control. The total FY 2025 budget of this fund is \$7,715,935.

Wastewater Treatment Plant (WWTP) – Fund 62

The WWTP is a regional facility owned by the City and responsible for treating wastewater from our city as well as from Ivins, Santa Clara, and Washington City. The WWTP treats approximately 12 million gallons of wastewater per day (MGD). The regional portion of the residential sewer rate is \$14.15 in the FY 2025 budget. The total FY 2025 budget for the WWTP is \$23,849,779.

Major projects in the FY 2025 budget include:

- \$3,500,000 to upsize the Riverside Dr. line from 18-inch to 36-inch;
- \$2,772,000 for rehabilitation of clarifiers at the Wastewater Treatment Plant
- \$2,100,000 to replace the Ft. Pierce Sewer Line
- \$1,684,200 to upsize from the area of 1132 S 2580 E (Seegmiller March) from 21/24-inch to 42-inch.

Municipal Building Authority Fund – Fund 43

The St. George Municipal Building Authority (MBA) was created in 1993 and is an enterprise fund used to account for lease purchase bonds issued for construction of various projects throughout the City, that will be owned by this fund and leased back to other funds. The other funds make lease payments equal to the debt service on the related bonds.

The FY 2025 Budget includes \$7,555,000 for the completion of the City Hall parking structure.

Capital Project Funds

Capital Projects Funds (CPF) are used to account for the resources used to acquire, construct, and improve major capital facilities, other than those financed by Enterprise Funds. The projects in these funds typically are multi-year projects which carryover from year-to-year until the individual project is completed. The principal source of funding is impact fees paid by developers to construct infrastructure related to growth, grants, and bond proceeds. The Capital Projects Funds combined for the FY2025 budget total \$192,521,250 which is up \$16 million from the FY 2024 Adopted Budget.

The increase in the FY 2025 budget is primarily due to the year 1 addition of Parks General Obligation funded projects totaling \$13.6 million and an increase of \$19.1 million in street and drainage projects. These increases are partially offset by a drop of -\$14.4 million in the General Capital Project fund and -\$3.6 million in the Fire Impact Fee fund as both the City Hall project, Fire Station #10, Fire Station HQ projects were all well underway in FY 2024 and FY 2025 reflects the remaining balance in expected cost for these projects.

The below section provides highlights from the more significant funds within this category.

Transportation Improvement – Fund 27

This fund was created when voters authorized a 0.25% local highway option sales tax for transportation purposes in 1998. In 2007, the State increased the rate to 0.30% but removed non-prepared food from the base of products on which the tax is collected; however, the tax continues to be referenced as the “quarter-cent road tax”. This fund also accounts for 0.10% of the 1/4¢ transportation and transit tax invoked in FY 2020. Expenses are primarily in the form of transfers to the Public Works Capital Projects fund to pay for transportation improvement projects. FY 2025’s expense budget totals \$42,280,000.

General Capital Projects – Fund 40

This fund is used to account for major multi-year citywide General Fund capital projects. At the end of each fiscal year, surplus funds in the General Fund, if available, are transferred to this account to be used for future one-time capital projects.

FY2025 expenditures total is \$35,487,104 and includes funding to continue projects begun in FY 2024 including the new City Hall project, the relocation of the fire station headquarters, and the Tonaquint cemetery expansion project.

Major projects and/or transfers included from this fund for FY 2025 are:

- \$21,704,653 for construction of City Hall (FY 2025 portion).
- \$6,714,824 (FY 2025 portion)
- \$2,870,000 (FY 2025 portion)

- \$2,228,400 in transfers to the General Fund to pay for 30 of the 32 requested public safety vehicle purchases.

Park Impact Capital Projects – Fund 44

This fund is responsible for new park and trail projects associated with demands created by new growth in the city. Impact fees are charged on new residential building permits and projects on the capital project list are funded as resources become available. The budget is \$6,401,031 for FY 2025. Major projects include:

- \$1,087,869 for the Virgin River South Trail – Springs Parks to Mall Drive
- \$250,000 for the Virgin River South Trail – Bloomington to I-15

Street Impact Capital Projects – Fund 45

The Street Impact Fund is for accounting for street impact fees paid to pay for the cost of new roadway projects caused by new development within the community. The impact fee is assessed on commercial and residential developments and collected at the time a building permit is issued. For FY 2025 the total budget is proposed at \$7,960,000. The majority of expenses planned in this budget are to support street projects related to new development paid for in the Public Works Capital Fund (87).

Recreation Bond Project Fund – Fund 85

In November 2023 voters approved the Trails, Parks and Recreation General Obligation bond in the amount of \$29 million to fund 33 different trail, park and recreation facility improvement projects. This fund was established to track the expenditure of these proceeds towards these projects. For FY 2025 the total budget is proposed at \$13,658,162 and includes the below major projects:

- \$2,500,000 for the Las Colinas Park project
- \$1,800,000 for Springs Park Phase 2
- Playground replacements and improvements at seven different parks including Redwood Tree Park, Sandtown Park, and Sycamore Park.

Public Works Capital Project – Fund 87

Money is transferred here from multiple other funds to pay for multi-year projects for new and replacement street and drainage system improvements. These funds include the Transportation Improvement Fund (27), Street Impact Fund (45), Drainage Impact Fund (47), Drainage Utility Fund (59), General Fund (10), and Transit Tax Fund (65). The budget for FY 2025 for this fund is \$65,735,300 and primarily consists of transportation and drainage projects needed due to demands placed on our growing community.

Major projects included for FY 2025:

- \$20,000,000 for the construction of 1450 S extension to Crosby way (George Washington Blvd).
- \$6,300,000 for the SR-7 trail project UDOT funded project.
- \$5,750,000 for the East Access Road to Tech Ridge
- \$5,400,000 for the continuation of the 3000 E Widening project from 1580 S to Seegmiller Dr
- \$5,200,000 for the completion of Red Hills Sediment & Virgin River Streambank project funded through a grant from the National Resource Conservation Service (NRCS).

Regional Airport Capital Project Fund – Fund 88

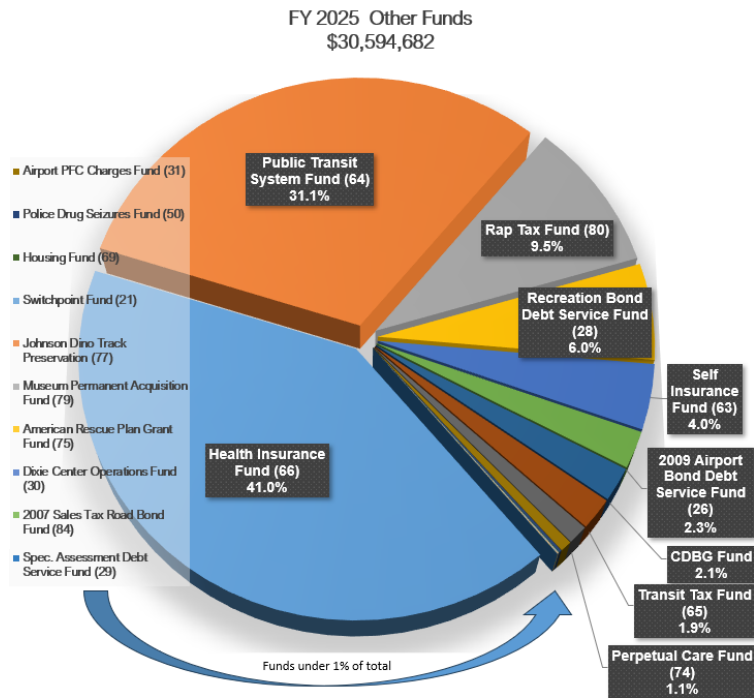

This fund primarily accounted for revenues and expenditures for the construction of the city's airport, which officially opened January 12, 2011. This fund also accounts for significant airport improvement projects anticipated to extend over multiple fiscal years, and which are primarily funded by FAA Airport Improvement Program (AIP) grants and using the City's Passenger Facility Charge (PFC) funds as the

City’s matching source to the federal grant. The budget for FY 2025 is \$17,703,932 and includes the Fog Seal Runway project, Reconstruct Taxiway-A project and the new Air Traffic Control Tower.

Other Funds

The Other Funds category includes Special Revenue Funds, Debt Service Funds, Fiduciary Funds and other various activities that do not fit into one of the other major categories. These types of funds account for revenues and resources that are legally restricted at the federal, state, or local level for specific business purposes for which these resources can be used. Funding sources for these funds vary from federal grants (Public Transit System - SunTran) to a small portion of the sales tax (RAP Tax, Transit Tax), with the funding source being based entirely upon the specific business purpose for each fund. The Other Funds combined in the FY 2025 budget total \$30,594,682 which is an overall decrease of -\$12.4 million from the FY 2024 Adopted Budget.

The major items of decrease for FY 2025 include a -\$5.6 million reduction in the Suntran Public Transit Fund as the order of new buses for the Zion route was completed in FY 2024, elimination of expenses for the Dixie Center (-\$2.4 million) as this facility will now be fully operated by the County, and a reduction of \$1.4 million in the Airport PFC fund and \$1.3 million in the ARPA fund due to a lower level of participation from these funds on projects in FY 2025.

The below section provides highlights of some of the more significant funds in this category.

2009 Airport Revenue Bond Debt Service – Fund 26

This fund accounts for the debt service for the Replacement Airport bond issuance. Revenue is \$700,000 from Washington County per interlocal agreement. The total budget is \$701,400 for FY 2025.

Recreation Bond Debt Service – Fund 28

This fund is for the annual debt payment associated with the newly authorized \$29 million G.O. bond for Trails, Parks and Recreation approved by voters November 2023. The FY 2025 debt payment is \$1,836,033 which will be paid by a dedicated portion of the property tax as approved by the voters.

Community Development Block Grant – Fund 32

This fund accounts for federal Community Development Block Grant (CDBG) funds that come to the City because of our entitlement status. Available grant funds for FY2025 are estimated at \$635,012 due to the fiscal year entitlement of \$553,015 combined with \$80,997 from carryover of unused funds from the prior year. The funds can only be used for projects that benefit low-to-moderate income individuals and the FY

2025 expenditure budget is \$635,012 with the capital portion of the allocation over the next two years being dedicated towards the replacement of a fire apparatus in the General Fund.

Self-Insurance – Fund 63

This fund handles insurance premiums for the City’s liability, property, and cyber insurance coverages. It also serves as a fund for those claims not covered by our insurance policies. Assessments are made to the various departments based on a formula of coverages. Estimated expenditures for FY 2025 are \$1,237,729 due to the higher number of claims and increased costs of insurance.

Health Insurance – Fund 66

The Health Insurance Fund accounts for the city’s self-funded medical and other ancillary medical plans for city employees which are funded through bi-weekly payroll deductions from employees and contributions from the city based on the health insurance rates adopted each year. FY 2025 will be the second year for this fund as the city in FY 2024 transitioned from a fully insured plan to a self-funded plan. For FY 2025 the budget is \$12,548,850.

Public Transit System – Fund 64

This fund accounts for the City's public transit system. SunTran buses provide 40-minute route service on 7 routes and 164 bus stops throughout St. George, Ivins, and Washington City from Monday through Saturday. The City is a designated Metropolitan Statistical Area and therefore revenues are mostly derived from Federal Transit Authority (FTA) grants which generally pay 50% of operating expenses and 80% of capital outlays. FY 2025’s total budget is \$9,499,709 and reflects funding for the start of the new Zion Route including \$5 million for a new Transit Center and \$1 million for staffing.

Recreation, Arts, and Parks (RAP) Tax – Fund 80

The RAP Tax is a 1/10 of 1% sales tax on non-food items approved by voters in November 2014 and continues for a 10-year term, unless reapproved by voters in November 2024. RAP Tax revenues can be used to construct and operate city-owned and operated athletic fields, parks, trails, playgrounds, and arts facilities and to support both City programs and non-City cultural organizations to advance and preserve art, music, theater, dance, etc. The FY 2025 budget totals \$2,891,435. For FY 2025 the majority of funds in this budget will be leveraged towards the 2023 Trails, Parks and Recreation General Obligation bond projects.

St. George

THE BRIGHTER SIDE

Economic Development Agency Funds

The Economic Development Agency Funds are funds that operate under the St. George Neighborhood Redevelopment Agency (RDA) and account for revenue and expenses associated with promoting new capital investment and job creation activities within specific development districts created within the City. The RDA includes 4 active districts and 2 recently retired districts. The combined FY 2025 City Manager Recommended Budget is \$732,109 which is down \$982,401 from the FY 2024 Adopted Budget.

The decrease in FY 2025 is associated with the expiration of the Dixie Center EDA Fund (-\$278,210) and Ft. Pierce CDA #1 (\$1,014,000). These decreases are partially offset with the implementation of the Tech Ridge CDA (+307,073).

The below section provides highlights of each fund in this category.

**FY 2025 EDA Fund Expenses
\$732,109**

Dixie Center Economic Development Area (EDA)

In October 1997, the City Council authorized participation in the I-15 (Dixie Center) Economic Development project which allows the St. George Redevelopment Agency to collect tax increment from the Dixie Center project area. Tax Increment revenues are authorized to be used in funding land acquisition, roadways, and other utility infrastructure improvements which foster economic development. The district was invoked January 1, 2006 and had a twelve-year term. In Fiscal Year 2015-2016, the district was extended an additional 6 years and then in October 2021 the district was extended an additional two years taking the district to December 2024. However, this fund is anticipated to reach the collection cap during FY 2024 and therefore will expire. The FY 2025 budget for this fund is \$2,000 which reflects the cost for the year-end audit of the fund.

Ft. Pierce Community Development Area #1 (CDA #1)

This district was created in FY 2009 and accounts for revenues received from improvements made by new companies located in the Ft. Pierce Business Park in CDA #1. This fund expired in FY 2023. The FY 2025 budget for this fund is \$2,000 which reflects the cost for the year-end audit of the fund.

Ft. Pierce Community Development Area #2 (CDA #2)

This district was created in FY 2015 and accounts for revenues received from improvements made by new companies locating in the Ft. Pierce Business Park in CDA #2. The district was invoked January 2015 with a 15-year term expiring December 2029. In October 2021 this district was extended an additional 2 years taking the district to December 31, 2031. The FY 2025 budget for this fund is \$8,500.

Central Business Community Development Area

This district was created in FY 2017 and includes property in the historic downtown area. This fund accounts for property tax revenues received from increased property values due to reinvestment in the downtown area. The City View multi-use residential (110-unit, 4-story apartment complex) and commercial project Advenire hotel; and the Joule Plaza mixed-use residential-commercial (197-unit, 4-story apartment complex) are two examples of projects completed in recent years which generate incremental tax revenues for this CDA. This district is a 15-year district and was invoked in January 2021 with tax increment revenues to begin in FY 2022. In October 2021, the RDA Board extended this district an additional 2 years

to December 31, 2038. The FY 2025 budget for this fund is \$235,745 with the major item of note being the annual incentive agreement associated with the development.

Millcreek Community Development Area

The Millcreek CDA was created during Fiscal Year 2017 to promote economic development activity in the Millcreek Industrial Park area. Taxes received from new developments and new growth will be used to assist commercial development in completing projects within this District and to also fund infrastructure improvements to attract businesses to the Millcreek Industrial Park. The expense budget for FY 2025 is \$176,791 with the major item of note being the annual incentive agreement associated with the development.

Tech Ridge Community Development Area

The Tech Ridge CDA was amended and invoked during FY 2024 to assist in funding infrastructure in order to promote economic development activity and job creation on Tech Ridge. Taxes received from new developments and new growth will be used to assist in the construction of public infrastructure necessary to serve the development. The FY 2025 budget for this fund is \$307,073 with the major item of note being reimbursements for public infrastructure improvements.

Conclusion

Staff are excited to present the FY 2025 City Manager Recommended Budget to the City Council and community. Our focus for FY 2025 is the implementation of the vision, goals and priorities as identified by the City Council. City staff at all levels have diligently worked to develop a budget that maintains our quality of services and follows the course of direction set by the Council. I deeply appreciate all of the work of our city departments and in particular our budget team comprised of our Budget Director, Robert Myers, and our Assistant Budget Director, Chad Moultrie. The development of this year’s budget required countless hours of review, analysis, and discussion to create this critical policy document.

Respectfully submitted,

John Willis
City Manager

COMMUNITY PROFILE

St. George is located in the extreme southwest corner of the state of Utah, on the Utah-Arizona border, approximately 300 miles southwest of Salt Lake City, Utah, and 120 miles northeast of Las Vegas, Nevada. St. George covers approximately 78.5 square miles and is intersected by Interstate-15, running north and south, with five on/off-ramps.

St. George was settled in 1861 by members of the LDS Church whose Mormon pioneers grew cotton in the warm climate and gave the area the nickname “Utah’s Dixie.” St. George incorporated in 1862 and is the county seat of Washington County and is the economic, social, and governmental hub of southwestern Utah.

St. George is a picturesque valley surrounded by impressive sandstone cliffs and is just a short drive away from the amazing Zion National Park which attracts over 4 million visitors annually. The regional backdrop has clear blue skies, clean air, and a friendly business environment.

At an elevation of 2,760 feet, St. George has a desert climate with mild, low humidity winters with over 300 sunny days per year which promotes year-round recreation and leisure activities for which St. George hosts hundreds of sporting events each year.

St. George continues in its role as host city of the Ironman 70.3 North American Pro Championship in 2024 and 2025. Over 2,200 athletes, including a large pro field, converge on southern Utah every May to compete in what has become internationally recognized as the Land of Endurance. All 50 states and nearly 40 countries are represented annually with a local economic impact of approximately

\$10.7 million per event. St. George is also home of the St. George Marathon (7,000 runners), the Huntsman World Senior Games (12,000 athletes from all 50 states and 20+ countries), and numerous local, regional, and state softball, baseball, and pickleball tournaments. St. George is also the site of the St. George Marathon (7,000 runners), the Huntsman World Senior Games (11,000 athletes from all 50 states and 20+ countries), and numerous local, regional, and state softball, baseball, and pickleball tournaments.

The 2020 Census showed that Utah led the nation for population growth at 18.4% since the 2010 census, outpacing the national figure of 7.4%. Between July 2020 and July 2021, St. George was the #1 Fastest Growing Metropolitan Area in the nation at 5.1%. As the 5th most populated city in Utah, St. George has also grown significantly and has a current estimated population of over 102,523 (County-wide is about 197,680). St. George also ranked #3 for small cities in Milken Institute’s Best Performing Cities in 2023.

The City provides a full spectrum of services to its residential citizens and commercial activities including police, fire, 911 dispatch center, streets, parks and trail system, recreation facilities and sports programs,

power generation and power transmission, culinary and irrigation water, sewer collection, regional sewer treatment, public bus transit, municipal regional airport, golf courses, community arts facilities, cemeteries, community development services (subdivision approval, building permits and inspections), and commercial industrial parks. A snapshot of these services is shown in the “Service Statistics” section of this budget document.

St. George has around 37,515 households, (up from 35,656 the prior year) which have an average of 2.7 persons per household and of which 72% are married couples. In 2023, St. George was listed as #10 in the Best Cities for Families by Livability.com due to its low utility rates, low cost of living indexes, high percentage of kids, low crime, and a cost of living that’s below the national average help make St. George one of the Best places for Families.

St. George is also a highly regarded retirement community and in 2023, 55places.com, a resource for individuals seeking active retirement communities, listed St. George as #3 for The Best Communities for 55+ Athletes. About 55% of the City’s population is under the age of 40; and 43% are under the age of 30. St. George has a higher median age at 36.8 compared to the State of Utah at 32.1.

Approximately 74.7% of the population 25 years and over have attained some level of higher education, compared to 71% for the state of Utah. The percentage with a Bachelor’s degree or higher is 39%, compared to 31.6% the prior year. The two largest higher education

facilities located within St. George, Utah Tech University (UTU) and Dixie Applied Technical College (DXATC), are dependent on city services.

Utah Tech University (UTU), was founded in 1911 and as of fall 2022, it had 12,567 students enrolled in its 2023-2024 school year (up from 12,556 the prior year) with approximately 56% full-time students, and 82% enrolled are Utah residents. The student-to-faculty ratio is 23:1. UTU offers Associates Degrees (23); Bachelor’s Degrees (56); and Master’s Degrees (7) programs. In January 2019 UTU received the status of a Division 1 “D1” university. UTU was formerly Dixie State University (DSU), and effective July 2022, changed to UTU to emphasize the school’s greater focus as a Polytechnic university.

Dixie Applied Technology College (DXATC) is a 2-year college and was created in 2001 and is one of eight technical colleges in Utah. Their mission is “Forward Thinking, Future Focused, Career Ready” and DXATC offers Certificate Programs for almost 30 skills such as Auto Technician, Residential and Commercial Electrical, Culinary Arts, Emergency Medical Technician, Pharmacy Technician, and many others.

The Washington County School District provides public education for Kindergarten to 12th Grade. County-wide enrollment is approximately 36,740 of which 4,959 are online, and outside of its boundaries. St. George makes up around 75% of the student population. Within the St. George area, we have 6 high schools, and approximately 22 elementary and secondary schools.

St. George Regional Hospital (SGRH) is the primary healthcare facility in St. George. SGRH is owned by Intermountain Healthcare and is the major medical referral center for southern Utah; northwestern Arizona, and southeastern Nevada. It is fully accredited by The Joint Commission and serves as a Level II Trauma Center, caring for almost all trauma patients (with the exception of major pediatric trauma). SGRH has over 350 physicians; over 2,600 employees; and 284 patient beds and includes a Health and Performance Center. In 2018 SGRH completed a \$300 million, 500,000-square-foot expansion project to relocate and expand both their Women’s & Children’s Health Center and their Cancer Center. Out of 58 hospitals evaluated in Utah, U.S. News & World Report ranked SGRH as #2 for regional hospitals and as High Performing in 15 procedures and conditions. Healthgrades awarded SGRH for the Patient Safety Excellence Award in 2023 and 2022 and Outstanding Patient Experience Award in 2023, 2022, and 2021. Their Intermountain Precision Genomics won the Governor’s Award for Innovation in 2019.

Approximately 7,500 businesses are located within St. George. In 2019, WalletHub published an article on April 18, 2023, ranking St. George as #2 of the 2022’s Best Small Cities for Starting a Business.

Well-known businesses which the City provides services to include SkyWest Airlines (headquarters), IHC Hospital (St. George Regional Hospital), Family Dollar Distribution Center, and many other industrial, retail, hospitality (hotels/motels), and professional services.

St. George is the largest city and regional hub of Washington County and comprises approximately 75% of the total employment in the County. The Utah Department of Workforce Services reported that “following the COVID downturn, Washington County was back to job parity with pre-pandemic job levels in just 4 months and had two-year gains of 8.8%, compared to 3.4% for Utah”. Between September 2021 and September 2022, Washington County saw a 4.2% Year-to-Year Change in Nonfarm Jobs, representing an increase of 3,294 jobs.

For December 2023, the unemployment rate for Washington County is only 2.8%, up slightly from March 2022 at 2.7%. December 2023’s unemployment rate of 2.8% which ended the several months of sub-2.6% unemployment for Washington County, still reflecting a persistently tight labor market.

Source: Department of Workforce Services, Washington County Labor Force Data - Historical Data, Not Seasonally Adjusted (Annual Average)

Income statistics are typically presented based upon the most recently completed federal income tax return period; however data is not yet available for 2021 and therefore information for 2020 is provided. For 2020, St. George reported a total of \$2,571,065,009 in Federal Adjusted Gross Income (AGI) in 2020, ranking 6th of 206 cities (with 250 or more returns) in the state of Utah in this category. The 2020 average AGI per return was \$64,341, ranking 96th in the State, and the average Federal taxes paid per household was \$6,627, ranking 77th. Average exemptions per household were 2. St. George City's 2020 Household Median Adjusted Gross Income (MAGI) was \$45,400; Washington County was \$48,200; and the State of Utah was \$58,900.

Household Median Adjusted Gross Income (MAGI)			
Year	St. George	Washington County	Utah
2012	\$36,011	\$38,157	\$45,454
2013	\$37,437	\$39,572	\$46,811
2014	\$38,440	\$40,893	\$48,672
2015	\$40,073	\$42,786	\$50,123
2016	\$42,091	\$44,600	\$51,184
2017	\$44,414	\$46,328	\$52,914
2018	\$46,382	\$48,730	\$55,454
2019	\$44,328	\$46,817	\$53,917
2020	\$45,400	\$48,200	\$58,900
2021	\$51,000	\$54,000	\$60,000
2022	No data avail.	No data avail.	No data avail.

BUDGET & POLICIES OVERVIEW

BUDGET PROCESS AND GUIDE

The City budget can be an imposing document of charts and numbers. On closer inspection and beyond the numbers, the budget represents the investment and return for our community. The investment is in the form of local sales tax, municipal property tax, state shared revenue, and other financial resources. The return is the repaved road, park improvement or new service scheduled for the new fiscal year. The purpose of this section of the budget is to move beyond the technical jargon and assist the reader in understanding the budget process for the City of St. George.

What is a Budget?

In the simplest terms, budgeting is the process of allocating finite resources to the prioritized needs of an organization. Governmental budgeting allocates resources to public services and projects. Because it determines the total amount of taxes levied and on whom, governmental budgeting also allocates the burden of taxation. Budgeting balances the resources drawn from the public against the demand for services and projects, keeping taxes within acceptable limits and ensuring services are sufficient to allow for economic growth and social stability. Budgeting helps policy makers set goals, assist program managers and department heads to improve organizational performance, and ensures that both the elected and appointed officials are accountable to the public. The budget sets forth a strategic resource allocation plan that is aligned with strategic initiatives, community goals, preferences, and needs. The budget is a **policy guide**; a **financial plan**; a **communication tool**; and an **operations guide**.

Developing a budget is often a complex process of balancing various interests and demands for services with available resources. The complex process has shaped diverse types of budgeting, of which several budget types have evolved: 1) line-item budgeting, 2) performance budgeting, 3) zero-based budgeting, and 4) priority-based budgeting. The City of St. George's budget primarily resembles the basic line-item budget:

✓ **Line-Item Budgeting**

Line-item budgeting is the format associated most with budgets. This type of budgeting focuses on the input of resources as they relate to the production of services. The budget format depicts department expenditures as a list of items that will be purchased using allocated resources. For this reason, department goals, objectives, workload indicators, and performance measures are also included along with line-item details for key service areas.

Budget as a Policy Guide

The budget functions as a policy guide by indicating the City's priorities. The budget is connected to a mission statement and goals, and the number of resources allocated to a specific department, program, or service indicates what is considered important by city officials and in turn the citizens. The budget document includes the City's financial policies to provide citizens with information on the policies that guide the use of public funds.

Budget as a Financial Plan

The most basic element of the budget, displaying the balance between revenues and expenditures, acts as a financial plan. It outlines what revenues are expected and how the City intends to use those resources. Examining revenue and expenditure trends from past budgets helps form a financial plan for future budgets, which ensures the City is accurate in projections to help maintain strong fiscal standing.

Budget as a Communications Tool

As a communication tool, the budget serves to hold the City accountable. The budget provides the public with information regarding how their tax money is being spent. Citizens can see whether elected officials

are setting priorities based on their requests by reviewing the number of resources being allocated to specific programs and services. Citizens can also see if their tax money is being used efficiently and effectively by reviewing each department.

Budget as an Operations Guide

As an operations guide, the budget outlines the estimated amount of work to be done and services to be provided and the cost associated with doing so. The budget indicates which departments are responsible for programs and services. It provides the departments with the number of resources they have to perform their responsibilities and represents the legal authority to spend money. It allows the Mayor and City Council, the City Manager, and Department Heads the opportunity to reassess goals and objectives and the means for accomplishing them. Some of these objectives include:

- ✓ Provide a framework for sound fiscal management.
- ✓ Ensure that revenue and expenditure projections are prepared based upon historical data, economic forecasts, and staff knowledge and experience.
- ✓ Enhance prioritizing, strategy, and planning for both short-range and long-range needs.
- ✓ Balancing resources with appropriate levels of service.
- ✓ Compliance with state code and statutes.

Budget Roles

The **City Manager's** role is to oversee the budget process as the City's Chief Budget Officer, making sure the budget is balanced and that expenditures are within projected revenues. The City Manager prepares a tentative budget (Recommended budget) which is presented to the Mayor and City Council on or before the first regularly scheduled meeting in May of each year. The City Manager also holds the Departments accountable for expenditures, making sure they are within departmental budget appropriations.

The **Department Heads'** role is to prepare budget requests based on available revenue and the policy direction they have been given. Department Heads also perform an annual review and update user fee amounts and associated revenues if the services they provide are funded by the fee. Department Heads are also responsible for making sure their department's expenditures are within budget appropriations.

The **Budget Manager's** role, performed by the Budget & Financial Planning Manager and the Assistant Budget Manager (aka Budget Team), is to compile and prepare the tentative and final budget document under the direction of the City Manager, Mayor, and City Council. This includes reviewing departmental budget requests, available resources, and making recommendations for balancing the budget.

Budget Process Summary

The budget process generally starts in December and is substantially completed by the end of the following June. During this seven-month period, resources from all levels of management - from the "ground-up," to division managers, to department heads, to Human Resources, to the City Manager, Mayor and City Council; are all integral in order to prepare, submit and provide input, review and discuss, hold meetings, prioritize, assimilate, and finally adopt a sound annual City budget, while also meeting the time lines and other requirements outlined by State Law. The Budget Calendar and Budget Timeline following this section provide snapshots of how the responsibilities and process interrelate.

- An Annual Budget Memo from the Budget Team to the Department Heads, Managers, and Supervisors which includes the Budget Timeline and Calendar and advises of any significant changes to the standard process.
- A budget strategy planning session with the Mayor and City Council to understand and establish their priorities.

- Budget training sessions for Department Heads, Managers, and Supervisors involved in the budget process.
- A budget retreat with Department Heads and the Mayor and City Council to review priorities, goals, anticipated challenges and also to review budgeting policies and process, and timeframes.
- Departments submit expenditure and revenue budget requests and supporting documentation.
- Financial capacity analysis and Revenue forecasting.
- Needs assessment, level of service analysis and cost projections for personnel, operating, and capital cost requirements.
- Departments meet with the City Manager and Budget Committee to review budget requests.
- Recommendations from the City Manager, the Budget Manager and the Assistant Budget Manager, and Department Heads.
- A review of the tentative budget with the City Council, City Manager, and Department Heads.
- Adoption of the tentative budget on or before the first regularly scheduled meeting of the governing body in May of each year as set forth in section 10-6-111, Utah Code Annotated.
- Adoption of the budget by resolution or ordinance on or before June 30 of each fiscal year and if a tax increase is contemplated, the budget must be adopted by September 1.
- A copy of the final budget must be certified and filed by the Budget Officer with the State Auditor within 30 days after adoption.
- Budget amendments requested anytime that an expenditure overage or a revenue shortfall is anticipated; or an unexpected project requires funding and approval.
- The City Manager may approve budget transfers of all or part of any unencumbered appropriation balance among programs within a department, or within a fund at any time during the fiscal year.

Budget Forms

Preparing the City's annual budget is quite a complex process. The City has 18 departments consisting of over 100 different divisions which contribute to 40+ different funds. Collectively, the City has approximately 500 revenue accounts and over 2,200 expenditure accounts. The final budget document is over 300 pages and is ultimately the City's blueprint which guides decision-making for determining staffing levels; funding employees' compensation plans for over 800 full-time employees; funding for part-time and seasonal employees; providing basic services and quality-of-life amenities to our citizens and funding associated operating expenses and equipment; and creating projects which sustain or enhance our current and future community.

To facilitate the process, manage a significant volume of data and information, and establish priorities, City management complete worksheets for the following items:

- ✓ Revenue Worksheets to review historical revenues and trends; analyze and determine the extent by which revenue(s) adequately fund both direct and indirect costs of services and/or facilities to which they are associated; allows for an annual review of rate or fees charged for services.
- ✓ Full-Time Position Request Forms to establish the justification, associated expenditures, and allow the Human Resource Dept. to review how the position fits within the City's compensation program.
- ✓ Materials & Supplies Detail Forms (Operating Expense Worksheet) is required for operating expense line-items which are \$50,000 or more.
- ✓ Capital Outlay Worksheets both at an Individual and Summary level to provide project description, justification, timing, identification of funding source (fees, grant, debt, etc.), prioritization, and provide a 5-year projection.

CITY OF ST. GEORGE
FISCAL YEAR 2024-25 BUDGET CALENDAR

Nov. 17 (Friday)	Budget Entry is open for the capital budget & training session held.
Jan. 19 (Friday)	Budget Memo and forms provided to departments. Capital budgets due.
Jan. 23 (Tuesday)	Goals Retreat with City Council.
Jan. 26 (Friday)	Budget entry is open for the operating budget & training session held.
Feb. 1 (Friday)	New Position Requests due to Human Resources.
Feb. 8 (Thursday)	New Position Requests due to Budget.
Feb. 15 (Thursday)	Budget Retreat with City Council.
Feb. 23 (Friday)	All budget items due.
March 5 (Tuesday)	City Manager, Finance Team, and Budget Team meet to determine General Fund revenues.
March 18 (Monday)	Unbalanced General Fund budget and Non-General Fund budgets delivered to City Manager for balancing.
March 22 to April 5	City Manager meets with Departments to review requests and possible adjustments to balance budget.
April 12 (Friday)	City Manager delivers balanced budget to Budget Team for printing and assembly. (No additional requests or adjustments can be submitted by Departments for consideration after this date.)
April 15 (Monday)	Budget delivered to departments (ClearGov).
May 2 (Thursday)	Recommended Budget presented to City Council.
May 16 (Thursday)	City Council Budget Work Meeting.
May 23 (Thursday)	City Council Tentatively adopts the Budget and sets public hearing dates.
June 4 (Thursday)	Proposed Town Hall meeting
June 6 (Thursday)	1 st Public hearing on Final Budget.
June 20 (Thursday)	Public hearings for Enterprise Fund Transfers and Unbilled Utilities. Public hearing (2 nd hearing) for the Final Budget. Public hearing for amendments to the current year budget. Adoption of the tax rate and final budget.
July 20 (Saturday)	Budget transmitted to State Auditor.

ORGANIZATION OF THE BUDGET DOCUMENT

Through the budget, the City of St. George demonstrates its accountability to its residents and customers. This section provides the reader with a basic understanding of the components of the budget document and what is included in each of these components. The budget document includes five major areas:

1. The **City Manager's Budget Message** provides information about national and local economic outlook in St. George, growth, capital investment, staffing, goals and objectives, and accomplishments. It also shows a summary of the General Fund Revenue and Expenses, with a detailed explanation of each. Then All Other Funds are detailed with their expenses and explanation of each fund.
2. The **Budget Process** explains the purpose of the budget, why it is needed, and the development processes and forms, budget calendar, fund structures, and financial policies for revenues and expenditures.
3. The **Financial Overview of the Consolidated City Funds** includes the FY 2025 Consolidated Revenue & Expense Summary for all funds which illustrates the combined financial picture of all funds of the City and is then followed by an overview of the anticipated impacts to fund balance by fund during FY 2024 and FY 2025.
4. The fund sections – **General, Enterprise, Capital Projects, Other, and Economic Development Agencies** - includes the 3-year financial outlook for each fund and department within the city's budget. Each Department-level budget includes an Overview, Mission, and Goals section which provides information on how the department aligns with the citywide goals and council priorities
5. The **Appendix** includes a Glossary; a list of historical total Authorized Full-time Positions by department; a detailed listing of the recommended Capital Outlay list and 5-year Capital projections; and a Transfers schedule and supporting information.

City Manager's Budget Message

The City Manager's Budget Message is a transmittal letter introducing the budget and the long and short-term goals the budget addresses. The message highlights significant accomplishments achieved and projects completed in the current year, as well as significant projects included in the proposed budget for the upcoming year. The message outlines the assumptions used in budget development such as economy, revenue constraints, and Council priorities. Also included is an overview of major changes to the budget from prior years, and challenges facing the organization.

Financial Overview of the Consolidated City Funds and the General Fund

The financial overview of the Citywide consolidated Funds begins with a 3-year numerical comparison of revenues and expenditures, followed by charts displaying consolidated expenditures based on fund type (General Fund, Enterprise Funds, etc.) and also by expense type (Salaries & Benefits, Materials & Supplies, Capital Outlays, Debt, and Transfers).

The financial overview of the General Fund begins with an Operating Statement with charts displaying that budgeted revenues and expenditures are balanced, ensuring that expenditures will never exceed the total available resources.

The General Fund Summary, shown separately for both revenue and expenditures, provides an overview of the revenue and expenditure history for the prior year, current year actuals for the first seven (7) months,

current year budget, current year projections, and the recommended or approved budgets for each category. Each is then broken down into further detail in subsequent pages.

Accounting Basis for the City's Annual Financial Report (AFR) and Cash-Basis for Budgeting

The budgets reflect the actual total final revenue and expense amounts by line-item for the previous fiscal year; estimated amounts for the current year; and budgeted amounts for the current year and next year's budgets. For the previous fiscal year, the amounts reflect the audited amounts reported in the City's Annual Financial Report (AFR); however, certain account-types will be adjusted for budgeting purposes to convert the total to a cash-basis amount. These adjustments will primarily impact on the Enterprise Funds and are reconciled on page 58. Examples of the adjustments are:

- Equipment and Improvements Capitalized as Assets
- Inventory Adjustments
- Depreciation and Bond Amortizations or Premiums (non-cash transactions)
- Bond (and Lease) Issuances, Redemptions, and Principal Payments

Unit Summaries

A business unit may be represented as a Department, or as a Division within a department. Each unit will include the following components:

Introductory Statement: Explains the unit's purpose and provides a brief overview of responsibilities and services provided.

Budget Summary: Reflects the unit's total budgeted expenses by category to provide both a numerical and graphical overview of the allocation of resources by the following types of expenses:

- Full-Time Employees
- Part-Time Employees
- Employee Benefits
- Materials & Supplies
- Capital Outlays

Salaries & Benefits: Depicts the authorized full-time positions and a historical number of full-time positions for the division for the prior nine fiscal years and for the budget year.

Capital Outlays: Lists equipment and improvement projects and corresponding costs requested by the division and indicates if the capital outlay was recommended in the tentative budget, and approved in the final budget.

Graphs: The graphs are unique to each unit in an effort to show historical trends.

Line-Item Budgets: A tabular representation of each unit's line-item budget with subtotals for Salaries & Benefits, Materials & Supplies, Capital Outlays, Debt Service (if applicable), and Transfers (if applicable) which includes the following annual comparisons:

- Prior Year's Actuals
- Current Year's 12-Month Estimate
- Current Year's Budget (including any Budget Adjustments to date)
- Department's Request for Next Year's Budget
- City Manager's Recommended budget for Next Year's Budget
- City Council's Approved budget for Next Year's Budget

Overview, Mission, and Goals section which provides the following information on a Department-level basis only (i.e. not all units will include this information):

- Mission statement
- Services provided.
- Alignment with council priorities.
- Accomplishments achieved.
- Goals and related objectives.
- Performance metrics and measurements.

St. George

THE BRIGHTER SIDE

FUND STRUCTURE

The City of St. George’s accounting system is organized and operated on a “fund basis.” Each fund is a distinct, self-balancing accounting entity. The funds utilized by the City are described below.

Governmental Funds	<ul style="list-style-type: none"> • General Fund (GF) • Capital Projects Funds (CPF) • Special Revenues Funds • Debt Service Funds
Proprietary Funds	<ul style="list-style-type: none"> • Enterprise Funds • Internal Service Funds
Fiduciary Funds	<ul style="list-style-type: none"> • Pension Trust Fund

Governmental Funds

General Fund (GF) is the government’s primary operating fund. It accounts for and reports all financial resources of the general government, except those required to be accounted for in another fund.

Capital Project Funds (CPF) account for the resources used to acquire, construct, and improve major capital facilities, other than those financed by proprietary funds. The projects in these funds typically are multi-year projects which carryover from year-to-year until the individual project is completed. The principal source of funding is contributions from developers restricted for capital construction (i.e. impact fees), operating transfers from other funds (proprietary or special revenue funds), grants, and bond proceeds. All funds received for a particular purpose are basically restricted and used specifically for that purpose.

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects.

Debt Service Funds are used to account for the accumulation of resources that are restricted, committed, or assigned for the payment principal and interest of certain debt obligations and related costs. Typically, the debt is long-term debt and major sources of revenue include taxes, transfers from other City divisions, and impact fees.

Proprietary Funds

Enterprise Funds are used to report on those activities that operate similar to private businesses (business-type activities) and charge a fee to the users, which is adequate to cover most or all of the costs. The fee may be based on consumption, or a flat fee, or a combination of both. Enterprise Funds are presented as business-type activities in the government-wide financial statements and are not required to be balanced.

Internal Services Funds are funds used to accumulate and allocate costs internally among the City’s various functions. The City uses an internal service fund to account for property and liability risk management and insurance in its Self-Insurance Fund.

Other Governmental Funds includes the Redevelopment Agency (RDA) Fund which accounts for the RDA’s revenues and expenditures associated with promoting new capital investment and job creation activities within the RDA areas which are also called Economic Development Areas (EDA) and Community Development Areas (CDA).

Functional Unit Matrix

The schedule below shows the relationship of individual departments and/or divisions, and funds to the Fund Structure. The schedule further reflects whether a fund is a Major Fund or a Minor Fund. The City’s Annual Financial Report (AFR) provides the determination as to which funds are classified as Major and Minor. Major Funds include the General Fund and those funds that meet the following Governmental Accounting Standards Board (GASB) threshold:

- 1) Total assets, liabilities, revenues, or expenditures of that governmental or enterprise fund are at least 10% of the corresponding element total (assets, liabilities, etc.) for all funds of that category or type (total governmental or total enterprise funds), and
- 2) The same element that met the criteria above, is at least 5% of the corresponding element total for all governmental and enterprise funds combined, and funds which government officials believe are particularly important because of consistency or public interest.

General Overview of Fund Resources and Functions

	GENERAL FUND	ENTERPRISE FUNDS	CAPITAL PROJECTS FUNDS (CPF)	SPECIAL REVENUE FUNDS	DEBT SERVICE FUNDS	REDEVELOPMENT AGENCY (RDA/EDA/CDA/CRA)
FUND FUNCTION	Primary operating fund that accounts for all financial resources of the City govt. in general, except those accounted for in another fund.	Business-type activities where customers or applicants are charged a fee or rate proportionate to use, or directly benefit from goods, services, or privileges provided.	Funds used to account for financial resources to be used for the acquisition or construction of major capital facilities and infrastructure which may overlap multiple years to complete.	Funds to account for revenues and resources that are legally restricted at a federal, state, or local level regarding the types of activities or projects for which the resources can be used.	Debt service funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.	Specific geographic districts are created by formal agreement of taxing agencies who forego their property tax revenues for a time certain to fund economic incentives and improvements to create business-friendly environments.
FUNDING RESOURCES	Revenues may be value-based taxes and regulated by State laws. Revenues may or may not be tied to a specific activity or responsibility. Many functions provided do not charge or have a direct, corresponding revenue, or use-based fee (i.e. fire, police, streets, parks, etc.)	Revenues are generally charged based on the customer's usage and may be based on a classification of demand type (i.e. residential or commercial).	Financial resources of capital projects funds come from several different sources, including bonds, federal and state grants, impact fees, and appropriations from the general or special revenue funds.	Revenues are typically grants, taxes restricted for specific purposes, matching fund appropriations from other funds, donations/fundraising activities, etc.	Revenues are generally transfers in from funds which benefitted from the projects, or via voter-approved tax collections.	Revenues are collections of real and personal property taxes collected from properties within each specified development area.

FINANCIAL PLANNING POLICIES

Financial Planning Policies Summary

The City follows formal financial policy statements to establish financial goals and principles that govern budget deliberations and financial decisions. These policies are summarized below and explained further within this section:

- Budgeting and Fund Accounting
- Financial Reporting and Audits
- Investments
- Long-Range Planning
- Capital Asset Management and Inventory
- Revenues
- Expenditures
- Debt Issuance and Management
- Fund Balance and Reserves

BUDGETING AND GENERAL FINANCIAL POLICIES

Balanced Budget

A Balanced Budget is when planned funds or revenues available (sources) are equal to fund planned expenditures (uses). For all funds other than Enterprise Funds, the City must always operate within a balanced budget. When deviation from a balanced operating budget is planned or when it occurs, the City must provide disclosure. The City of St. George’s budget process complies with the Utah Fiscal Procedures Act and Generally Accepted Accounting Principles. This is accomplished through the budgeting process explained in the Budget Process section.

Budgeting Basis

The City follows the principles of modified accrual accounting for preparing its Annual Financial Report (AFR); however, for budgeting purposes, a primary goal is to determine the level at which incoming sources of funds will cover outgoing payments of expenditures. Therefore, the City’s budget is prepared using a cash-basis of accounting. The cash-basis mainly impacts the Enterprise Funds (Water, Energy, Wastewater Collections, and Wastewater Treatment) where capitalized assets, bond debt service, bond issuances and redemptions, leases, and year-end inventory adjustments are recorded as expenditures for budgeting purposes. Depreciation and bond amortization costs or bond premiums are also not budgeted since these costs are non-cash transactions.

Fund Accounting

The City follows principles of fund accounting for all governmental funds, where each fund is defined as a separate accounting entity. Each fund is a self-balancing set of accounts established for the purpose of carrying out specific activities in accordance with clearly defined restrictions and/or limitations. For enterprise funds, the City follows principles of full accrual accounting as required by GAAP.

Budget Oversight

The City Manager is the primary Budget Officer of the City and is the recommending authority for budget requests. Once a budget is adopted, the City Manager also has the authority to reallocate budget items within the same departmental budget or the same fund’s budget; move line items to a “frozen appropriation” status; or seek appropriate cuts if revenues fail to keep pace with projections.

Budget Flexibility and Adjustments

State Law requires that a Budget Adjustment be approved prior to the encumbrance or expenditure. Budget transfers between departments, but within the same fund, requires both the Department Heads’ and City Manager’s authorization. Budget transfers between funds require City Council approval by following the State laws for budget amendments. Budget Openings requiring a public hearing and City

Council approval are conducted approximately every 2 to 3 months, as needed. General instances which warrant a budget opening are as follows:

- New unforeseen grant and related expenditures (include routine grants in original budget)
- Unforeseen Emergency Repairs (exception to having to be pre-approved)
- Actual bids exceeded estimates on projects already approved in the budget (if significant)
- Actual revenues exceed estimates (if significant)
- Unexpected vendor price increases (if significant impact on budget)
- New regulatory requirements (state, federal, etc. if significant impact on budget)
- Significant economic changes

Budget Carryforward

If completion of an approved project or acquisition is not expected during a fiscal year, the appropriation will lapse at the end of the current fiscal year and funding for the project or acquisition must be re-requested in the budget for the following fiscal year and weighed along with other requests.

Financial Reporting and Monitoring

The Administrative Services Department (Finance) will provide monthly financial reports reflecting the operations of individual departments and funds. Such reports contain information by which City Management can manage city departments and services effectively. These reports are in part designed to alert impending shortfalls in revenues or overruns in expenditures. The City will monitor revenues against expenditures.

Independent Audit

State statutes require an annual audit by independent certified public accountants be completed and submitted to the State Auditor's Office within 180 days of the end of the fiscal year. Generally accepted auditing standards and the standards set forth in the General Accounting Office's Governmental Auditing Standards will be used by auditors in conducting the engagement. The selection of the Auditor and management of the auditing and reporting process will be directed by the City's Audit Committee.

Investment Policy

All City investments are made in strict conformity to the Utah Money Management Act (the MMA) which governs the investment of public funds in the state of Utah. The City has a formal Investment Policy which is certified by the Public Treasurer's Association of the U.S. & Canada. The City Treasurer is responsible for investing the City's unexpended cash and the directed goals, in order of priority are: *Safety of Principal*, *Liquidity*, and *Yield*. Safety of Principal is the foremost objective and seeks to mitigate credit risk and interest rate risk. The City seeks to maintain a sufficiently liquid position so that cash is available as needed for operating expenses. Within the framework of safety and liquidity, the City seeks to maximize its yield, or return on investments. The City's Investment Policy and the MMA requires that bank deposits are insured by an agency of the federal government and defines the types of securities allowed as appropriate investments for the City and the conditions for making investment transactions. Presently, the City invests predominately with the Utah Public Treasurers' Investment Fund.

Long-Range Planning

The City will adopt a financial planning process that assesses the long-term financial implications of current and proposed revenues, operating and capital budgets, budget policies, cash management and investment policies, and programs and assumptions.

During the budget process, the City reviews a capital budgeting plan that requires the departments to submit a five (5) year capital outlay summary plan. The process allows the City Manager to understand what individual departments are planning and when projects can be expected to start. The departments' budget forecasts should include the costs of operating the capital facility or equipment.

Asset Inventory

The City will maintain all its physical assets at a level adequate to protect its capital investment and to minimize future maintenance and replacement costs. Departments are asked to inventory and assess the condition of all major capital assets and to determine what the usable life of each item is. This information should be used to prepare a 5-year replacement schedule and plan for replacement of items before major repairs are required. Generally, the City considers any equipment, major repair, or improvement that has an individual cost of at least \$5,000 and a useful life of at least three (3) years as a Capital Outlay. Departments are encouraged to use this criterion when evaluating and submitting their annual budget requests.

REVENUE POLICIES

Stability & Reliability in Funding of Services

1. Diversification of Revenue Sources

All revenue sources have characteristics in terms of stability, growth, sensitivity to inflation or business cycle effects, and impact on tax and rate payers. The City encourages diversity of revenue sources to improve the ability to handle fluctuations in individual revenues. The City annually reviews user fees, impact fees, license and permit fees to ensure an appropriate amount of is being assessed for the services provided.

2. General Taxes and Revenues

General taxes provide stability and reliability for revenues, and provides a foundation for diversity to occur. The City should seek to maintain a stable tax rate. Generally, taxes should not be increased unless inflation has clearly forced operating costs upward faster than growth and/or new services are instituted to meet citizens' needs.

Revenue Structure Based on Public Benefit of Service

1. Public Benefit vs. Private Benefit

To determine the subsidy level of some fees and to consider new fees: The City should finance services rendered to the general public such as police, fire, streets, and parks, from revenues imposed on the general public, such as property and sales taxes. Special services rendered to specific groups of citizens should be financed by user fees, impact fees, license and permit fees, or special assessments.

2. Cost Recovery vs. Ability to Afford

The City is committed to offering general government services at the lowest price possible. Recognizing that it's not the intent to make money on general government services and programs, the City will continually identify, monitor, and update user fees and charges to the extent which they cover the cost of the service provided.

3. Generational Fairness

St. George City should strive for generational fairness, and thus, each generation of taxpayers should pay its own fair share of the long-range costs of City services.

One-Time Revenues and Reserves

1. Recurring vs. One-Time

The City will discourage the use of one-time revenues for ongoing expenditures. One-time revenues should only be budgeted when they are tied to a specific expenditure in the same budget year. When a one-time revenue occurs in a fiscal year and there is not a corresponding expenditure identified in the same fiscal year, the revenue is transferred to the Capital Project Fund, where the revenue will remain until a project is identified.

2. Reasonable Surplus

Revenues and Fees should be established in a manner which allows for a reasonable surplus (fund balance) to accumulate and provide sufficient working capital; to provide a cushion to absorb emergencies such as floods, earthquakes, etc.; to provide for unavoidable revenue shortfalls.

3. Fund Balance and Reserves

Appropriated Fund Balance is the amount of fund balance that is approved as a financing source to help fund expenditures in the current year's budget. A local government that becomes dependent on one-time revenue, such as appropriated fund balance or reserves, or on a source of revenue that will soon disappear, can, in essence, create deficits for itself. The City will utilize one-time or temporary funds to obtain capital assets or to make other nonrecurring purchases.

EXPENDITURE POLICIES

Wages/Benefits, Operating Expenditures, Capital Outlays Ratio for the General Fund

The City uses the following spending ratios as guideline for development of the General Fund - 65% salary/wages and 35% for materials, supplies, and capital. Each year the city will work towards maintaining these ratios as practical.

Employee Benefits

In that employee wages and benefits are the most significant City budget expenditure, the City established a Health Care Committee comprised of the City Manager and management level staff from the Budget division, Administrative Services/Finance, Legal, and Human Resources. The Health Care Committee annually reviews employee insurance and other benefits in advance of the contract renewal to determine the level of benefits to maintain City market competitiveness, subject to budget availability. The Health Care Committee reviews their findings and recommendations with the Mayor and City Council and obtains their confirmation through the budget process.

DEBT MANAGEMENT POLICIES

Debt Capacity, Issuance, and Management

St. George will specify the appropriate uses for debt and identify the maximum amount of debt and debt service that should be outstanding at any time. Debt will be wisely, strategically, efficiently, and ensure future financial flexibility is maintained.

Use of debt financing will be considered under the following circumstances only:

- For one-time capital improvements and major equipment purchases, and
- When the debt will be financed for a period not to exceed the expected useful life of the project, and
- When project revenues or specific resources can be proven sufficient to cover the debt service payments

Debt financing is NOT considered appropriate for:

- Current operating and maintenance expenses except for issuance of short-term instruments such as tax anticipation notes
- Any purpose that is reoccurring of nature except as indicated above

The following guidelines should be followed with debt financing:

- City staff shall use all resources available to determine the best vehicle for debt financing.
- Refinancing of existing debt shall be considered only if the net savings exceed 3% or more.
- The City will follow full disclosure on every financial report and bond prospectus.

Annual debt service shall not exceed limitations as set forth by Utah State Law. The legal debt (general obligation debt) limit for a city is 4% of the estimated market value of all personal and real property within the City. The legal debt margin for St. George City is calculated by using the formula outlined by the Utah State law.

As shown in the schedule below, the City is \$2.12 billion below the legal debt limits as of June 30, 2023.

Fair market value of taxable property	\$ 27,416,285,529
Debt limit:	
General obligation 4%	\$ 1,096,651,421
Water, Sewer & electric 4%	1,096,651,421
Total debt limit	\$ 2,193,302,842
Debt applicable to limit:	
General obligation bonds	\$ 1,805,000
less: amt set aside for repayment of debt	
Water, sewer, and electric bonds	69,558,000
less: amt set aside for repayment of debt	(13,463)
Total net debt applicable to limit	71,349,537
Legal debt margin	\$ 2,121,953,305

Bond Rating Information

Staff is proud to report that in 2024 the city received its first ever AAA bond rating on the sales tax revenue bond issued for City Hall in addition to receiving a AA+ rating on the general obligation bond issued for the Trails, Parks and Recreation G.O. bond approved by the voters. These are the highest and second highest ratings an entity can receive. These ratings are awarded based on a number of criteria including how well the city is financially managed, the state of the economy, in addition to a number of other factors. These ratings will save taxpayers significant interest expense on future debt issuances.

St. George – Bond Ratings			
	Issue Date	S&P	Moody's
Sales Tax Revenue Bonds	2024	AAA	
General Obligation Bonds	2024	AA+	
Wastewater Treatment Revenue Bonds	2020	AA-	
Excise Tax Bonds	2017	AA-	
Electric Revenue refunding Bonds	2016	AA	A2
Franchise Tax Revenue Bonds	2014	AA	

10-Year Debt Schedule

FUND BALANCE (RESERVE) POLICIES

Fund Balance and Reserves

Fund Balance is the difference between assets and liabilities reported in a governmental fund at the end of the fiscal year. It is also sometimes referred to as Reserves which is defined as the portion of the fund balance or retained earnings that are legally segregated for specific purposes.

The FY2024 Estimated and FY2025 Budgeted Fund Balances for all City funds are shown in the “Financial Statements Overview” section of the budget document.

Appropriated Fund Balance, One-Time Reserves or Stabilization Accounts

Appropriated Fund Balance is the amount of fund balance that is approved as a financing source to help fund expenditures in the current year’s budget. A local government that becomes dependent on one-time revenue, such as appropriated fund balance or reserves, or on a source of revenue that will soon disappear, can, in essence, create deficits for itself. The City will utilize one-time or temporary funds to obtain capital assets or to make other nonrecurring purchases.

The City will maintain a prudent level of financial resources to protect against the need to reduce service levels or raise taxes and fees due to temporary revenue shortfalls or unpredicted one-time expenditures.

Fund balances are accumulated in various funds for the following purposes:

- To avoid short-term debt that might be needed to provide working capital
- To meet unexpected expenditures as the result of an emergency
- To secure the City’s debt and related bond ratings
- To accumulate funding for planned capital expenditures including the replacement of capital assets
- To meet reserve requirements for liabilities already incurred but not yet paid (as is the case with the Self Insurance Fund and the Health Insurance Fund)

Utah State Law (§10-6-116) allows cities to accumulate retained earnings or fund balances as appropriate in any fund. However, the law restricts balances in the General Fund as follows: (1) any fund balance less than 5% of estimated revenue may be used for working capital, certain emergency expenditures, or to cover an unexpected revenue shortfall that would result in a year-end excess of expenditures over

revenues; (2) fund balance greater than 5% but less than 35% may be used for budget purposes; and (3) any fund balance in excess of 35% must be included in the appropriations of the next fiscal year.

In addition, in June 2017, the City Manager recommended, and the Mayor and City Council approved, a fund balance policy to (1) maintain a minimum fund balance of \$7.5 million in the General Capital Projects Fund, and (2) maintain at least 20% of the following fiscal year’s General Fund Budgeted Revenues as the combined fund balance of the General Fund unreserved fund balance and the Capital Project Fund’s fund balance. These targeted fund balance levels are to be used for unanticipated expenditures of a nonrecurring nature (i.e. natural disaster emergencies or economic recessions). For FY2024, the City has met both requirements of the fund balance policy.

Historical Unreserved General Fund Balances and their percentage of budgeted General Fund Revenues are shown below.

Unreserved General Fund Balance			
Fiscal Year	Unreserved General Fund Balance	Next Fiscal Year's Budgeted Revenues	% of General Fund Revenue
2014	\$5,686,938	\$55,798,647	10.2%
2015	\$4,637,620	\$60,677,266	7.6%
2016	\$6,301,389	\$66,099,009	9.5%
2017	\$9,204,620	\$66,855,020	13.8%
2018	\$13,463,376	\$73,181,261	18.4%
2019	\$15,513,888	\$77,681,549	20.0%
2020	\$17,599,156	\$70,410,770	25.0%
2021	\$20,515,348	\$91,836,597	22.3%
2022	\$23,404,610	\$101,759,854	23.0%
2023	\$30,427,571	\$107,927,701	28.2%
2024 Est.	\$30,427,571	\$112,144,994	27.1%

GENERAL FUND

FY 2024-25 Budget
General Fund Overview

Total Expenditures
\$112,144,994

Primary City Budget Pays for the Majority of Services Tax Supported

General Fund Services

- 24/7 Police Protection
- 24/7 Fire Protection
- 911 Dispatch
- Parks & Trails Maintenance
- Parks Programming & Events
- Parks Facilities
- Street & Traffic Signal Maintenance
- Transportation planning
- Development Services
- St. George Airport
- St. George Golf Courses
- Administration & Support

Quick Facts

14 Departmental budgets and over 50 divisional budgets

633.5 Full-Time Employees (73% of total city workforce)

Sales tax is by far the largest funding source for the General Fund, paying for 33% of the total budget.

Property tax is the 4th largest funding source for the General Fund, paying for 11% of the total budget. The Majority of property tax received goes to pay for Public Safety services.

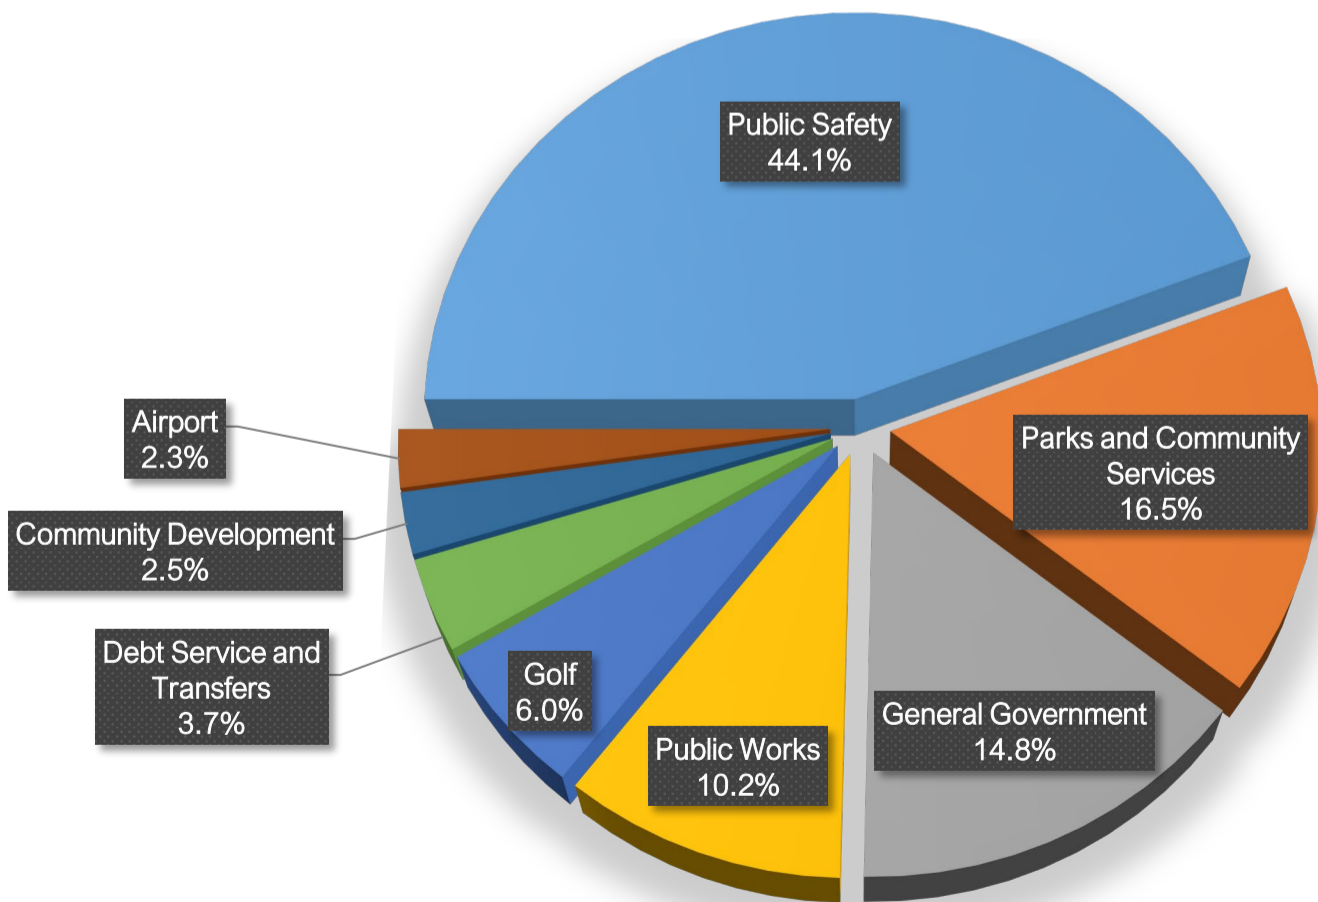

FY 2024-25 Budget
General Fund Overview

Revenue

Expenses

FY 2024-25 Budget
 General Fund Highlights - Top 3 Council Priorities

Public Safety Investments

Police & Dispatch

- (9) New full-time positions
- (1) New full-time support position (IT Public Safety Technician)
- Employee compensation increases
- (22) replacement vehicles
- (9) new vehicles
- Continued investment in new equipment

Fire

- Employee compensation increases
- Replacement fire apparatus (year 2 payment)
- Self contained breathing apparatus replacement program
- Personnel protective gear replacement
- Thermal image camera replacements

Public Infrastructure and Transportation Investments

Public Works

- Continued funding levels for Pavement Management and Hazardous Sidewalk Programs

Core Municipal Services Investments

Public Works

- (2) new full-time positions
- Employee compensation increases
- VacCon replacement
- Mechanical sweeper replacement
- New trackhoe with fecon head
- Asphalt roller replacement
- (2) work vehicle replacements

Airport

- (1) new full-time position
- Employee compensation increases

FY 2024-25 Budget
General Fund - Property Tax Overview

Total Property Tax Levy

The city receives only 11.5% of the property taxes you pay each year. The majority goes to other taxing entities

The average primary homeowner pays \$215.48 per year in property taxes for city services.

The majority of the property tax dollars that go to the city are used to pay for public safety services.

Historical Property Tax Rate - 10 Years

Fiscal Year	Property Tax Rate	% Change
2016	0.001599	
2017	0.001513	-5.4%
2018	0.001432	-5.4%
2019	0.001328	-7.3%
2020	0.001207	-9.1%
2021	0.001163	-3.6%
2022	0.001020	-12.3%
2023	0.000789	-22.6%
2024	0.000770	-2.4%
*2025	0.000770	0.0%

*The Certified Tax Rate will be finalized by the Utah Tax Commission and Washington County early June.

FY 2024-25 Budget
General Fund - Sales Tax Overview

Total Sales Tax Levy

The Total Sales Tax Rate in St. George is 6.75%. The City receives only 15% of the total collection to provide General Fund Services.

Sales tax is by far the largest source of funding for General Fund Services. In the FY 2025 budget 33% of General Fund expenses are paid for by sales tax.

Approximately 29% of the sales tax collected in St. George comes from tourism activity.

Historical Sales Tax Collections - 10 Years

Fiscal Year	General Fund Collection	% Change
2016	17,665,339	
2017	19,268,824	9.1%
2018	21,067,521	9.3%

FY 2024-25 Budget
 General Fund - General Government - Mayor & City Council

Department Overview

The City of St. George operates under a Six-Member Council form of government, of which one member is the Mayor. The Mayor and Councilmembers are elected at large to serve four-year staggered terms. The Mayor serves as the chairperson of the Council and presides at all council meetings. The Mayor and City Council are the legislative and governing body of the city and have the duty to exercise and discharge all of the rights, powers, privileges and authority conferred upon them by State law and other laws of the city. The City Council convenes on the 1st and 3rd Thursday of every month whereby they review and vote on the passage of all ordinances, resolutions, and other City business for the betterment of the community.

Department's Responsibilities

- | | |
|---|--|
| 1. Provide executive leadership. | 5. Enact law. |
| 2. Vision, guidance, strategy, and long-range planning. | 6. Intergovernmental relations and representation. |
| 3. Policy setting. | 7. Community engagement and citizen relations. |
| 4. Adoption of the city budget. | 8. Economic development business engagement. |

Council Goals

- | | | |
|--|---|--|
| <input checked="" type="checkbox"/> Be Great at the Basics | <input checked="" type="checkbox"/> Deliver Exceptional Experiences | <input checked="" type="checkbox"/> Support & Sustain a Strong Economy |
| <input checked="" type="checkbox"/> Encourage Community & Connection | <input checked="" type="checkbox"/> Maintain Financial Strength | <input checked="" type="checkbox"/> Sustain Organizational Excellence |

Council Priorities

				
COMMUNITY SAFETY AND SECURITY. CONTINUE THE PUBLIC SAFETY PLAN.	MAINTAIN AND IMPROVE BASIC CORE MUNICIPAL SERVICES.	PRESERVE AND IMPROVE PUBLIC INFRASTRUCTURE AND TRANSPORTATION. IMPROVING TRAFFIC FLOW AND MOBILITY.	STRENGTHEN COMMUNICATION WITH CITIZENS, BUSINESSES & STAKEHOLDERS. FINISH THE WEBSITE, SHARE GOOD NEWS, EDUCATE.	
				
FINANCIAL STABILITY AND RESILIENCY	MAINTAIN THE INTEGRITY OF EXISTING NEIGHBORHOODS. FINISH THE GENERAL PLAN.	MAINTAIN A HIGHLY QUALIFIED WORKFORCE	PRESERVE AND EXPAND EXISTING BUSINESSES AND ATTRACT NEW BUSINESSES.	DEVELOP AND IMPROVE THE CITY'S RECREATION TRAILS AND OPPORTUNITIES.

FY 2024-25 Budget
General Fund - General Government - Mayor & City Council

Top Three Accomplishments During FY 2024

Voters overwhelmingly passed the 25 year, \$29 million Trails, Parks and Recreation General Obligation Bond that the City Council put on the November 2023 ballot. The G.O. Bond will help fund a wide variety of trail additions and improvements, facility upgrades such as the expansion of the Dixie Sunbowl and much-needed replacement of playground equipment at our City Parks.

In FY 2024 the City broke ground on several major new city facilities including the relocation of Fire Stations 1 and construction of the new Fire Station 10, as well as construction of the new City Hall at Town Square and parking structure. These public buildings are the result of years of saving in our general fund toward capital projects and will serve our growing community far into the future.

The City Council approved an amendment to the Tech Ridge CDA Plan and Budget, paving the way for the development of Tech Ridge at the site of the old airport. This development will bring thousands of new high paying jobs to the community, diversify the local economy through growth of the tech sector, and provide for a significant positive economic impact for the community.

FY 2024-25 Budget
General Fund - General Government - City Manager

Department Overview

The City Manager's Office is the principal liaison between the City Council, city departments, and our citizens which includes conducting City Council meetings; recommending adoption of measures and ordinances; and directing their enforcement. The City Manager's Office is responsible for the executive leadership, direction, oversight, and overall management of the organization. The City Manager's Office also works with intergovernmental partners to prudently and resourcefully preserve and deliver services to our community. We are stewards of municipal records by maintaining, protecting, and providing a transparent and historical accounting of City business. The City Manager's Office also provides information to residents about current City services, programs, and events.

Department's Responsibilities

- | | |
|--|--|
| <ul style="list-style-type: none"> 1. Provide leadership and management. 2. Recommends and implements policies. 3. Provides strategy, guidance, and philosophy. 4. Provides oversight and long-range planning. | <ul style="list-style-type: none"> 5. Liaison between the City Council and City Depts. 6. Maintains, protects, and reports municipal records. 7. Public information and citizen relations. 8. Intergovernmental relations and affairs. |
|--|--|

Council Goals We Achieve

<input checked="" type="checkbox"/>	Be Great at the Basics	<input checked="" type="checkbox"/>	Deliver Exceptional Experiences	<input checked="" type="checkbox"/>	Support & Sustain a Strong Economy
<input checked="" type="checkbox"/>	Encourage Community & Connection	<input checked="" type="checkbox"/>	Maintain Financial Strength	<input checked="" type="checkbox"/>	Sustain Organizational Excellence

Department's Top Three Goals

<p>As an organization and workforce, we will strive for continual improvement in our practices and core values to respond to the dynamic complexity of our organization and community.</p>	<p>Protect, maintain, and improve basic core municipal services to our citizens through financial stability and resiliency where we strive to balance taxpayer dollars, user fees, and other financial resources with the costs of investing in, and preserving the community's priorities.</p>	<p>Strengthen communication and improve citizens' and businesses' awareness and understanding of the city, its programs and its services, using a broad range of communication tools; and also encourage citizen involvement in community events.</p>
--	---	---

FY 2024-25 Budget
General Fund - General Government - City Manager

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Maintain a Fund Balance Reserve in the General Fund of at least 20% of the Next Fiscal Year's Budgeted Revenue Amount.	25.00%	28.000%	25.00%
Maintain high quality bond ratings for the City, especially with G.O. Bonds and Sales Tax Revenue Bonds.	S&P AA - G.O. AA - Sales Tax	S&P AA+ - G.O. AAA - Sales Tax	S&P AAA

Top Three Accomplishments During FY 2024

Recruitment and recommendation to appoint multiple key leadership positions during FY 2024 including the City Attorney, Energy Director, Human Resources Director, Economic Development Director, and Community Development Director.	Completion of major city initiatives including the 2023 Trails, Parks and Recreation G.O. Bond, amendment of the Tech Ridge CDA, the 2024 Council Goals Retreat, and implementation of the Managed Competition program.	Receipt of AA+ bond rating for the 2023 Trails, Parks and Recreation General Obligation Bond and upgrade to AAA for the City Hall Sales Tax Revenue Bond. These are the two highest bond ratings an agency can receive and are the highest bond ratings in the city's history. The receipt of these ratings is a major achievement for the city and is a testament to the strong financial position of the city due to the practices and decisions made by current and past city leadership and staff. These ratings will save tax payers significant interest expense on the issuance of debt.

FY 2024-25 Budget
General Fund - General Government - Elections

Department Overview

The City's six-member Mayor and Council are selected through a municipal election process conducted every two years. The Mayor and two Council members are elected in one municipal election for a four-year term. The remaining three Council members are elected in the alternating municipal election and also serve a four-year term. The City Recorder is responsible for supervising all municipal elections and compliance with state law requirements. Special elections may also occur for the citizens' approval to issue general obligation debt or to approve other taxes. The City utilizes the vote-by-mail system and division expenses generally include voting supplies and contracted services for voting judges.

FY 2024-25 Budget
 General Fund - General Government - Budget & Financial Planning

Department Overview

The Budget Office is responsible for the preparation, development, and monitoring of the City's annual budget. The department strives to promote fiscal responsibility within the city by providing guidance in planning, analyzing, administering and monitoring the City's budget. We strive to provide exceptional support to the City Departments, City Manager's Office, and City Council by providing accurate and timely reporting, analysis, and research to assist in management decision making.

Department's Responsibilities

1. Development of the Annual Budget.	5. Managed Competition Program.
2. Budget monitoring and compliance.	6. Support to the city's RDA Districts.
3. Financial analysis and support.	7. Special projects and research.
4. Financial reporting.	

Council Goals We Achieve

<input checked="" type="checkbox"/> Be Great at the Basics	<input checked="" type="checkbox"/> Deliver Exceptional Experiences	<input checked="" type="checkbox"/> Support & Sustain a Strong Economy
<input checked="" type="checkbox"/> Encourage Community & Connection	<input checked="" type="checkbox"/> Maintain Financial Strength	<input checked="" type="checkbox"/> Sustain Organizational Excellence

Department's Top Three Goals

<p>To effectively and efficiently develop the city's annual budget in a timely and accurate manner that adheres to all local and state requirements, meets best practices, ensures a sound financial position for the city and follows the direction provided by the City Manager and City Council.</p>	<p>To proactively and effectively monitor and prepare for impacts to the annual budget by staying abreast of changes in the economy, legislation, and internal needs to ensure key decision makers have the most current information, forecasts, and analysis.</p>	<p>To provide effective financial analysis and support to the city's departments to help ensure financially sound decisions that benefit the city and community.</p>
---	--	--

FY 2024-25 Budget
General Fund - General Government - Budget & Financial Planning

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Maintain a Fund Balance Reserve in the General Fund of at least 20% of the Next Fiscal Year's Budgeted Revenue Amount.	25.00%	28.000%	25.00%
Maintain high quality bond ratings for the City, especially with G.O. Bonds and Sales Tax Revenue Bonds.	S&P AA - G.O. AA - Sales Tax	S&P AA+ - G.O. AAA - Sales Tax	S&P AAA
Percent of GFOA Distinguished Budget Award criteria rated as proficient or outstanding.	96%	96%	100%

Top Three Accomplishments During FY 2024

Completion of major city initiatives including the 2023 Trails, Parks and Recreation G.O. Bond, amendment of the Tech Ridge CDA, the 2024 Council Goals Retreat, and implementation of the Managed Competition program.

Receipt of AA+ bond rating for the 2023 Trails, Parks and Recreation General Obligation Bond and upgrade to AAA for the City Hall Sales Tax Revenue Bond. These are the two highest bond ratings an agency can receive and are the highest bond ratings in the city's history. The receipt of these ratings is a major achievement for the city and is a testament to the strong financial position of the city due to the practices and decisions made by current and past city leadership and staff. These ratings will save tax payers significant interest expense on the issuance of debt.

Improvement of outreach, education and communication efforts on the city's budget and finances including the implementation of the Budget in Brief, holding the city's first ever Budget Town Hall meeting, the second year of the budget highlights video, and additional outreach efforts through the city website and social media.

FY 2024-25 Budget
 General Fund - General Government - Administrative Services

Department Overview

Administrative Services assists other city departments with their financial management and reports, procurement, and recordkeeping responsibilities. The department is responsible for preparing the Annual Comprehensive Financial Report; maintenance of the city's general ledger; the collection, deposit, investment, and disbursement of all city funds; Accounts Payable; and also includes Utility Billing, Customer Service, and Collections personnel who prepare, mail, and collect approximately 44,700 billings each month. We are also responsible for the City Hall's Receptionist Center.

Department's Responsibilities

- | | |
|---|--|
| <ul style="list-style-type: none"> 1. Finance recordkeeping. 2. Finance reporting. 3. Investment of city funds. 4. Procurement and payment of goods and services. | <ul style="list-style-type: none"> 5. Billing and collections of Accounts Receivables. 6. Billing and collections of Utility Services. 7. Customer service on utility services. 8. City wide deposit processing. |
|---|--|

Council Goals We Achieve

<input checked="" type="checkbox"/>	Be Great at the Basics	<input checked="" type="checkbox"/>	Deliver Exceptional Experiences	<input checked="" type="checkbox"/>	Support & Sustain a Strong Economy
<input type="checkbox"/>	Encourage Community & Connection	<input checked="" type="checkbox"/>	Maintain Financial Strength	<input type="checkbox"/>	Sustain Organizational Excellence

Department's Top Three Goals

To implement governmental accounting standards that yield information that users need to assist them in making decisions about the city's government in a way that improves the quality of life for our employees, our citizens, and those that visit our community and do this at a high level of integrity and trust.	To serve the Enterprise Utility services in ensuring essential utility services are delivered accurately and timely manner to our customers.	Employee development and training to improve their knowledge and skills to better serve the city and its citizens in the duties of their position and look for ways to improve efficiencies and process.

FY 2024-25 Budget
General Fund - General Government - Administrative Services

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Number of accounts per Utility Billing staffing member.	2,890	2,962	3,043
Maintain high quality bond ratings for the City, especially with G.O. Bonds and Sales Tax Revenue Bonds.	S&P AA - G.O. AA - Sales Tax	S&P AA+ - G.O. AAA - Sales Tax	S&P AAA

Top Three Accomplishments During FY 2024

Restructure Equal Pay (Budget Billing Payment Plan) to a rolling 12-month average plan to help customers not have such a large swing in their utility bills on an annual basis.

Moved all four billing cycles into the same month to help with Federal and State reporting requirements and to provide more accurate monthly data for Water and Energy Departments to help with their efforts in forecasting and planning for the future. This will also benefit as rates get implemented, so they can start on the date they are requested, which generally is the beginning of the month.

Moved Accounts Payable and Purchasing Division's to a paperless process system that has helped other departments that may have workers working remotely and to make the submittal of invoices and purchase orders smoother and quicker for the whole City allow all of us to be more efficient in how we process payments.

FY 2024-25 Budget
General Fund - General Government - Motor Pool

Department Overview

The Motor Pool is an internal service division within the Administrative Services Dept. created in January 2020 to efficiently provide transportation options to City departments that have minimal and intermittent transportation needs. This division helps minimize new vehicle costs for individual departments by having motor pool vehicles available for use by multiple departments and their employees to use for a variety of purposes, such as traveling to training, traveling to meetings, etc. Departments are charged a per diem for use of the vehicles which is intended to offset the operating costs for the vehicles.

FY 2024-25 Budget
General Fund - General Government - Legal Services

Department Overview

The mission of the St. George City Attorney's Office is to provide quality legal services to the City's elected officials and staff, and to do justice by holding criminal offenders responsible for their crimes and protect the interest of victims. Legal Services also provides risk management services for the City, including the adjusting of liability claims, worker's compensation claims, and safety training. Legal Services also handles the worker's compensation insurance and all property and casualty insurance program

Department's Responsibilities

1. Criminal prosecution of misdemeanor crimes.	5. Review plats.
2. Draft & review contracts, ordinances & resolutions.	6. Defendant litigation against City
3. Negotiate settlements & disputes.	7. Attend all official city meetings.
4. Review GRAMA requests.	8. Advise City Council and city staff on legal matters.

Council Goals We Achieve

<input checked="" type="checkbox"/> Be Great at the Basics	<input type="checkbox"/> Deliver Exceptional Experiences	<input type="checkbox"/> Support & Sustain a Strong Economy
<input checked="" type="checkbox"/> Encourage Community & Connection	<input checked="" type="checkbox"/> Maintain Financial Strength	<input checked="" type="checkbox"/> Sustain Organizational Excellence

Department's Top Three Goals

Workload Assessment & Cross Training.	Full staffing in all positions to improve legal services.	Implement case management system and improve systemic document processing.
---------------------------------------	---	--

FY 2024-25 Budget
 General Fund - General Government - Legal Services

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
# Contracts reviewed by Legal	843	900	750
% of Contracts and agreements processed through ONBASE (of digitally signed agreements)	82%	90%	100%
# Criminal cases prosecuted	5,729	5,500	5,000

Top Three Accomplishments During FY 2024

Litigation: City's denial of a business license because the City Code prohibited tobacco shops was upheld by the Utah Court of Appeals; federal court dismissed individual city council members and city staff defendants from a civil rights lawsuit against the City.

Deputy City Attorney defended the City against an EEOC claim that otherwise would have been sent to outside legal counsel thus saving the City a substantial sum of money due to her experience and expertise in this area of the law.

Land Use: Successfully worked with Community Development to complete a comprehensive update to subdivision regulations per Utah State Legislative directive; assisted in acquiring open space around Banded Hills, and 3000 East expansion project; City Hall and parking garage construction projects continue to move forward with no delays from Legal.

FY 2024-25 Budget
 General Fund - General Government - Operations

Department Overview

The Operations Department's focus is to ensure those who work for the City of St. George have properly maintained equipment to perform their jobs with excellence in a safe and comfortable environment for the benefit of the public common good.

Department's Responsibilities

1. Acquire, maintain, leverage and dispose of City equipment and vehicles.
2. Plan for, construct and maintain City facilities and assets.
3. Develop systems, networks, databases, storage and security to facilitate the City's mission of advancing a thriving community.

Council Goals We Achieve

|--|---|--|
| <input checked="" type="checkbox"/> Be Great at the Basics | <input checked="" type="checkbox"/> Deliver Exceptional Experiences | <input checked="" type="checkbox"/> Support & Sustain a Strong Economy |
| <input type="checkbox"/> Encourage Community & Connection | <input checked="" type="checkbox"/> Maintain Financial Strength | <input checked="" type="checkbox"/> Sustain Organizational Excellence |

Department's Top Three Goals

<p>Keep our staff knowledge base current by providing necessary training on the latest technology advances in Fleet, Facilities and Technology.</p>	<p>Proactively provide a safe and optimal workspace for employees and enhance the overall experience of our colleagues and the public.</p>	<p>Protect and maintain City assets for the long-term functionality and sustainability of our community.</p>
---	--	--

FY 2024-25 Budget
General Fund - General Government - Operations

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Technology: digitized forms and processes in Onbase	90	131	157
Fleet: 24-hour work order turn around	60	45	65
Facilities: Annual deep clean of buildings	10	10	14

Top Three Accomplishments During FY 2024

1. ASE Blue Seal Certified - The Fleet Division once again certified as an ASE Blue Seal Certified Shop (17 years). Only 10% of fleets in the USA hold this certification. We are 1 of 3 City/Counties in the State of Utah to achieve this certification. Of all the shops in the State of Utah we are 1 of 7 shops to achieve this certification.

2. Improved Digital Security: We have used multiple vendors to test our environment for vulnerabilities, misconfigurations, and nonmitigated risks, allowing us to not only identify shortcomings but give us tools to patch and mitigate our security risks. We performed purple-team exercises to test our ability to detect infiltration. We have also started mandatory security awareness training, addressing the weakest link in every organization: our users.

3. We have begun construction on three significant public facilities: Fire Station #10, Fire Station #1 (headquarters) and City Hall at Town Square (including parking garage and civic plaza).

General Fund - General Government - Facility Services

Department Overview

Facility Services is a division of the Operations Department. The mission of Facility Services is to provide the maintenance, custodial, construction management services, and facility operations in a cost-effective, customer-oriented manner to protect the capital investment made by the residents of the City of St. George. The service performed is designed to keep the City facilities safe, clean, attractive, comfortable, and available for public use. Own it, Act on it and Answer for it.

FY 2024-25 Budget
General Fund - Public Safety - Police

Department Overview

The mission of the St. George Police Department is to work with the citizens of St. George to preserve life, maintain human rights, protect property, and promote individual responsibility and community commitment. We are committed to providing professional and innovative police services. Our goal is to make St. George a safe and enjoyable city to live, work, and visit for everyone.

Department's Responsibilities

- | | |
|---|---|
| <ul style="list-style-type: none"> 1. Respond to calls for police service. 2. Provide 911 and dispatch service. 3. Build trust and relationships with the community. 4. Encourage traffic law compliance. | <ul style="list-style-type: none"> 5. Investigate crime and hold perpetrators accountable. 6. Partner with all city departments. 7. Develop trained units for specialized response. 8. Set standards based on best practices. |
|---|---|

Council Goals We Achieve

<input checked="" type="checkbox"/> Be Great at the Basics	<input checked="" type="checkbox"/> Deliver Exceptional Experiences	<input type="checkbox"/> Support & Sustain a Strong Economy
<input checked="" type="checkbox"/> Encourage Community & Connection	<input type="checkbox"/> Maintain Financial Strength	<input checked="" type="checkbox"/> Sustain Organizational Excellence

Department's Top Three Goals

<p>Provide a safe city for all who are present. We will provide an appropriate avenue for crimes to be reported, respond to calls that require police assistance, and proactively engage in problem solving and community policing.</p>	<p>Provide safe roadways and highways for those traveling within the city by any mode of transportation.</p>	<p>Appropriately dispatch all calls for service that come into our communications center. This center provides police, fire, and medical dispatching as well as all 911 calls for the majority of Washington County.</p>

FY 2024-25 Budget
General Fund - Public Safety - Police

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Reduce respond time to in-progress calls	8 mins 27 secs	7 mins 55 secs	5 mins
Reduce crashes by 10% (annual crash totals)	2,428	2,300	2,185
Answer all 911 calls within 10 seconds (NENA standard)	99.53%	99.370%	100.00%

Top Three Accomplishments During FY 2024

School safety and relations: Purchased additional equipment that was installed in school resource officers' offices that will be helpful in the event of an active shooter event. School resource officers implemented a summer program where they would interact with students to build relationships and trust to help them in their transition from one school to the next.

Police training: Over the past several years, we have made training our officers a priority. We have grown in size to a point that we implemented a full-time training unit. The benefit of this is it will keep other officers freed up to work in their primary assignments.

Staffing: Two years ago, we proposed a 5-year staffing estimate. We have made significant progress in increasing our police department staffing to meet the needs of our city. Currently, we are having a patrol staffing analysis conducted to help us better understand what our needs may be as we look toward the future.

FY 2024-25 Budget
General Fund - Public Safety - Dispatch

Department Overview

The 911 Communications Center is the dispatch center for every police, fire, and ambulance agency in Washington County as well as being the 911 center for the public. Thousands of 911 calls are received as well as many more non-emergency calls which are disseminated from the Communications Center to the appropriate agency. Dispatch personnel are Emergency Medical Dispatch (EMD) certified and attend prescribed training programs to maintain their national and state certifications. The 911 Communications Center is funded both by a 911 surcharge assessed against phone users and also funded by other municipal and emergency agencies who use the Center's services.

FY 2024-25 Budget
General Fund - Public Safety - HIDTA Grant

Department Overview

The City Police Department operates a multi-jurisdictional Drug and Gang Task Force comprised of Officers from St. George, Washington County Sheriff's Office, Hurricane, Washington City, and the Utah Highway Patrol. The Task Force's primary activities include surveillance, serving search warrants, seizing and halting production of controlled substances and documenting known gang members and suppressing their activities. With the exception of salaries, funding is provided by three federal and state grants: the High Intensity Drug Traffic Area (HIDTA) grant; and both the Byrne Memorial Justice Assistance Grant and the State Asset Forfeiture Grant through the Commission of Criminal and Juvenile Justice (CCJJ).

FY 2024-25 Budget
General Fund - Public Safety - Fire

Department Overview

The Fire Department provides emergency response services including fire, rescue, EMS/medical, extrication along with Hazardous Materials and specialized rescue. The department also provides fire prevention, code enforcement/inspection and plan reviews along with fire investigations and emergency management for the City. The department has over one hundred full-time, part-time, and reserve staff responding from seven (7) fire stations throughout the city. The department has mutual aid agreements with all cities, fire departments and/or districts located in Washington County and is a member of the five county Southwest Regional Response Team which provides hazardous-materials response to the five-county area.

Department's Responsibilities

- | | |
|--|--|
| 1. Provide fire suppression, medical services, and other service calls (lifts assists, smoke detectors, etc.). | 5. Maintain positive working relationships partners. |
| 2. Fire inspections to business for fire safety. | 6. Comply with the National Fire Protection Agency Standards. |
| 3. Provide site and building plan reviews. | 7. Stay current with the insurance Rating Services (ISO) rating. |
| 4. Provide the community with station tours and safety talks. | 8. Maintain and provide training opportunities to stay current on new studies and tactics. |

Council Goals We Achieve

General Fund - Public Safety - Fire

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Response Time	8:20	8:11	4-6 Minutes
Inspections / Plan reviews	2,000	2,500	2,600
Training Hours	9,168	9,500	10,000

Top Three Accomplishments During FY 2024

Design two new Fire Station - Fire Station 10 in Desert Canyons and Fire Station 1 (the relocation of the current Fire Station 1). Also, work with building services and get bids to start the construction for the two fire stations.

Purchase of needed equipment that will be or is currently outdated. Purchasing replacement of SCBA's and P25 compliant radios.

Purchase two new engine pumpers.

FY 2024-25 Budget
General Fund - Airport

Department Overview

The St. George Regional Airport (SGU) is a thriving aviation gateway to St. George, Southwestern Utah, and greater Zion. We offer a safe, reliable and friendly aviation environment that supports the economic development of the region. SGU offers aviation solutions, service excellence, and works in partnership with our customers to maintain a safe and efficient place to do business. We are dedicated to the highest standards of safety, ethics and integrity. SGU strives to be an innovator to create global access and world class customer service.

Department's Responsibilities

- | | |
|--|--|
| 1. Maintain positive working relationships with customers. | 5. Maintain terminal maintenance. |
| 2. Maintain compliance with best practices. | 6. Maintain public safety. |
| 3. Maintain airport aesthetics. | 7. Maintain 1,205 acres of operational airport property. |
| 4. Maintain customer parking systems. | 8. Drive economic prosperity as an aviation gateway. |

Council Goals We Achieve

<input checked="" type="checkbox"/> Be Great at the Basics	<input checked="" type="checkbox"/> Deliver Exceptional Experiences	<input checked="" type="checkbox"/> Support & Sustain a Strong Economy
<input checked="" type="checkbox"/> Encourage Community & Connection	<input checked="" type="checkbox"/> Maintain Financial Strength	<input checked="" type="checkbox"/> Sustain Organizational Excellence

Department's Top Three Goals

Have an accident free year (airport staff) by continued safety and awareness training.	Have a correction-free Part 139 inspection.	Strive to give our customers a friendly and efficient experience at SGU.

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Accident Free Year (Airport Staff)	0 / 0	0 / 0	0 / 0
Part 139 Inspection Corrections	0 / 2	0 / 0	0 / 0

Top Three Accomplishments During FY 2024

The St George Regional Airport was able to complete the DHS Hangar and have the Utah State Helicopter start operating out of the newly renovated hangar. This has brought positive attention to the area and has been an invaluable asset to the search and rescue and public safety organizations in Southern Utah.

The St George Regional Airport had an accident free year in 2022. We accomplished this by continuous safety and awareness training of our personnel and ARFF first responders.

The South Taxiway and Apron project was completed in 2022 and will be a great addition to our general aviation partners. It has also increased the large corporate aircraft parking area by 40%.

Department Overview

The St. George Municipal Airport is the regional aviation gateway to St. George and Southwestern Utah. The airport includes a terminal and has 9,300 foot runway with two parallel taxiways which can accommodate regional jet aircraft, 737's and Airbus 319's. The airport offers a full array of general aviation services, including hangers, aircraft tie downs, and fueling services. The Airport division's responsibilities include daily airport operations and maintenance, management for facility improvements, administration of revenue and grant resources, and other general responsibilities.

FY 2024-25 Budget
General Fund - Public Works

Department Overview

The Public Works Department will enhance the quality of life in St. George through excellence in professional services and efficient management of infrastructure for the public and the city organization.

Department's Responsibilities

- | | |
|--|--|
| 1. Engineering review of development projects. | 5. Maintenance of city streets. |
| 2. Design and review of city roadways and drainage. | 6. Maintenance of city drainage network |
| 3. Oversight of major city public infrastructure projects. | 7. Floodplain management of city watersheds. |
| 4. Maintenance of traffic signals. | 8. Public transit service. |

Council Goals We Achieve

<input checked="" type="checkbox"/> Be Great at the Basics	<input checked="" type="checkbox"/> Deliver Exceptional Experiences	<input type="checkbox"/> Support & Sustain a Strong Economy
<input type="checkbox"/> Encourage Community & Connection	<input checked="" type="checkbox"/> Maintain Financial Strength	<input type="checkbox"/> Sustain Organizational Excellence

Department's Top Three Goals

Increase and/or maintain the capacity of the City's storm drain system by utilizing the existing system more efficiently.	Maintain a high standard of living by keeping roadways cleaned and swept.	Maintain a high standard of living by keeping gutters cleaned and vacuumed.
---	---	---

FY 2024-25 Budget
General Fund - Public Works

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Storm drain pipe cleaning (LF/1,000 population)	142.00	285.00	200.00
Roadway sweeping per lane miles (miles/1,000 population)	76.30	73.30	80.00
Gutter cleaning (miles/1,000 population)	0.53	1.95	0.80

Top Three Accomplishments During FY 2024

The 3000 E corridor widening and improvements is a very significant and major project. It is divided into several phases due to the size and cost in order to tackle the construction and budget. The project construction was commenced in FY22. Some significant construction occurred in FY23 and is continuing into FY24, specifically in Phase 4 (1580 S to 2000 N) of the project. Phase 4 will be completed in FY24, and Phases 5 and 6 are scheduled to be commenced in FY24 and completed in the beginning of FY25.

The 1450 South (aka George Washington Blvd) corridor project has been going on for multiple years. The realignment near 3000 E was completed in FY23, and Washington City has been building their connection to SR-7 on the east end. The phases between River Rd and Crosby (bridge and roadway) was commenced the design and environmental phases in FY23. Construction on the bridge is scheduled to commence in early FY25 and completed in FY26. The environmental for the roadway is scheduled to be completed in FY24.

Certain corridors within the City become significant, heavily-used roadways as growth occurs. River Rd and Dixie Dr are two such roadways. Due to a combination of heavy traffic and high storm precipitation (specifically during the Jan/Feb months of 2023), these roadways started seeing some major pavement failures. A reconstruction project was identified, and repairs on the roadway asphalt section was completed in portions of these roads where the damage was the worst.

FY 2024-25 Budget
General Fund - Public Works - Public Works Administration

Department Overview

Public Works Administration is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination of Streets, Engineering, Drainage Control, and Transit. Their goal is to enhance the quality of life in St. George through excellence in professionalism, services, and effective management of the infrastructure for the public and city organization. Their vision statement is: "We will meet community needs by being helpful, competent and worthy of trust. We will foster cooperation and teamwork with every employee empowered to work as a member of the team to improve the way we provide our services."

FY 2024-25 Budget
General Fund - Golf

Service Area Overview

The City owns and operates four municipal golf courses. The city opened the first golf course (Dixie Red Hills) in 1965. Today the city owns four courses which includes Dixie Red Hills, Sunbrook, St. George Golf Club, and Southgate. Combined, the golf courses have 72 challenging holes and are open year-round due to the accommodating climate. The golf courses are a major attraction for visitors and are a significant contributor to the City's economy and sales tax base. The golf courses also provides a number of beneficial programs and charity events including the Junior Association of Golfers (JAG), PGA Hope, Vets on Course, First Tee Utah, Youth on Course, and on average 16 charity events annually raising significant funding for local organizations that benefit the community.

Council Goals We Achieve

<input type="checkbox"/> Be Great at the Basics	<input checked="" type="checkbox"/> Deliver Exceptional Experiences	<input type="checkbox"/> Support & Sustain a Strong Economy
<input checked="" type="checkbox"/> Encourage Community & Connection	<input type="checkbox"/> Maintain Financial Strength	<input checked="" type="checkbox"/> Sustain Organizational Excellence

Department's Top Three Goals

Continue to reduce water use on golf courses.	Excellent golf course conditions.	Provide exceptional customer service to all golfers.
---	-----------------------------------	--

FY 2024-25 Budget
General Fund - Golf

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Continued revenue growth.	\$6.75 Million	\$7.2 Million	\$7.09 Million
JAG (junior golf association) participation	730 Participants	840 Participants	860 Participants
Rounds of golf played (9-hole round increments)	282,000	284,000	286,000

Top Three Accomplishments During FY 2024

Increased JAG (Junior Association of Golfers) participation by 110 golfers from previous year. All tournaments and instruction clinics filled to capacity.

Increased revenues through additional play and through increased green fees and cart fees by requiring credit card required at time of booking, making golfers more accountable to their respective tee times.

Continued with water conservation methods through additional landscape areas where turf can be eliminated. These areas include, but are not limited to: Hole #1 at St. George Golf Club, Sunbrook parking lot, The Pointe Hole #3 landscape around tee boxes, and bermuda grasses added fairways on Black Rock at Sunbrook.

FY 2024-25 Budget
General Fund - Red Hills Golf Course

Department Overview

Dixie Red Hills was the first golf course developed by the City of St. George. Red Hills opened for play in 1965 and was the first course built in the St. George area. Because of its spectacular red rock setting and playability, it has been the favorite of recreational golfers ever since. Red Hills is a 9-hole par-34 layout that meanders around the sandstone cliffs of "Utah's Dixie." This golfer-friendly course also features hundreds of mature Cottonwoods, Mondale Pines, Mesquite, and other trees that provide ample shade during St. George's warmer months. Each hole is quite distinct and will leave a lasting memory in the minds of golfers.

FY 2024-25 Budget
General Fund - Southgate Golf Course

Department Overview

Southgate Golf Course is an 18-hole course and is a favorite among retired players because of its laid-back feel. Southgate Golf Club opened in 1975 and was purchased by St. George City from Southgate Resort when the development failed. The front side is relatively flat and crisscrosses the Santa Clara river. The back nine at Southgate traverse along Tonaquint Mountain and provides awe-inspiring views of the St. George area. Beginning with Fiscal Year 2011-12, the Southgate Training Center's budget has been combined with the Southgate Golf Course's budget.

FY 2024-25 Budget
General Fund - St. George Golf Course

Department Overview

St. George Golf Club is an 18-hole golf course and is the hidden gem of southwestern Utah golf. The St. George Golf Club opened in 1976 by a private developer and was later given to the city due to bankruptcy of the private developer. Prior to its operation by St. George City, this course was called Bloomington Hills. During those years, it struggled to mature. Over the past several years, St. George Golf Club has become one of the outstanding golf courses in Utah. The appeal of St. George Golf Club is its beautiful terrain bordering the Ft. Pierce Wash.

FY 2024-25 Budget
General Fund - Sunbrook Golf Course

Department Overview

Sunbrook is an 27-hole course located off of Dixie Drive. Sunbrook Golf Club opened the original 18 holes in 1990 by a private developer. The city later acquired the course after bankruptcy of the private developer. The course is a premier course with scenic views and features championship holes. Sunbrook was rated by Golf Digest as one of the best golf courses in Utah. This rating is a result of a number of elements including scenery, challenge, quality, and service. Sunbrook is the only golf club in southwestern Utah to feature 27 championship holes.

Department Position Overview

Authorized FT

Golf Course Assistant Superintendent	Head Golf Pro	2021	12
Golf Course Maintenance Worker (5)	Assistant Golf Pro	2022	12
Golf Course Maintenance Technician (2)		2023	12
Golf Course Mechanic		2024	12
Golf Course Superintendent		2025	12

Top Three Accomplishments During FY 2024

This was the 47th year of the St George Marathon. We had the most successful Marathon in 2023 to date with 6,558 Registered participants and over 1 million dollars in Revenue. This event is the result many City employees, departments and thousands of volunteers. This years 2024 Art Festival in its 45th year was also the largest event to date with 161 Artists, 50 Food trucks, 3 stages of music including a headliner band and we have partnered with the Desert Scape Film Festival. These two events represent our Race and Art departments and we are proud to host two world class events to showcase our great City.

The City of St. George Parks and Park Planning divisions have opened new facilities in FY 24. This year we have built 9 new pickleball courts at our Little Valley facility. We have also added 3 new artificial fields at the Little Valley Soccer facility. These are now the largest pickleball and artificial complexes in the state. Fossil Falls Community Park opens in FY 24. This is an amazing new community Park on the banks of the Virgin River. We look forward to many new projects in the next fiscal year to serve our growing community.

The past year has been a remarkable journey one of growth, innovation, and community engagement for our city's recreation programs. Our youth sports program experienced a commendable 11% increase in attendance and revenues compared to the previous fiscal year. Our softball tournaments brought together teams from across the Intermountain West , promoting teamwork, sportsmanship, healthy competition and bringing in millions of dollars of economic impact that benefit our community. The Recreation Center saw attendance increasing by an impressive 15% from the previous fiscal year.

General Fund - Parks

Department Overview

The Parks Division is the largest division in Parks & Community Services and is responsible for keeping the parks and other City facilities safe, clean, attractive, and available to the public. Parks maintains over 49 city parks, over 60 miles of trails, 4 splash pads, and over 150 sections of public rights-of-way (road medians and roundabouts); manages the City's greenhouse and tree farms; maintains the landscape for all city facilities; and provides support to the many community events held throughout the year in the City such as the Marathon and Arts Festival. Their mission statement is to provide aesthetic, safe, and functional facilities that support the recreational and visual needs of the community.

FY 2024-25 Budget
General Fund - Parks Design

Department Overview

Parks Design is responsible for the design and project management of new parks, trails, and other open space recreational facilities within the City of St. George. The City has set a goal to have one neighborhood park within a 1/2 mile walking-distance of every household. The City is also constructing a regional trail system and sports field complexes. Design staff are integral in formulating designs and working with the community and developers in achieving these goals.

FY 2024-25 Budget
General Fund - Nature Center

Department Overview

The Tonaquint Nature Center is a recreational facility situated in a natural and undisturbed environment. The facility includes a pond inhabited by many species of fowl and other small wildlife; a trail system, and arboretum. Personnel strive to increase the understanding, appreciation and knowledge of natural resources while promoting environmental responsibility for our actions for the future generations' welfare. This area's main focus is camps and programs for teens and children aimed to meet the needs and wants of the St. George citizens and surrounding communities. This division also accounts for the St. George Carousel and Thunder Junction train.

FY 2024-25 Budget
General Fund - Softball Program

Department Overview

Softball Programs is a program within the Recreation Division. The program coordinator is responsible for the creation, promotion, and management of both softball leagues and softball tournaments at the City's Canyons Complex, Little Valley Fields Complex, and Bloomington Park fields. League events include both a spring and fall league with men, women, and co-ed divisions with a participation of approximately 270 teams. Softball tournaments are held throughout the year with a projection of hosting approximately 15 tournaments, with about 725 teams participating annually.

FY 2024-25 Budget
General Fund - Youth & Adult Sports

Department Overview

The Youth & Adults Sports are programs within the Recreation Division responsible for creating, promoting, and administering youth and adults sports such as soccer, basketball, baseball, softball, and flag football. They provide programs not otherwise provided by local community businesses or volunteer organizations. Its mission is to provide a safe and high quality program for the youth and adults of St. George. The Division works hard to keep costs down and affordable for the majority of citizens. During FY 2023 Adult Sports was shifted from the Pickleball & Tennis division into the Youth Sports division, which was renamed "Youth and Adult Sports".

FY 2024-25 Budget
General Fund - Recreation Administration

Department Overview

The Recreation Administration Division is responsible for the general supervision, administrative support, long-range planning, and short-term project coordination of all City recreation programs and facilities. This includes the Recreation Center, Outdoor Recreation, Adult Sports, Youth Sports, Softball Programs, Tennis and Pickleball, Aquatics and Programs. The Recreation Administration Division manages costs associated with utilities, buildings, vehicles, staff training, new program development and implementation. It is also responsible for division-wide marketing, public relations and community education partnership. In FY 2025 this division will now also account for Outdoor Recreation programming that was moved from the St. George Recreation Center budget.

FY 2024-25 Budget
General Fund - Exhibits and Collections

Department Overview

Exhibits & Collections is a function of the Community Arts Division. Services include the management and procurement of art and artifacts for display at the City's art museum, known as the Pioneer Center for the Arts. The Division's mission is to educate all visitors through quality exhibitions from all periods, cultures, and media, as well as to collect, conserve, inventory, exhibit, and interpret art and artifacts from Utah and the West.

FY 2024-25 Budget
General Fund - Historic Court House

Department Overview

The Pioneer Courthouse on the corner of 100 East and St. George Blvd. was built by the same craftsmen who worked on the St. George Tabernacle. Work on the Courthouse began in 1867 and completed in 1870. The original building was 36 by 40 feet and 3-stories high, and included a jail in the basement. Folklore has it that the cupola was designed to hang criminals, though no hangings ever occurred in the building. The building is currently used as a tourism information center and various civic meetings are also held in the upstairs "Courthouse Chambers."

FY 2024-25 Budget
General Fund - Marathon

Department Overview

The City hosts the annual St. George Marathon administered through the Leisure Services Department. The event is held the first weekend of October and is open to a maximum of approximately 7,000 runners. The St. George Marathon is almost 50-years old and is rated as one of the most scenic and fastest marathons in the USA. It attracts participants from all over the United States and other countries and is also a Boston-marathon qualifier.

General Fund - Electric Theater

Department Overview

The Electric Theater was originally built in 1911. The City purchased the facility in 2013 and restored and remodeled it in 2015. The Electric Theater serves as an anchor facility within the historic downtown arts district to support artists, both performing and visual, and to facilitate a diverse program of quality art education that enriches our community.

FY 2024-25 Budget
General Fund - Cemetery

Department Overview

The Cemetery Division is part of the Parks & Community Services Department and managed by the Cemetery Sexton. The City operates two cemeteries - the Downtown Cemetery and the Tonaquint Cemetery. Responsibilities include sales of burial plots, grounds maintenance, grave digging, and gravesite maintenance. Personnel strive to provide compassionate, courteous, and professional service to bereaved families and to provide a well-maintained environment.

FY 2024-25 Budget
Enterprise Funds

Service Area Overview

Enterprise Funds are used to account for activities that operate similar to a private business (business-type activities) and charge a fee to the users that pays for the service provided. The City's Enterprise Funds are comprised of departments which allow St. George the bare necessities of living and working in this great city. The goal of these Enterprise Funds are to provide quality services to our citizen in a timely, reliable, and affordable manner by maintaining equipment, employing professionals, and managing resources prudently.

FY 2024-25 Budget
Enterprise Funds - Water Department

Department Overview

Our mission is to effectively and efficiently manage and optimize the complete water cycle for the City of St. George. This cycle begins with the source of both drinking and irrigation water, treatment of water to meet regulations, distribution and conservation of the water, collection of the wastewater and treatment so the water can be reused and returned to the beginning of the cycle or to the environment. Our greatest concerns are providing water of high enough quality and quantity to enhance the health, environment, and enjoyment of the community.

Department's Responsibilities

1. Produce and distribute high quality safe drinking water.
2. Effectively and efficiently collect and convey wastewater.
3. Treat wastewater so that it is safe to the environment.
4. Provide irrigation water to customers and city facilities.
5. Develop plans to expand and improve infrastructure.
6. Educate and encourage customers to conserve water.

Council Goals We Achieve

- | | | |
|--|---|---|
| <input checked="" type="checkbox"/> Be Great at the Basics | <input checked="" type="checkbox"/> Deliver Exceptional Experiences | <input type="checkbox"/> Support & Sustain a Strong Economy |
| <input type="checkbox"/> Encourage Community & Connection | <input type="checkbox"/> Maintain Financial Strength | <input checked="" type="checkbox"/> Sustain Organizational Excellence |

Department's Top Three Goals

Provide safe, reliable drinking water, wastewater collections, and wastewater treatment to our customers by effectively and efficiently operating and maintaining our water and sewer infrastructure.	Expand the secondary irrigation and reuse infrastructure, including the reuse source production.	Provide a safe working environment for our field operators by ensuring compliance with all safety procedures and regulations.

FY 2024-25 Budget
Enterprise Funds - Water Department

Department Performance Measures	FY 22/23 Actual	FY 23/24 Estimate	Target / Goal
Water Distribution Infrastructure Condition	2.92 breaks / 100 miles of pipe	2.89 breaks / 100 miles of pipe	< 5 breaks per 100 miles
Wastewater Collections Maintenance Benchmark	158 miles sewer cleaned	150 miles sewer cleaned	200 miles sewer cleaned
Full Time Employee Benchmark- MGD of wastewater processed per employee	0.48 MGD/FTE	0.46	0.50

Top Three Accomplishments During FY 2024

The Water Services Department was able to begin implementation of an Advanced Metering Infrastructure (AMI) project. The projects consists of the replacement of 34,000 Automated Meter Reading (AMR) endpoints with AMI technology, providing near real-time water use data to our customers. The project will take three years to complete, with the anticipation that 10,000 AMI endpoints will be installed by the end of FY24.

The Water Services Department was able to complete the expansion of the St. George Regional Water Reclamation Facility. The expansion project was a two phase project, with construction lasting nearly six years. The plant is now able to treat 25.4 MGD, a substantial increase from its previous capacity of 17 MGD.

A new secondary irrigation storage tank was constructed south of the Desert Hills High School area and replaces an existing smaller irrigation tank.

FY 2024-25 Budget
Enterprise Funds - Water Utility Fund

Department Overview

The Water Utility Fund is to assure an adequate supply of potable water for the citizens of St. George. The fund is responsible for the maintenance of culinary water distribution lines, storage tanks, and secondary water (irrigation) systems. The Department's focus is on Water Rights, Water Quality, Asset Management, System Mapping, and Water Modeling. The Water Utility Fund currently services approximately 32,000 residential and non-residential customers.

FY 2024-25 Budget
Enterprise Funds - Wastewater Collection Fund

Department Overview

The Wastewater Collection Fund is responsible for installing and maintaining all sewer collection lines and connections. Because the division functions very effectively, often the work done goes without notice by the majority of customers

FY 2024-25 Budget
Enterprise Funds - Regional Wastewater Treatment Plant Fund

Department Overview

The Regional Wastewater Treatment Plant treats sewage from St. George, Washington City, Santa Clara, and Ivins. The facility currently processes about 12 million gallons each day. The plant utilizes an oxidation ditch/extended aeration process that uses physical and biological processes to clean the water. The facility has a 97-98% removal of the contaminants in the water.

Department Position Overview

FY 2024-25 Budget
Enterprise Funds - Energy Department

Department Overview

The Energy Services Department is dedicated to ensuring our community has access to an efficient and modern electric system tailored to their needs. We actively engage with our customers to deliver the reliable service they deserve. We are here to address inquiries, resolve issues, and provide valuable advice to enhance their experience.

Department's Responsibilities

1. Provide street lighting.	5. Maintain energy substations and transmission lines.
2. Install underground and overhead electric lines.	6. GIS for electric system.
3. Net metering program (solar).	7. Read water and power meters.
4. Energy generation for the community.	8. Design electric system.

Council Goals We Achieve

<input checked="" type="checkbox"/> Be Great at the Basics	<input type="checkbox"/> Deliver Exceptional Experiences	<input type="checkbox"/> Support & Sustain a Strong Economy
<input checked="" type="checkbox"/> Encourage Community & Connection	<input type="checkbox"/> Maintain Financial Strength	<input checked="" type="checkbox"/> Sustain Organizational Excellence

Department's Top Three Goals

To supply reliable electric service to our community.	To plan for future energy procurement in as environmental friendly way as possible.	To provide affordable electric service to our community.

Enterprise Funds - Electric Utility Fund

Department Overview

Energy Services provides electric power to approximately 31,000 City residential and business meters. This is done through construction and maintenance of an extensive transmission and distribution systems. There are 17 distribution substations, 7 transmission substations, and approximately 900 miles of transmission distribution lines. The Department also owns and operates three generation facilities with a capacity of approximately 100 MW of capacity and is also responsible for the operation and maintenance of the 138 kV system which is shared ownership with Utah Associated Municipal Power Systems (UAMPS).

Department Position Overview

FY 2024-25 Budget
Enterprise Funds - Refuse Collection Fund

Department Overview

The City contracts with Washington County Solid Waste District (WCSWD) to collect and dispose solid waste, and curbside recycling was added in 2016, for residential citizens. WCSWD supplies solid waste containers and schedules pick-up dates. The City bills and collects monthly payments for solid waste services and curbside recycling as part of the utility billings for electric, water, and wastewater and therefore citizens receive only one unified billing which enhances their payment convenience and options for method of payment. A fraction of the monthly fees are kept by the City for their billing services, and the remainder is remitted to WCSWD.

FY 2024-25 Budget
Enterprise Funds - Municipal Building Authority Fund

Department Overview

The St. George Municipal Building Authority (MBA) was created in 1993 and is an enterprise fund used to account for lease purchase bonds issued for construction of various projects throughout the City, that will be owned by this fund and leased to other funds. The other funds make lease payments equal to the debt service on the related bonds. The major project in this fund is the City Hall Parking Structure project.

FY 2024-25 Budget
Enterprise Funds - Drainage Utility Fund

Department Overview

In June 2003, the City adopted the Drainage Utility Fee whereby residential and non-residential customers pay a monthly drainage fee per Equivalent Residential Units (ERU) which are determined based on the amount of non-pervious surface. The Drainage Utility fee is used for planning, designing, constructing and maintaining the City storm water system. These funds are often combined with Drainage Impact funds to meet capital storm water improvement needs of the City. The City's objective is to provide a city-wide system with a capacity of at least a ten-year storm.

FY 2024-25 Budget
Capital Project Funds

Service Area Overview

Capital Projects Funds (CPF) are used to account for the resources used to acquire, construct, and improve major capital facilities, other than those financed by Enterprise Funds. These funds are typically multi-year projects which carryover from year-to-year until the individual project is completed. The principal source of revenue for these funds comes from impact fees paid on new construction, grants, developer contributions and bond proceeds.

FY 2024-25 Budget
Capital Project Funds - General Capital Project Fund

Department Overview

The General Capital Projects Fund is for funding large one-time capital projects that usually span multiple fiscal years. At the end of each fiscal year, a portion of surplus revenues in the General Fund are transferred into this fund for future allocations which primarily support new projects or significant repair and replacement projects for General Fund departments.

FY 2024-25 Budget
Capital Project Funds - Economic Development Capital Project Fund

Department Overview

The Economic Development Project Fund was the former industrial park capital project fund which was converted to an economic development fund to be used for the accumulation of assets to attract industry, purchase property, and to provide a source of funds for City participation in activities or projects which support economic growth throughout the City.

FY 2024-25 Budget
Capital Project Funds - Airport Capital Projects Fund

Department Overview

The Regional Airport Capital Projects Fund (CPF) primarily accounted for revenues and expenditures for construction of the regional airport which officially opened on January 12, 2011 and is now known as the St. George Regional Airport or SGU. Construction was funded through federal grants, local sources, and other contributions and was a multi-year project until all grant funds and expenditures were realized in Fiscal Year 2015. SGU is an incredible facility and asset to St. George City and Washington County and its operations continue to be budgeted in the General Fund. This fund currently accounts for property transactions associated with the old airport site and significant construction projects at the St. George Regional Airport.

FY 2024-25 Budget
Capital Project Funds - Park Impact Fund

Department Overview

The Park Impact fund is a Capital Projects fund. The Park Impact Fee is collected for the purpose of allocating costs of future park, trail, and recreational facility project costs to new development (growth) that will be constructed to serve new developments. The Park Impact fee is only assessed to residential developments and is collected at the time a building permit is issued.

Capital Project Funds - Police Impact Fund

Department Overview

The Police Impact fund is used to account for fees collected for the purpose of allocating costs of Police infrastructure (police stations or satellite stations) to new development (growth) that will be incurred to serve new developments. The Police Impact fee is assessed to both commercial (based on square footage) and residential developments (based on density) and is collected at the time a building permit is issued. Police Impact fee collections were used to pay the Municipal Building Authority annual lease payments for the Police Dept. building constructed in 1996 and also participate in construction costs for fire stations which are used as police satellite stations.

Capital Project Funds - Street Impact Fund

Department Overview

The Street Impact fund is a Capital Projects fund. Street Impact fees are collected for the purpose of allocating costs of future roadways to new development (growth) that will be constructed to serve new developments. The Street Impact fee is assessed to both commercial (based on trip ends) and residential developments (based on density) and is collected at the time a building permit is issued.

Capital Project Funds - Transportation Improvement Fund

Department Overview

The Transportation Improvement Fund (TIF) is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City Policy. In 1998, voters authorized a 1/4 cent sales tax, also known as the Highway Option Sales Tax, to be used for transportation-related improvements. The City of St. George invoked the Highway Option Sales tax on January 1, 1999 and in 2007, the State Legislature passed an increase from .25% to .30% on non-food items while deleting the tax on food items.

FY 2024-25 Budget
Capital Project Funds - Recreation General Obligation Project Fund

Department Overview

The Recreation General Obligation Project fund is a Capital Projects fund. In November 2023 voters approved the 2023 Trails, Parks and Recreation General Obligation Bond in the amount of \$29 million for 33 different trail, park and park facility improvements. The debt for this approval will be issued in two separate tranches with the first \$15 million approved in April 2024 and the second tranche planned for in 2027.

Other Funds

Service Area Overview

The Other Funds includes Special Revenue Funds, Debt Service Funds, Fiduciary Funds and other various activities that do not fit into one of the other major categories. These types of funds account for revenues and resources that are legally restricted at the federal, state, or local level for specific business purposes for which these resources can be used. Funding sources for these funds vary from federal grants (Public Transit System - Suntran) to a small portion of the sales tax (RAP Tax, Transit Tax), with the funding source being based entirely upon the specific business purpose for each fund.

FY 2024-25 Budget
Other Funds - Switchpoint Fund

Department Overview

Switchpoint Community Resource Center opened in August 2014 and is designed to assist our community's homeless population. Switchpoint is equipped to accommodate up to 64 individuals with temporary housing and its goal is to provide its patrons with the support, job sets, and social skills needed to transition individuals' lives to help them be marketable, employed, housed, and equipped with the skills necessary to regain stability in their life. Switchpoint's motto is "It Takes All of Us" and the facility also provides onsite case workers, workforce services, food pantry, and other supporting services. Effective beginning Fiscal Year 2017, the operations of Switchpoint will be fully independent from the City and operated by the Friends of Switchpoint, a non-profit organization. The City retains ownership of the building and leases the property to Friends of Switchpoint.

FY 2024-25 Budget
Other Funds - Airport Bond Debt Service

Department Overview

In Fiscal Year 2010, in recognition of the economic and community benefits of the Replacement Airport, Washington County agreed to participate with the Replacement Airport's construction funding by committing a portion of their Tourism, Recreation, Culture, and Convention (TRCC) taxes in the amount of \$700,000 annually over a 25-year period. The City then pledged this revenue stream to secure bond financing for the Replacement Airport project. The bonds were originally issued under the Build America Bonds (BAB) program whereby the City will receive a percentage of interest payments back from the Federal Government. The bonds were refinanced in FY2018 as Excise Tax Revenue Bonds. This fund is used to reflect annual receipts and the corresponding debt service.

FY 2024-25 Budget
Other Funds - Recreation Bond Debt Service Fund

Department Overview

State Law (59-2-911) allows taxing agencies to add a tax levy for the purpose of paying debt service payments and providing for a sinking fund in relation to voter authorized indebtedness. The revenues collected from the levy can only be used for the purpose which the levy was made. In 1996, citizens voted for the issuance of General Obligation Bonds (\$18 million total) for the purpose of constructing recreational facilities. The final debt payment was made on the 1996 G.O. bond during FY 2024. For FY 2025 and going forward this fund will be used to track debt service payments for the 2023 Trails, Parks, and Recreation G.O. bond approved by voters in November 2023. The Recreation Bond Debt Service Fund is used to account for the accumulation of resources and payment of the G.O. Bonds.

FY 2024-25 Budget
Other Funds - Special Assessment Debt Service Fund

Department Overview

The Special Assessment Debt Service fund is used to account for collections and accumulation of assessment payments from property owners assessed in a Special Improvement District (SID). The assessments collected are then passed through for the annual debt service principal and interest payments on the SIDs.

FY 2024-25 Budget
Other Funds - Dixie Center Fund

Department Overview

In January 1997, the City and Washington County formed the Washington County Intergovernmental Agency (WCIA) partnership to acquire, construct, equip, operate, and maintain the Dixie Convention Center. The County's participation was 62% and The City's participation was 38%. In FY 2024 WCIA was desolved and this operation was taken over by Washington County.

FY 2024-25 Budget
Other Funds - Airport PFC Fund

Department Overview

The Airport Passenger Facility Charge (PFC) Program allows the collection of PFC fees for every enplaned passenger at commercial airports controlled by public agencies. Airports use these fees to fund FAA-authorized projects that enhance safety, security, or capacity; reduce noise; or increase air carrier competition. Participation in the PFC Program is done through an application process in which the FAA determines the maximum amount of fees that can be collected under each Application Number. The bulk of the funding included in this budget is for transfers to the General Fund or Regional Airport Capital Project Fund as the City's match to Federal grants for improvements to the airport.

FY 2024-25 Budget
Other Funds - Community Development Block Grant Fund

Department Overview

The Community Development Block Grant (CDBG) program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons. The City of St. George became an entitlement city in 2004 when it was designated as a Metropolitan Planning Organization (MPO). Programs are funded through a specific application process and approved by the Mayor and City Council. The annual federal allocation is generally around \$500,000 to \$600,000; however unused funding is carried over to subsequent years.

FY 2024-25 Budget
Other Funds - Police Seizure Fund

Department Overview

As the Washington County Drug/Gang Task Force collects monies for crime-related activities, they place it in this account. The money is then either returned to the owner or forfeited. All forfeited funds are sent to the State of Utah. Returned funds are generally programmed to fund one-time capital expenditures.

FY 2024-25 Budget
Other Funds - Self Insurance Fund

Department Overview

The Self Insurance Fund is used as an internal service fund whereby the City's departments and divisions are billed for their share of liability and property insurance. Liability insurance is allocated based upon the number of Full-Time "Equivalent" Employees and vehicles per department; and property insurance is billed based upon the proportionate share of property value covered. Miscellaneous claims are also paid from this fund.

FY 2024-25 Budget
Other Funds - Public Transit Fund

Department Overview

The City's public transit system, SunTran, is a division in the Public Works Department. SunTran buses provide 40-minute route service on 7 routes and over 160 bus stops throughout St. George, Ivins, and Washington City, from Monday through Saturday. SunTran also provides paratransit bus services. Starting in FY 2024 / FY 2025 this fund will also account for service as part of the Zion route. A large portion of SunTran's funding is through Federal grants due to the City being designated as a Metropolitan Planning Organization (MPO) area in 2004. Additional revenues are through rider fares, advertising fees, grant-match funding through the Transportation Improvement Fund, and Ivins and Washington City's reimbursement of costs and funding for repair and replacement. The Zion Route is funded through Washington County's portion of the Transit Tax, a state grant and farebox revenue. Division 6400 accounts for all non-Zion routes and division 6450 accounts for the Zion route.

FY 2024-25 Budget
Other Funds - Transit Tax Fund

Department Overview

The Transit Tax Fund is a Special Revenue fund used to account for revenues restricted as to their use for specific purposes either by statute or by City Policy. In 2019, Washington County invoked the 1/4 Cent Transportation tax which is comprised of 0.05% to the County, 0.10% to the City for Transportation projects, and 0.10% to the City for our Transit system. This fund accounts for the 0.10% Transit portion of the tax.

FY 2024-25 Budget
Other Funds - Health Insurance Fund

Department Overview

The Health Insurance Fund is used as an internal service fund to account for the city's self-funded medical and ancillary plans for city employees. Funding for these benefits is provided through bi-weekly payroll deductions from employees and contributions from the City based on the health insurance rates adopted by the City each year. FY 2024 will be the first year for this fund as the City has transitioned from a fully-insured plan to a self-funded plan. This transition provides more control over annual rate increases and health insurance costs to the City and employees.

FY 2024-25 Budget
Other Funds - Housing Funds

Department Overview

This fund is used to account for use of the 20% contribution from the Fort Pierce EDA #1 Fund and Fort Pierce EDA #2 Fund, which were required to use 20% of the tax increment received to fund affordable housing projects within the City. This fund no longer receives this contribution as both EDA districts expired and the associated funds were closed. This fund now accounts for the use of the fund balance built up over the years from these contributions.

FY 2024-25 Budget
Other Funds - American Rescue Plan Grant Fund

Department Overview

The American Rescue Plan (ARP) was approved by the Federal Government in 2021 as a coronavirus rescue package designed to facilitate the recovery from the devastating economic and health effects of the COVID19 pandemic. Funds allocated to local governments are allocated based upon a CDBG formula and funds can primarily be used towards lost revenues, water, sewer, and broadband infrastructure.

FY 2024-25 Budget
Other Funds - Johnson Dino Track Preservation Fund

Department Overview

In February 2000, Dr. Sheldon Johnson discovered dinosaur tracks at farmland owned by the Johnson Family. The discovery was significant to the citizens and scientific community and led to the construction of the Johnson Dinosaur Discovery Site building funded by local, state, and federal funding and also through public donations. The mission of the Dinosaur Discovery Site at Johnson Farm is to research, preserve, and exhibit the fossil resources and story for the benefit, education, and enjoyment of the community, the general public, and the scientific world. In Fiscal Year 2011, the City Council authorized turning the full operations responsibilities of the museum to the Dinosaur Ah!Torium Foundation. However, ownership of the site and building remains the City's and therefore the existing fund balance is retained to fund future capital outlays.

Other Funds - Recreation, Arts, and Parks Tax Fund

Department Overview

The Recreation, Arts, & Parks (RAP) Tax is a 1/10 of 1% sales tax on non-food items. Proceeds can be used on publicly-owned and operated athletic fields and parks, trails, playgrounds, etc. It can also be used to support and help develop cultural organizations to advance and preserve art, music, theater, dance, etc. The voters approved the RAP tax during 2014 for a 10-year term which expires March 31, 2025 (unless reapproved by voters in 2024). Funds have historically been used to cover bond commitments on the 2015 bonds issued for large-cost park and trail system improvements such as Little Valley Pickleball Courts, Snake Hollow Bike Park, Worthen Park Reconstruction, the Little Valley Soccer Fields, the Missing Link Trail project, in addition to community art commitments and other park system improvements.

FY 2024-25 Budget
Other Funds - 2007 Sales Tax Road Bond Fund

Department Overview

In November 2007, the City issued Sales Tax Revenue bonds for \$24,775,000 for road and transportation projects. The funds were expended over several years for the Mall Drive Bridge; the Dixie Center secondary access road; towards the City's match for the Southern Parkway and Atkinville Interchange projects; as part of the roads and parking for the Replacement Airport; and other transportation improvement projects. The Replacement Airport was able to return a portion of funds originally reserved for its construction and therefore some funds remain in this fund for additional qualified projects. The bond matured in May 2018 and was payable in semi-annual debt service payments over a ten-year period. This fund accounts for both the construction funding via transfers to other funds, and the debt service payments.

Economic Development Agency Funds

Service Area Overview

Economic Development Agency Funds are funds that operate under the St. George Neighborhood Redevelopment Agency (RDA) and account for revenues and expenditures associated with promoting new capital investment and job creation activities within specific development districts created within the City. The primary funding source for these funds comes from a dedicated portion of tax increment from participating tax entities.

FY 2024-25 Budget
EDA Funds - Dixie Center EDA

Department Overview

In October 1997, the City Council authorized participation in the I-15 (Dixie Center) Economic Development project which allows the St. George Redevelopment Agency to collect tax increment from the Dixie Center project area. Tax Increment revenues are authorized to be used in funding land acquisition, roadways, and other utility infrastructure improvements which foster economic development. The district was invoked January 1, 2006 and had a twelve-year term. In Fiscal Year 2015-2016, the district was extended an additional 6 years and will mature December 2022. In October 2021 this district was extended an additional two years to December 2024.

FY 2024-25 Budget
EDA Funds - Ft. Pierce CDA #1

Department Overview

This fund was created to promote economic development activity in the Ft. Pierce Business Park. Taxes paid on new developments are used to complete infrastructure improvements and provide economic incentives to attract businesses to the St. George area if they meet requirements established by the City and Washington County Economic Development Agency. This district was invoked January 2008 with a 15-year term expiring December 2022.

FY 2024-25 Budget
EDA Funds - Ft. Pierce CDA #2

Department Overview

This fund was created to promote economic development activity in the Ft. Pierce Business Park. Taxes paid on new developments are used to complete infrastructure improvements and provide economic incentives to attract businesses to the St. George area if they meet requirements established by the City and Washington County Economic Development Agency. This district was invoked January 2015 with a 15-year term expiring December 2029. In October 2021 this district was extended an additional two years and will now mature December 2031.

FY 2024-25 Budget
EDA Funds - Central Business CDA

Department Overview

The Central Business District CDA was created during Fiscal Year 2017 to promote economic development activity in the downtown area. Taxes received from new developments and new growth will be used to assist commercial development in completing projects within this District, and also to fund infrastructure improvements in order to attract businesses to St. George's downtown area. This District was invoked to start taking tax increment on January 2021 and beginning FY2021-22. Current activity in this fund reflect the operations of The Inn at St. George hotel acquired by the City during Fiscal Year 2017 and operated through November 2019, at which time it was closed. In October 2021 this district was extended an additional two years.

FY 2024-25 Budget
EDA Funds - Tech Ridge CDA

Department Overview

On November 20, 2008, the Redevelopment Agency of the City of St. George (the Agency), adopted a Project Area Plan and a Project Area Budget (the Plan and Budget) for the St. George Airport Community Development Project Area. In December 2021 the City of St. George adopted the Tech Ridge Development Agreement which provided for a master-planned, mixed-use development within the project area that includes 1 million square feet of Class-A office space and mixed retail and residential. This development is anticipated to create 6,000 direct jobs and significantly grow the Technology Sector in Washington County. Due to the change in vision for the project, significant public infrastructure requirement and inflationary impact on cost, the Agency amended the St. George Airport Community Project Area Plan and Project Area Budget documents in November 2023. Key changes included: 1) Renaming the project area to the Tech Ridge Community Development Area, 2) Extending the maximum duration of the CDA through December 31, 2055 (32 years), and 3) Splitting the development into three tranches (phases) that will be triggered at different points and have a collection period of 26 years per tranche. and 4) increase the tax increment cap to \$50 million in net present value.

GLOSSARY

Account A separate financial reporting unit. All budgetary transactions are recorded in accounts.

Accrual Basis of Accounting A method of accounting where revenues are recorded when service is given and expenses are recognized when the benefit is received.

Accounting Period A period of time (e.g. one month, one year) where the city determines its financial position and results of operations.

Adjusted Budget The adjusted budget as formally adjusted by the Municipal Council.

Adopted Budget The adopted budget as initially formally approved by the Municipal Council.

American Rescue Plan (ARP) The American Rescue Plan Act (ARPA) was approved by the Federal Government in 2021 as a coronavirus rescue package designed to facilitate the recovery from the devastating economic and health effects of the COVID19 pandemic. Funds allocated to local governments are allocated based upon a CDBG formula and funds can primarily be used towards lost revenues, water, sewer, and broadband infrastructure.

Amortization The reduction of debt through regular payments of principal and interest sufficient to retire the debt instrument at a predetermined date known as maturity.

Annual Financial Report (AFR) This official annual report, also called the Comprehensive Annual Financial Report, presents the status of the City's finances in a standardized format. The AFR is organized by fund and contains two basic types of information: a balance sheet that compares assets with liabilities and fund balance; and an operating statement that compares revenues and expenditures.

Appropriated Fund Balance The amount of Fund Balance that is approved as a financing source to help fund expenditures in the current year's budget.

Appropriation A specific amount of money authorized by the Municipal Council for the purchase of goods or services.

Arbitrage The gain which may be obtained by borrowing funds at a lower (often tax-exempt)

rate and investing the proceeds at higher (often taxable) rates.

Assessed Valuation The appraised worth of property as set by a taxing authority through assessments for purposes of ad valorem taxation. The method of establishing assessed valuation varies from state to state, with the method generally specified by state law. For example, in certain jurisdictions the assessed evaluation is equal to the full or market value of the property. In other jurisdictions, the assessed valuation is equal to a percentage of the full market value.

Balanced Budget A budget in which planned funds or revenues available are equal to fund planned expenditures.

Basis Point Equal to 1/100 of one percent. If interest rates rise from 7.50 percent to 7.75 percent, the difference is referred to as an increase of 25 basis points.

Benefits Payments to which participants may be entitled under a pension plan, including pension benefits, death benefits, and benefits due on termination of employment.

Bond Covenants A legally enforceable promise made to the bondholders from the issuer, generally in relation to the source of repayment funding.

Bond Rating The City uses three of the Nation's primary bond rating services: Moody's Investors Service, Fitch Ratings, and Standard & Poor's. These rating services perform credit analyses to determine the probability of an issuer of debt defaulting partially or fully.

Bonds A security that represents an obligation to pay a specified amount of money on a specific date in the future, typically with periodic principal and interest payments.

Budget Calendar A schedule of key dates which the City follows in the preparation, adoption and administration of the budget.

Budget Highlights Included in the opening section of the budget, provides a summary of most important challenges of the budget year, changes from previous years, and recommendations regarding the financial policy for the upcoming period.

Capital Equipment Physical plant and equipment with an expected life of three years or more.

Capital Expenditures The approved budget for improvements to or acquisition of infrastructure, park development, building, construction or expansion, utility systems, streets or other physical structure with an estimated cost of \$5,000 or more and a useful life of three or more years.

Capital Improvement Plan (CIP) A plan for capital expenditures to be incurred each year over a five-year period. Essentially, the plan allows for a systematic evaluation of all potential projects, and specifies funding sources for all approved projects.

Capital Lease An agreement conveying the right to use property, plant or equipment usually for a stated period of time where the lessee assumes all the risks and rewards of ownership.

Capitalized Interest When interest cost is added to the cost of an asset and expensed over the useful life of the asset.

Cash-Basis Budgeting Is a budgeting method which focuses on an estimation of cash inflows (incoming sources) and outflows (outgoing uses) over a specified period of time.

Community Development Block Grant (CDBG) One of the longest-running programs of the U.S. Department of Housing and Urban Development that funds local community development activities such as affordable housing, anti-poverty programs, and infrastructure development.

Consumer Price Index An index of the variation in prices paid by typical consumers for retail goods and other items.

Coronavirus Aid, Relief, and Economic Security Act (CARES Act) a \$2.2 trillion economic stimulus bill passed by the 116th U.S. Congress and signed into law by President Donald Trump on March 27, 2020, in response to the economic fallout of the COVID-19 pandemic in the United States.

COVID19 A mild to severe respiratory illness caused by a coronavirus and transmitted by contact with infectious material such as respiratory droplets and characterized by fever,

cough, and shortness of breath and may progress to pneumonia and respiratory failure.

Contingency An appropriation of funds available to cover unforeseen events that occur during the fiscal year. These funds, if not used, lapse at year end. This is not the same as fund balance.

Debt Service The amount necessary to pay principal and interest requirements on outstanding obligations for a given year or series of years.

Debt Service Fund The amount necessary to pay principal and interest requirements on outstanding obligations for a given year or series of years.

Defeasance A provision that voids a bond when the borrower puts cash in escrow via a refunding bond issuance sufficient to service the borrower's debt. When a bond issue is defeased the borrower sets aside cash to pay off the bonds, therefore the outstanding debt and cash offset each other on the balance sheet and are removed from the financial statements.

Deficit The excess of liabilities over assets, or expenditures over revenues, in a fund over an accounting period.

Department Administrative subsection of the City that indicates management responsibility for a function or operation.

Depreciation The decrease in value of physical assets due to use and the passage of time.

Designated Funds that have been identified for a specific purpose. This differs from reserved funds, in that there is no legal requirements for funds that have been designated.

Division A subset unit of a department that indicates operations or organizational units created to attain specific functions, objectives, and achievements.

Encumbrances Obligations incurred in the form of orders, contracts and similar items that will become payable when goods are delivered or services rendered.

Enterprise Fund A self-supporting fund designed to account for activities supported by user charges.

Escrow Money or property held in the custody of a third part that is returned only after the fulfillment of specific conditions.

Expenditure The disbursement of appropriated funds to purchase goods and/or service.

Federal Aviation Administration (FAA) The Federal Aviation Administration is a federal agency which regulates all aspects of civil aviation in that nation as well as over its surrounding international waters.

Fiduciary Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government's own programs. The fiduciary fund category includes pension trust funds, investment trust funds, private-purpose trust fund, and agency funds.

Fines and Forfeitures Consists of a variety of fees, fines and forfeitures collected by the State Court System.

Fiscal Year (FY) Any period of 12 consecutive months designated as the budget year. The City's budget year is July 1st and ends June 30th.

Fixed Assets Items owned by the City that cost a considerable amount and has a useful life exceeding three years – e.g., computers, furniture, equipment and vehicles.

Fleet The vehicles owned and operated by the City.

Forfeiture The automatic loss of property, including cash, as a penalty for breaking the law, or as compensation for losses resulting from illegal activities. Once property has been forfeited, the City may claim it, resulting in confiscation of the property.

Franchise Fee Charges to utilities for exclusive/non-exclusive rights to operate within municipal boundaries.

Full-Time Equivalent Position A part-time position converted to the decimal equivalent of a full-time position based on 2,080 hours per year.

Fund A set of interrelated accounts to record revenues and expenditures associated with a specific purpose.

Fund Balance The difference between assets and liabilities reporting in a governmental fund at the end of the fiscal year.

General Fund A governmental fund established to account for resources and uses of general operating functions of City departments. Resources are, in the majority, provided by taxes.

General Obligation Bond Bonds for the payment of which the full faith and credit of the issuing government are pledged.

General Obligation Debt that is secured by a pledge of the ad valorem taxing power of the issuer. Also known as a full faith and credit obligation.

Generally Accepted Accounting Principles (GAAP) GAAP refer to a common set of accounting principles, standards, and procedures issued by the Financial Accounting Standards Board (FASB). GAAP is a combination of authoritative standards and the commonly accepted ways of recording and reporting accounting information. Public companies in the U.S. must follow GAAP when compiling financial statements.

General Services Referring to activities, revenues and expenditures that are not assigned to a department.

Governmental Accounting Standards Board (GASB) GASB is the independent organization that establishes accounting and financial reporting standards for U.S. state and local governments that follow Generally Accepted Accounting Principles (GAAP). GASB develops and issues accounting standards to promote financial reporting that provides useful information to taxpayers, public officials, investors, and others who use financial reports.

Governmental Funds Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, debt service funds, capital project funds, and permanent funds.

Grant A contribution by one governmental unit to another unit. The contribution is usually made to aid in the support of a specified function.

IBNR Incurred But Not Report. This is an estimate of outstanding health claims that will be owed in a future period.

Inflation A rise in price levels caused by an increase in available funds beyond the proportion of available goods.

Infrastructure Public domain fixed assets including roads, bridges, curbs, gutters,

sidewalks, drainage systems, lighting systems and other items that have value only to the City.

Interest Income Revenue associated with the City cash management activities of investing fund balances.

Intergovernmental Revenue Revenue received from or through the Federal, State, or County government.

Interlocal Agreement A contractual agreement between two or more governmental entities.

Lease The difference between assets and liabilities reporting in a governmental fund at the end of the fiscal year.

Mission Statement The statement that identifies the particular purpose and function of a department.

Modified Accrual Basis The basis of accounting under which revenues are recognized when measurable and available to pay liabilities and expenditures are recognized when the liability is incurred except for interest on long-term debt which is recognized when due, and the noncurrent portion of accrued vacation and sick leave which is recorded in general long-term debt. The General Fund, Debt Service Funds, Special Revenue Funds, and some Capital Improvement Funds are prepared on the modified accrual basis of accounting except that encumbrances are treated like expenditures.

Municipal Code A collection of laws, rules and regulations that apply to the City and its Citizens.

Municipal Transient Room Tax (MTRT) a tax imposed on businesses which derive revenues from the rent of a suite, room(s), accommodations, or the like, for a period of less than 30 consecutive days (motor courts, motels, hotels, inns, etc.) and which are used by the City for promotion of the City and its facilities, for providing and servicing convention centers and tourist facilities, and for other services which benefit or attract tourists, visitors or travelers.

Objective Something to be accomplished in specific, well-defined, and measurable terms and that is achievable within a specific time frame.

Operating Budget A budget for general revenues and expenditures such as salaries, utilities, and supplies.

Operating Lease A lease that is paid out of current operating income rather than capitalized.

Ordinance A formal legislative enactment by the City that carries the full force and effect of the law within corporate boundaries of the City unless in conflict with any higher form of law, such as state or federal.

Pandemic A global outbreak of a disease. Pandemics happen when a new virus emerges to infect people and can spread between people sustainably. Because there is little to no pre-existing immunity against the new virus, it spreads worldwide.

Passenger Facility Charge (PFC) The Airport Passenger Facility Charge (PFC) Program allows the collection of PFC fees for every enplaned passenger at commercial airports controlled by public agencies. Airports use these fees to fund FAA-authorized projects that enhance safety, security, or capacity; reduce noise; or increase air carrier competition. Participation in the PFC Program is done through an application process in which the FAA determines the maximum amount of fees that can be collected under each Application Number.

Pay-as-You-Go Financing A method of paying for capital projects that relies on current tax and grant revenues rather on debt.

Per Capita A measurement of the proportion of some statistic to an individual resident determined by divided the statistic by the current population.

Performance Budget A budget wherein expenditures are based primarily upon measurable performance of activities and work programs.

Permit Revenue Fees imposed on construction-related activities and for the acquisition of other nonbusiness permits.

Present Value The discounted value of a future amount of cash, assuming a given rate of interest, to take into account the time value of money. To put it another way, a dollar is worth a dollar today, but is worth less than today's dollar tomorrow.

Program Group activities, operations or organizational units directed to attaining specific

objectives and achievements and budgeted as a sub-unit of a department.

Program Goals Program goals describe the purpose or benefit the activity or department plans to provide to the community and/or organizations it serves. Goals identify the end result the activity/department desires to achieve with its planned activities, but goals are often ongoing and may not be achieved in one year.

Program Measures Productivity measures should reflect how well a program is performing its activities to meet the needs of the public and organization. They should measure productivity, effectiveness, efficiency or the impact of a service provided. While activity measures indicate “how much” activity the department is performing, productivity measures identify “how well” the department/activity is performing.

Property Tax A tax levied on the assessed value of real and personal property. This tax is also known as ad valorem tax.

Proprietary Fund Enterprise and internal service funds that are similar to corporate funds, in that they are related to assets, liabilities, equities, revenues, expenses and transfers determined by business or quasi-business activities.

Public Hearing The portion of open meetings held to present evidence and provide information on both sides of an issue.

Quality Excellence, as defined by the customer.

Quarterly Report A document that collects quarterly financial information in the major City funds.

Recession A period of temporary economic decline during which trade and industrial activity are reduced and is generally identified by a fall in Gross Domestic Product (GDP), real income, employment, industrial production, and wholesale-retail sales in two successive quarters.

Refunding Retiring an outstanding bond issue at maturity by using money from the sale of a new bond offering. In other words, issuing more bonds to pay off the old bonds that just matured. In an Advance Refunding a new bond issuance is used to pay off another outstanding bond. The new bond will often be issued at a lower rate than the older outstanding bond. Typically, the proceeds from the new bond are invested and when the

older bonds become callable they are paid off with the invested proceeds.

Reserves A portion of the fund balance or retained earnings are legally segregated for specific purposes.

Residual Equity Transfers Nonrecurring or nonroutine transfers of equity between funds.

Resolution A legislative act by the City with less legal formality than an ordinance.

Retained Earnings An account in the equity section of the balance sheet reflecting the accumulated earnings of the Proprietary Funds.

Revenue Monies received from all sources (with exception of fund balances) which will be used to fund expenditures in a fiscal year.

Revenue Bonds Bonds whose principal and interest are payable exclusively from a designated revenue source or enterprise fund.

Sales Tax Tax imposed on the taxable sales of all final goods.

Special Assessment A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

Special Revenue Fund A fund used to account for revenues legally restricted to expenditures for a particular purpose.

Tax Supported Bonds Bonds for which the funding used to make annual debt service expenditures is derived from tax revenue of the City’s General and Special Revenue Funds.

Taxable Value The assessed value less homestead and other exemptions, if applicable.

Total Bonded Debt For purposes of measuring debt capacity, total bonded debt shall include total outstanding principal for: general obligation bonds of the City, bonds issued for the RDA and EDA projects, all lease appropriation debt to the extent that it is support by tax revenues, this excludes revenue bonds.

Trust and Agency Funds These funds are used to account for assets held by the City in a trustee capacity or as an agent for individuals, private organization, other governments and/or other funds.

Truth in Taxation In order to understand property tax in Utah it is necessary to understand a section of Utah Law known as “Truth in

Taxation.” The County is responsible for administering property taxes and each June it submits to the cities a certified tax rate that would generate the same amount of revenues as the previous year plus any new growth. The certified tax rate does not provide for additional tax revenue due to increased valuation of existing property. If the City chooses to adopt a tax rate higher than the certified rate, state law has very specific requirements for newspaper advertisement and public hearing from which the name “Truth in Taxation” is derived.

Unit A subset division of a department that indicates responsibility for a function or operation. Used interchangeably with “division”.

Utah Department of Transportation (UDOT)

UDOT is the State agency responsible for the transportation system across the state. UDOT plans, designs, builds, and maintains the state highway system and also certain municipal roads which connect to the state highways. UDOT often participates with municipalities to share costs on projects which benefit users of the transportation systems.

Unappropriated Not obligated for specific purposes.

Unassigned Fund Balance Used as a measure of the amount of resources a jurisdiction has available for spending, including its ability to meet special needs and withstand financial emergencies. In these policies, unassigned fund balance means it is neither earmarked nor reserved for other uses. It is available for discretionary spending.

Unbilled Utilities The City has funds that operate as business-type funds, providing water, energy, and sewer collection and treatment services to customers and charging fees based upon consumption (usage) at rates established by the St. George City Council. Most city-owned facilities are charged for these services, but some services are provided at no cost (i.e. “unbilled”) to the City departments. For example, the Water Fund provides water and irrigation water to some city parks, landscaping, city facilities, golf courses, and rights-of-way. Similarly, the Electric Fund provides power to city wells and pump

stations used by the Water Fund to distribute water to customers.

Undesignated Without a specific purpose.

Unencumbered The portion of an allotment not yet expended or encumbered.

Useful Life The period of time that a fixed asset is able to be used. This can refer to a budgeted period of time for an equipment class or the actual amount of time for a particular item.

User Fees Charges for expenses incurred when services are provided to an individual or groups and not the community at large. The key to effective utilization of user fees is being able to identify specific beneficiaries of services and then determine the full cost of service they are consuming.

Variable Rate Bond or Note A bond or note on which the interest rate is reset periodically. The interest rate is

Variable Rate Bond or Note A bond or note on which the interest rate is reset periodically. The interest rate is reset either by means of an auction or through an index.

Volunteers in Public Safety (VIPS) Volunteers who assist the police department with non-enforcement duties, allowing police officers more time to focus on crime reduction and enforcement.

Working Capital A financial metric which represents operating liquidity available to a business. It is calculated as current assets minus current liabilities.
